SOME COME OUT HERE TO FIND THEMSELVES.

YOU’RE AFTER SOMETHING A LITTLE BIGGER.

Not everyone gets it. We do.
That’s why we’re so addicted to making the most of every waking minute spent hunting.

ONLY WHOLESALE SPORTS IS AS OBSESSED WITH HUNTING AS YOU ARE. AND WE HAVE THE PEOPLE AND GEAR TO PROVE IT.

FIND YOUR LOCAL STORE AT WHOLESALESPORTS.COM
Last year was the 75th anniversary of the Pittman-Robertson Wildlife Restoration Act. This excise tax on hunting equipment has been the engine behind funding for wildlife conservation, monies that help maintain wildlife areas, refuges and management of game species for hunting opportunities.

ODFW sets those hunting opportunities based on a myriad of factors. A key piece of information we need is hunter harvest. Traditionally, we’ve gotten this information through a phone survey of hunters. But not only is this method expensive, it’s getting more and more difficult. Hunters screen their calls, move without giving us new contact information, or don’t provide phone numbers.

In light of these problems and at the urging of major hunter groups, we followed the lead of other states and moved to “mandatory reporting” to require that hunters report their big game results. We’ve been tracking this new reporting requirement for a long time—letting you know about it right on your tag and license, plus in the regulations, weekly hunting reports, advertising, news releases and elsewhere. We’ve also entered all hunters that report on time into a drawing for a special big game tag.

But none of these have worked. Last year, just 41 percent of all tags were reported on time. So the Oregon Legislature authorized the Fish and Wildlife Commission to set a penalty fee of up to $25 and that’s what they have done. The new penalty will be in place for anyone not reporting on their 2012-13 deer and elk tags by the deadline: Jan. 31, 2013 for hunts that end by Dec. 31, 2012 and April 15, 2013 for hunts that end Jan. 1-March 31, 2013. Deer and elk tags are some of the most under-reported and due to the large number of hunts and hunters, provide some of the most critical information for setting tag numbers. The fee will be assessed when hunters go to purchase their 2014 hunting license.

Pulling the trigger on penalty fees isn’t fun for us, and we recognize it isn’t for you, either. But we’ve heard from a variety of hunters that this is the action we need to take. And it’s no different from what other western states have needed to do to get hunters to report.

Of course, there is a real simple way to avoid this fee—just report on time! As a hunter, that’s my goal and I hope it’s yours too. You are saving yourself a fee, helping fellow hunters and helping to better manage our big game populations. And while we are on the subject, here is another fee you can avoid: the after-the-tag sale fee of $17! We put this in place a few years ago after seeing too many hunters miss an opportunity because they failed to pick up their tag on time, even in cases where they’d already drawn or purchased it through a Sports Pac. But it’s another one that is very easy to avoid.

But enough about fees, let’s talk about hunting. As I write this, it’s raining in western Oregon, finally. This year was an exceptionally dry one. Fires were so bad in the Whitehorse Unit that we had to shut down sage-grouse hunting. This is a pretty rare occurrence. Typically, a portion of the hunt area always remains open and restrictions don’t extend for the whole season. But if there is a complete loss of hunting opportunity, that’s when we look at options like extending seasons or reinstating preference points.

I did hear about the tough conditions many of you faced for mule deer hunting this year due to the dry conditions. But overall, things are looking up for mule deer. Several years ago, when I toured the state to talk with hunters and anglers, one concern I heard at every meeting was the declining mule deer populations and hunting opportunities in eastern Oregon. We heard you loud and clear and set out to do something about it.

In the past few years, we’ve put more than $5 million into on-the-ground projects in five units: Maury, Heppner, Warner, Steens Mtn, and Murderers Creek. Much of our effort has been focused on improving habitat—chiefly, cutting the water-guzzling juniper trees that have crowded out more nutritious plants deer rely on. You have to have the right amount of food and shelter on the landscape to sustain a wildlife population. Without increasing the forage available for mule deer, Oregon won’t see a long-term change in their numbers.

We have also reduced cougar and coyote populations, stepped up law enforcement and doubled the Turn in Poachers awards, limited disturbance to deer on their winter ranges, warned drivers on heavily travelled routes to reduce deer lost to vehicle collisions, and used a new method that more accurately counts deer.

While we have repeatedly said that making a difference would take time, the early evidence is that the things we are doing on the landscape are making a difference. Our habitat improvements for mule deer total nearly 100,000 acres. We’ve worked on some very large blocks of land to really make an impact. Ranchers are telling us they are seeing water in streams that haven’t run in years. Fawn survival is picking up in some places. We’re carefully following fawn and buck ratios and deer populations in our Mule Deer Initiative units and hope to report back soon with more detailed good news, once we have more data to measure.

As always, hunters and groups like Oregon Hunters Association, Mule Deer Foundation, Rocky Mountain Elk Foundation, private landowners and federal natural resource agencies have stepped up, volunteering their time and money to this cause. There is nothing more satisfying than working together when it comes to restoring game populations. Let’s continue to work together for the sake of Oregon’s big game.

ODFW and partners involved in the Mule Deer Initiative have improved nearly 100,000 acres of land in the last few years, mostly by cutting water-guzzling juniper trees that crowd out bitterbrush, sage-brush and other forage deer need.

Director’s Message

Last year was the 75th anniversary of the Pittman-Robertson Wildlife Restoration Act. This excise tax on hunting equipment has been the engine behind funding for wildlife conservation, monies that help maintain wildlife areas, refuges and management of game species for hunting opportunities.

ODFW sets those hunting opportunities based on a myriad of factors. A key piece of information we need is hunter harvest. Traditionally, we’ve gotten this information through a phone survey of hunters. But not only is this method expensive, it’s getting more and more difficult. Hunters screen their calls, move without giving us new contact information, or don’t provide phone numbers.

In light of these problems and at the urging of major hunter groups, we followed the lead of other states and moved to “mandatory reporting” to require that hunters report their big game results. We’ve been tracking this new reporting requirement for a long time—letting you know about it right on your tag and license, plus in the regulations, weekly hunting reports, advertising, news releases and elsewhere. We’ve also entered all hunters that report on time into a drawing for a special big game tag.

But none of these have worked. Last year, just 41 percent of all tags were reported on time. So the Oregon Legislature authorized the Fish and Wildlife Commission to set a penalty fee of up to $25 and that's what they have done. The new penalty will be in place for anyone not reporting on their 2012-13 deer and elk tags by the deadline: Jan. 31, 2013 for hunts that end by Dec. 31, 2012 and April 15, 2013 for hunts that end Jan. 1-March 31, 2013. Deer and elk tags are some of the most under-reported and due to the large number of hunts and hunters, provide some of the most critical information for setting tag numbers. The fee will be assessed when hunters go to purchase their 2014 hunting license.

Pulling the trigger on penalty fees isn’t fun for us, and we recognize it isn’t for you, either. But we’ve heard from a variety of hunters that this is the action we need to take. And it’s no different from what other western states have needed to do to get hunters to report.

Of course, there is a real simple way to avoid this fee—just report on time! As a hunter, that’s my goal and I hope it’s yours too. You are saving yourself a fee, helping fellow hunters and helping to better manage our big game populations. And while we are on the subject, here is another fee you can avoid: the after-the-tag sale fee of $17! We put this in place a few years ago after seeing too many hunters miss an opportunity because they failed to pick up their tag on time, even in cases where they’d already drawn or purchased it through a Sports Pac. But it’s another one that is very easy to avoid.

But enough about fees, let’s talk about hunting. As I write this, it’s raining in western Oregon, finally. This year was an exceptionally dry one. Fires were so bad in the Whitehorse Unit that we had to shut down sage-grouse hunting. This is a pretty rare occurrence. Typically, a portion of the hunt area always remains open and restrictions don’t extend for the whole season. But if there is a complete loss of hunting opportunity, that’s when we look at options like extending seasons or reinstating preference points.

I did hear about the tough conditions many of you faced for mule deer hunting this year due to the dry conditions. But overall, things are looking up for mule deer. Several years ago, when I toured the state to talk with hunters and anglers, one concern I heard at every meeting was the declining mule deer populations and hunting opportunities in eastern Oregon. We heard you loud and clear and set out to do something about it.

In the past few years, we’ve put more than $5 million into on-the-ground projects in five units: Maury, Heppner, Warner, Steens Mtn, and Murderers Creek. Much of our effort has been focused on improving habitat—chiefly, cutting the water-guzzling juniper trees that have crowded out more nutritious plants deer rely on. You have to have the right amount of food and shelter on the landscape to sustain a wildlife population. Without increasing the forage available for mule deer, Oregon won’t see a long-term change in their numbers.

We have also reduced cougar and coyote populations, stepped up law enforcement and doubled the Turn in Poachers awards, limited disturbance to deer on their winter ranges, warned drivers on heavily travelled routes to reduce deer lost to vehicle collisions, and used a new method that more accurately counts deer.

While we have repeatedly said that making a difference would take time, the early evidence is that the things we are doing on the landscape are making a difference. Our habitat improvements for mule deer total nearly 100,000 acres. We’ve worked on some very large blocks of land to really make an impact. Ranchers are telling us they are seeing water in streams that haven’t run in years. Fawn survival is picking up in some places. What’s new in 2013?

• There will be a $25 penalty for not reporting by the specified deadline.......................... 6
• Three new spike only controlled bow hunts have been added in Mt. Emily, Walla Walla, and Wenatche; these controlled hunts will be the hunter’s only archery elk opportunity for the year. The controlled elk tag will be required to deer hunt in these units during the archery season................................................................. 79
• The unit-wide Ochoco antlerless elk hunt has been replaced with private lands hunts to move elk back onto national forest lands, and a second controlled bow hunt for bulls only has been added in the Ochoco Unit......................................................... 66, 79
• Antlerless elk hunting on National Forest lands on the west slope of the Cascades will be reduced for almost all hunters, muzzleloader, rifle, archery, including those with Disability Permits................................................................. Various
• Regulations for White River Wildlife Area related to camping and motor vehicle use have changed................................................................. 99

NOTE: ODFW Salem Headquarters will be moving in summer of 2013. See ODFW’s website at www.dfw.state.or.us for current information.

HUNTING ESSENTIALS

$10 OFF

YOUR NEXT HUNTING, FISHING AND CAMPING PURCHASE OF $50 OR MORE

Limit one coupon per customer. Minimum purchase of $50 before sales tax. Total amount of coupons must be redeemed at one time. Cannot be combined with any other offers, coupons, team discounts or guaranteed in-stock merchandise, or used for licenses or previously purchased merchandise. Coupon valid on in-store purchase only. Not redeemable for cash, gift cards or store credit. No reproductions or cash checks accepted. Returns or exchanges where a ScoreCard Reward or other discount was applied may result in an adjusted refund amount.

Excludes firearms, ammunition, Shimano, St. Croix, S. Loomis, Fishing Electronics, Hunting optics, used/second hands, Jackets, Outer Armor, The North Face, Patagonia, Ugg Australia, Merrell, Keen, Burton, Marmot, Spyder, Mountain Hardware, Columbia, Quiksilver, Revo, Billabong and Vango. Some additional exclusions may apply. See store for details.

Valid 11/15/12 through 6/30/13.
Report On Your Deer and Elk Tags by the Deadline to Avoid $25 Fee!

Deadlines:
- For all hunts that end April 1-Dec. 31, 2012, the deadline is Jan. 31, 2013
- For all hunts that end Jan. 1-March 31, 2013, the deadline is April 15, 2013

Hunters that report on time are entered to win a special big game tag of their choice (deer, elk or pronghorn antelope). This special tag allows the hunter an extended season and expanded hunt area.

To report, you need the following information:
- Hunter/Angler ID# (also called the ODFW ID#), which is printed on all ODFW issued documents including licenses, tags and controlled hunt applications.
- If reporting online, you need to enter your last name and date of birth.
- The 2-digit number of the Wildlife Management Unit you hunted in the most. Unit numbers are identified on pages 94-95.
- If you were successful and harvested a buck deer or bull elk, report the antler points on the side with the most points.
- Answer some questions related to the MentoredYouth Hunter Program.

Report online at [www.reportmyhunt.com](http://www.reportmyhunt.com) or [www.dfw.state.or.us](http://www.dfw.state.or.us) under the “Hunting” menu, or call toll-free 1-866-947-ODFW (6339) to speak with a customer service representative. (Do Not call your local field office to report)

Hunters are required to complete a hunter survey for each deer, elk, cougar, bear, pronghorn antelope and turkey tag they purchase.

**NEW FOR 2013/14**
Those that fail to report on 2012 deer and elk tags by the deadline will be penalized a $25 fee when they go to purchase a 2014 hunting license.

**TAG SALE DEADLINES**

- It is the hunter’s responsibility to purchase the correct tag for each species prior to the first valid date of the tag. Tag sale deadline and Sports Pac tag pick up deadline is the day before the hunt begins (see below for Bighorn Sheep, Rocky Mt Goat, general bear, and cougar deadlines). For hunts with more than one hunt period, the tag sale deadline and the Sports Pac tag pick up deadline is the day before the earliest opening date.
- LOP tags must also be purchased by specified Tag Purchase Deadlines below. See page 19 for deadlines on LOP registration forms, distribution forms, and applications.
- Members of the Armed Forces with Oregon resident status, returning to Oregon after tag sale deadlines will be permitted to purchase general season tags for themselves at the regular rate. Contact ODFW at 503-947-6100 for information.
- Tags may be obtained or obtained after the deadline date provided an affidavit is signed and a fee for a duplicate tag is paid.

*Hunters must purchase the general season tag for that species prior to the first valid date of the tag. The agent fee is included in all prices. License, tag, application and agent fees are not refundable. The fee for duplicates is $17.00. If the fee paid for the license, tag or permit that was lost, destroyed or stolen was less than $15, the original fee shall be charged for the duplicate license, tag or permit. The fee for exchanges is $7.00. Exchanges of tags and duplicate tags may be obtained only through ODFW’s headquarters, region offices and some district offices. Duplicate licenses can be obtained from any agent or ODFW offices. Tags and duplicate tags are closed on state holidays, weekends and state mandated furlough days. Hunting licenses may be exchanged for a Combination or Sports Pac within 90 days of purchase. Tags may be exchanged ONLY for a tag for which they are valid. To purchase a license or tag by mail or fax, use the application form on page 17.

*To purchase a license or tag in person, visit any license agent.

To purchase a license or tag via the internet, please visit our website at www.dfw.state.or.us/online_license_sales.
The Resident Sports Pac or Juvenile Sports Pac includes a Combination Angling/Hunting/Shel­l­fish License, black bear tag (general season, controlled 700 series or limited first-come, first-served Spring Black Bear (SW Oregon)), general cougar tag, one elk (general season or controlled 200 series hunt), and one deer tag (general season or controlled 100 or 600 series hunt), upland game bird validation, waterfowl validation, one spring turkey tag, and combined angling harvest tag. Leftover tags for bear, deer, or elk are not included. The fee for the entire package is $164.75 or $52.00 for the Juvenile Sports Pac.

The Combination Angling/Hunting/Shel­l­fish License, general cou­gar, spring turkey and angling harvest tags are issued at the time you purchase a Sports Pac. Bear, deer and elk tags must be requested by the hunter because of the different options available. Upland game bird and Oregon waterfowl validations are available after July 1 each year.

Sports Pac license holders can request and pick up general season deer, elk and/or bear tags from Dec. 1 through the day prior to the earliest opening day of the hunt period for deer and elk and Sept. 30 for general bear, or can apply for controlled deer (100 or 600 series), controlled elk (200 series) and controlled spring bear (700 series) hunts. General season tags can be requested and picked up at the time you purchase your Sports Pac if you are not applying for controlled hunts in the 100, 200, 600, or 700 series.

Controlled hunt applications ($8.00 each) must be purchased in addition to the Sports Pac license no later than Feb. 10 for black bear and May 15 for deer and elk. Sports Pac holders are not guaranteed success in the controlled hunt drawings. However, if you are successful in the controlled hunt drawings, controlled hunt tags are available beginning Feb. 20 for bear and June 20 for deer and elk. Tags must be picked up from a license agent prior to the opening day of the earliest hunt period for which tags are valid, including general seasons.

If you apply and are unsuccessful in the controlled hunt drawing and wish to hunt in a general deer, elk, or bear season, you must return to a license agent and pick up your tag prior to the opening day of the earliest hunt period for deer and elk and Sept. 28 for black bear.

NOTE: All general season and controlled hunt tags must be picked up by the day before the earliest opening day of the hunt period. Some hunts are valid for both controlled and general seasons. Tags must be picked up prior to any hunt beginning. General black bear tags must be picked up by Sept. 27.

Only Oregon residents can purchase a Sports Pac or Juvenile Sports Pac. Sports Pac licenses are available at all license agent locations, by mail or fax, or via the internet at www.dfw.state.or.us/online_license_sales. Holders of a Pioneer or Disabled Veteran license may purchase the Sports Pac license at full cost.

Your Sports Pac includes one of each of the following:
- Combination Angling/Hunting/Shel­l­fish License
- Combined Angling Harvest Tag*
- General or Controlled Deer Tag
- General or Controlled Elk Tag
- General or Controlled Bear Tag
- General Cougar Tag*
- Spring Turkey Tag*
- Validation for Upland Birds and Waterfowl are available after July 1.

Deer, elk, and bear tags are not automatically issued at the time Sports Pac license is issued. Hunters must remember to pick up deer, elk, and bear tags by the day before the earliest hunt opens for deer, elk, and controlled bear and by Sept. 27 for general bear.

*Issued automatically at time of purchasing Sports Pac License.

Any Questions?
Contact ODFW-Licensing, 503-947-6100.

Hunters: Be aware that under the Interstate Wildlife Violators Compact (Compact), you can have your Oregon hunting licenses and tags revoked or suspended if you violate the wildlife laws of other states. This means if your license or tag privileges which come under the scope of the Compact are suspended or revoked in one member state, they are subject to suspension or revocation in all member states. For more information, please visit our website at: www.dfw.state.or.us/resources/hunting/WildlifeViolatorCompact/wildlife_violator_compact.asp.

As of November 2012
ALL HUNTERS
- Must have a valid hunting license. (See exceptions for youths participating in the Mentored Youth Hunter Program on page 84.)
  - Hunting licenses are valid through December 31 of each year. Hunts extending into or beginning in the following calendar year require a new hunting license.
  - No one may possess more than one valid annual hunting license.
  - Hunters, 14 years of age and older, who will be hunting predators on public land, and western gray squirrels, unprotected mammals, and unprotected birds on public or private land must have a valid hunting license. No tags are required.
  - Any hunter with a valid Oregon or Idaho hunting license may hunt in the waters or on the islands of the Snake Rvr, where the rvr forms the boundary between the two states. All laws and rules of the respective states apply.
  - To apply for controlled hunts, all hunters must purchase a current hunting license.
  - To hunt big game you must have in possession a valid hunting license and a big game tag valid for the dates, area, and species being hunted.
  - Licenses, tags, and controlled hunt applications can only be obtained at license agents throughout the state, via the internet (www.dfw.state.or.us/online_license_sales), or through the headquarters office by mail, fax, or in person.
  - Licenses and tags may be purchased for you by a family member or friend.
  - No person may possess more than one valid annual hunting license. However, for the purpose of acquiring preference points under the controlled hunts system and hunting big game, a youth between the ages of 9 and 13 may hold both a free youth license and a juvenile hunting license.

OREGON RESIDENTS
- Obtaining hunting, combination, or Sports Pac license.
  - Oregon Administrative Rule (OAR) 635-010-0015(4)(a) provides the legal standard for purchasing a resident license: “A resident is one who has physically dwelled in Oregon continuously for the six months prior to applying for a license. Temporary absences from Oregon during that time period do not defeat a person’s residency so long as such absences were not for the purpose of establishing residency outside Oregon.” The legal requirement is implemented by this certification that a license applicant must sign: “I, the undersigned, hereby certify and declare that the information provided to obtain this license/tag is true. To acquire an Oregon resident license/tag I certify that I have resided continuously within Oregon no less than six months immediately prior to applying for this license/tag. I have resided in Oregon for ___ Years ___ Months. I acknowledge this license was issued as requested and understand that no refund will be made.”
  - These requirements are waived for certain active members of the armed forces and for some foreign exchange students (see OAR 635-010-0015(4) for details). Submitting a false application is a crime.

NONRESIDENTS
- Must obtain a valid nonresident hunting license or nonresident juvenile hunting license if 14 years of age or older.
- Must obtain a valid nonresident tag for each species they will hunt.
- A nonresident license and/or tag may be purchased for a person by a family member or friend directly from a license agent or by mail, via the internet (www.dfw.state.or.us/online_license_sales), or fax.

YOUTH (RESIDENT AND NONRESIDENT)
- License, controlled hunt application and big game tag requirements.
  - All hunters 12 years of age and older must purchase a hunting license to apply in the big game controlled hunt drawings, to purchase a tag and hunt in any big game season and to apply for and receive landowner preference tags.
  - Youth 11 years of age are allowed to purchase a juvenile hunting license provided they will turn 12 at the time they hunt.
  - Youth 9-12 must purchase a hunting license to participate in the point saver program. See page 14.
- No one 11 years of age and younger may hunt for big game.
  - See exceptions for youths participating in the Mentored Youth Hunter Program on page 84.
- Tags and applications requirements
  - Youth 13 years of age and younger are required to obtain a FREE license in order to purchase turkey tags or apply for sage grouse hunts and waterfowl reservations.
  - Hunters 17 years of age or younger can buy a juvenile hunting license.
  - Youth 13 years of age and younger while hunting on property other than land owned by parent or legal guardian must be accompanied by an adult 21 years of age or older.
  - Youth 17 and younger must have a Hunter Education Certificate or a department issued document (ex. hunting license) which includes their Hunter Education Certificate Number in their possession to hunt anywhere except on land owned by their parent or legal guardian. See page 85 for Hunter Education information.
- Hunters ages 17 and under must wear a hunter orange exterior garment (shirt, jacket, coat, vest, or sweater) or hat when hunting game mammals or upland birds (except turkey) with any firearm. The exterior garment or hat must have hunter orange visible in all directions (360 degrees).

LANDOWNERS
- A resident does not need a license to hunt on land upon which the person resides and is owned by the person or a member of the person’s immediate family, unless they are hunting a species for which a tag is required.
- If landowners are purchasing big game tags, applying in the big game controlled hunt drawings or applying for landowner preference tags, a hunting license is required.
- All landowners (residents and nonresidents) eligible for landowner preference must send in appropriate landowner preference forms, purchase a valid hunting license, and apply by specified deadlines to receive landowner preference tags. See page 19 for details.
- A landowner or landowner agent does not need a hunting or trapping license to take predatory animals on land they own, lease, lawfully occupy, possess, or have charge of or dominion over. See page 82 for the definition of a predatory animal.

1 See page 11 for License Requirements.
2 License exceptions exist for landowner and youth, see page 11. (Note: To hunt any big game species, one must have a valid hunting license and appropriate tags).
3 Leftover tags obtained after the controlled hunt drawing are additional.
4 Auction and Raffle Tags (see pages 20-23) and Mandatory Hunter Reporting Incentive Tags are in addition to Controlled Hunt Tags.
5 Any person hunting or trapping furbearing animals must possess a valid Furtaker’s License or Hunting License for Furbearers.
ABOUT LICENSES, CONTROLLED HUNT APPLICATIONS AND TAGS

The ODFW POS system and online sales will be available 24 hours a day. Check with your local license agent to determine store hours for POS sales.

Note: As a hunter it is your responsibility to:
- Ensure the hunts you apply for (all choices in all series) are hunts you want to participate in.
- Monitor your preference points, tags allocated to specific hunts, and odds of drawing a tag.
- Ensure the actual area you are interested in hunting is within the hunt boundary and is open for hunting access.
- Secure access to any private lands you wish to hunt on within the established hunt area boundary.

ODFW strives to make all information available to all hunters and ODFW will not reinstate preference points or change tags because the tag you drew is not the one you wanted or expected.

LICENSES
You can buy a hunting license in person, by mail, via the internet, or by fax. A $2.00 shipping and handling fee applies. You must have a license to apply for controlled hunts or buy tags (license may be purchased before or at the same time you purchase your controlled hunt applications or general season tags.)

1. To purchase in person, go to any license agent.
2. To purchase by mail or fax, use the application form on page 17.
3. To purchase by internet, please visit www.dfw.state.or.us/online_license_sales.

CONTROLLED HUNT APPLICATIONS
TO APPLY for a controlled hunt, you must have a VALID HUNTING LICENSE. Application fee is $8.00 per hunt series. Apply at a license agent, via the internet, by mail or by fax.

- To apply by mail or fax, use the application form on page 17. A $2.00 shipping and handling fee applies. If applying in person or via the internet, you may use the application form as a worksheet to speed up the process.
- License agents will ask for information shown on the application form.
- Available hunt choices are listed in the controlled hunt tables for each species/series.
- Enter at least one complete hunt number choice (3-digit minimum). You may enter up to four additional hunt choices. All hunt choices on one application for a series must have the same first digit.
- Hunters should apply for more than one hunt choice in case a particular hunt is cancelled.
- Verify that all information entered is what you requested before the transaction is completed. The license agent will give you an application receipt showing your hunt choices. You should check it for accuracy before you leave the license outlet and keep it for proof of application.

PARTY APPLICATIONS
You must indicate if you are applying as an individual, party member or party leader when applying for your controlled hunts. All applicants, including party leader must purchase separate applications. Parties must assign ONE member as the party leader. Each party member, except party leader, must enter their party leader’s hunting license number on their application.

- The party leader’s hunt choices will be used for the entire party. All members must list the same choices as the party leader on their individual applications.
- Party-size limitations: 18 hunters for deer and elk; six hunters for black bear; ONLY two hunters for pronghorn antelope. No party applications are permitted for bighorn sheep or Rocky Mt goat.
- All persons in parties that exceed the allowed party size will be considered single applicants in the drawing.
- Parties will NOT be split to fill hunt quotas. This also applies to limits on controlled hunts for nonresidents. If the nonresident maximum is reached, parties composed solely or partially of nonresidents will not receive tags in that particular hunt.

CORRECTING ERRORS OR CHANGING APPLICATIONS
If there is an error on your controlled hunt application (incorrect party leader’s license number, hunt choice, etc.), or if you need to change your application, you must contact the Controlled Hunt staff by June 1 to have it corrected. Mail a photocopy of your application with the corrections marked to ODFW-Controlled Hunts, 3406 Cherry Ave. NE, Salem, OR 97303, or fax to 503-947-6113 or 6117.

PURCHASING TAGS
Youths who will turn 12 during a season (controlled or general) must purchase their tag prior to the tag sale deadline but may not hunt until they turn 12.

General Season Tags
You may purchase or claim tags directly from a license agent, by mail, or fax before the tag sale deadline.

To purchase or claim by mail or fax, use the application form on page 17. Be sure to clearly identify which tags you want to purchase and include appropriate fees. If purchasing by mail, fax or via the internet, please remember to allow time for delivery. General season tags available are:
- Fall Black Bear
- SW Additional Bear
- Cascade Additional Bear (Nonresident)
- Western Oregon Deer
- Cougar
- Additional Cougar

- Deer Bow
- Elk Bow
- Cascade Elk
- Coast Elk First Season
- Coast Elk Second Season
- Rocky Mt Elk First Season
- Rocky Mt Elk Second Season

Controlled Hunt Tags
- Hunters have the option of deciding whether or not they want to purchase the tag for the hunt choice drawn.
- Successful applicants may purchase or pick up tags directly from a license agent, or purchase by mail or fax by the day before the hunt.
- Telephone purchases are not accepted.
- Check the TAG PURCHASE DEADLINE to allow plenty of time to complete this transaction.
- To purchase or pick up tags in person, go to a license agent and buy the tag(s) you drew.
- To purchase tags by mail or fax: Make a photocopy of your license and notification postcard, OR write your full name and hunting license number on a piece of paper. Include a check, money order, VISA or MasterCard for the tag fee amount and a $2.00 shipping and handling fee payable to ODFW. If paying by credit card, include the account number, expiration date and signature to authorize charges. DO NOT SEND CASH.
- Mail to:
  - ODFW-Licensing
  - 3406 Cherry Ave. NE
  - Salem, OR 97303
- or fax payment if using a credit card to 503-947-6117 or 6113.

NOTIFICATION
- Notifications (successful or unsuccessful) will be made available by Feb. 20 (spring black bear) and June 20 (big game). Check draw results by visiting the website (www.dfw.state.or.us), calling the ODFW Controlled Hunt Information Line, or returning to any license agent. It is the hunter’s responsibility to verify success in the drawing and purchase or pick up any tags by the earliest opening day before the hunt begins, or by the earliest opening date for hunts with split-season dates, including tags obtained with a Sports Pac.
- IF SUCCESSFUL: Tags must be purchased or picked up by the day before the hunt begins. In the case of a controlled hunt tag that is also good for general season, the tag must be purchased or picked up by the day before the earliest hunt or by the earliest opening date for hunts with split-season dates.
- IF UNSUCCESSFUL: Hunters may purchase a general season tag and/or purchase leftover tags if available on a first-come, first-served basis.
CONTROLLED HUNT DEADLINES
For controlled hunt deadline information, see page 9.

PREFERENCE POINT SYSTEM
- Hunters who apply and do not receive their first choice for pronghorn, deer, elk and spring black bear controlled hunts receive a preference point for future controlled drawings for those species.
- All party applicants will receive one preference point for the species listed above if they do not receive their first hunt choice.
- Hunters DO NOT have to apply for the same hunt number in consecutive years to gain points.
- Preference points will be kept on file under a person’s Hunter/Angler ID number.
- Failure to consistently use the same ID number can prevent you from being successful in the drawing.
- Party applicant points shall be determined by totaling preference points of all party members and then calculating the average of this total. Average party preference points will be rounded up to the nearest whole number (example: 3.51 to 4; 3.50 to 3).
- Drawing a first choice hunt within a hunt series takes the successful hunter’s point total back to zero whether or not they purchase the tag, except for those hunters with a Pioneer Angling/Hunting License. Successful applicants with a Pioneer Angling/Hunting License shall have one preference point when they next apply for a tag in that hunt number series. Hunters who successfully draw second or lower hunt choices still receive a preference point for future drawings except in the case of a first hunt choice that is cancelled. (See page 15). Their existing preference point total will also carry over. Hunters who indicate a Point Saver number, one ending in 99, will receive a preference point that will add to any existing points for that hunt series.
- Hunters will not forfeit their preference points if they do not apply for a hunt series for two or more consecutive years. Preference points remain in the system until they are redeemed by drawing a hunt.
- Applicants who have their license suspended by legal action will forfeit all preference points.
- Youth participating in the Mentored Youth Hunting Program will receive one mentored youth preference point for each year they register for the program. See page 94.

POINT SAVER HUNTS
Point Saver hunt numbers give hunters a preference point and maintain existing preference points. If you do not plan to hunt in a controlled hunt series, you can apply for a Point Saver to gain a preference point. You can still hunt during general seasons and/or purchase leftover tags if available. You can also apply for an emergency hunt in addition to general, controlled hunt and/or leftover tags. How to Apply: (see page 16 for controlled hunt application procedures).
- You must have a hunting license.
- Apply by the appropriate deadline (Feb. 10 for 700 series black bear; May 15 for all other hunt series).
- You may purchase one Point Saver for the current year, for each series (100, 200, 400, 600, and 700) from July 1 through Nov. 30 if you did not apply during the controlled hunt drawing for that series.
- Select the Point Saver number for the appropriate hunt series (1 hunt series per application).
- You CANNOT apply for another hunt choices within the same series if using the Point Saver number.
- Youth applying for a Point Saver CANNOT apply for a First Time Youth tag in the same series later in the same year.
- Youth nine years of age or older are eligible to apply for point savers provided they have a social security number, a hunter/angler ID number and purchase a hunting license.

HOW THE DRAWING WORKS
Public Welcome! For date and time of public drawing, call 1-800-708-1782.
- The computer assigns each application a 10-digit random number. Members of the public pick a 10-digit number at random for each hunt series. Those random starting numbers are used by the computer to select successful applicants.
- Hunting parties are maintained by the computer and only the party leader’s 10-digit number is used in the drawing.
- The controlled hunt drawing allocates 75% of first choice available tags for a hunt to applicants with existing preference points. The remaining 25% will be drawn randomly from a pool of all applicants. This step ensures that all applicants have some chance of drawing a tag each year they apply.
- All applicants are grouped by preference points and then arranged by 10-digit random number within preference point group.
- Tags are awarded in each preference point group beginning with the applicant whose 10-digit number matches (or is closest to and above) the start number.
- The selection continues with the applicant having the next higher number and continues until 75% of available tags are awarded or until all first-choice applicants have received tags. Any remaining tags from the 75% will be added to the 25%.
- Then all remaining applicants are rearranged solely by 10-digit random number to award the remaining tags (25% of total available).
- All applicants in a hunt series are grouped by first hunt choice. Tags are assigned to first choice applicants as above until all tags are assigned or all first choices are filled. Tags are only assigned to second choice applicants after all first choices have been filled.
- Selection is still based on the draw numbers described above.
- This sequence is followed for 3rd, 4th and 5th choices. Preference points do not apply to 2nd or lower choices.

LEFTOVER CONTROLLED TAGS
Leftover tags for hunts with fewer applicants than there are tags will be sold on a first-come, first-serve basis beginning at 10 a.m. (Pacific time) on Mar. 15 for black bear and July 1 for all other big game series (see page 19 for LOP leftover tag information) until all tags are sold as follows:
- Hunts having leftover tags may include Controlled Deer hunts (100 series), Controlled Elk hunts (200 series), Controlled Pronghorn Antelope (400 series), Controlled Antlerless Deer (600 series) and Controlled Spring Bear (700 series). Controlled Bighorn Sheep (500 series) and Controlled Rocky Mt Goat (900 series) will NOT be included.
- Only hunts with more tags than applicants (including 1st, 2nd, 3rd, 4th and 5th hunt choices) in the Controlled Hunt Drawing will qualify. No additional tags will be added to any hunt following the controlled hunt drawing. Tags awarded through the controlled hunt drawing, but not claimed or purchased will not be included or available for sale.
- Tags from “unlimited” tag hunts and some hunts where access is limited may be excluded from the first-come, first-serve process.
- A list of hunts and available leftover tags for sale on a first-come, first-serve basis will be made available at license agents and ODFW offices by Mar. 15 for bear and July 1 for all other big game species.
- Leftover tags except LOP tags may only be purchased in person at license agents or ODFW offices. Mail orders and faxes will not be accepted for leftover tags.
- Leftover LOP tags may only be purchased through the Controlled Hunts office.
- Only one leftover tag may be purchased per person per hunt series.
- Leftover tags are in addition to General Season, Controlled Hunt, or LOP tags you may purchase in a series.
- Leftover tags MUST be purchased by the day before the earliest opening date. See page 19 for LOP leftover tags.
- Leftover tags purchased by youth do not impact their eligibility for “First Time” tags in that series.
- Leftover tags will be sold at the regular price for the current hunting season.
However, leftover tags may be sold at a price up to four times the regular amount in the future.

- No Preference Points will be given or taken away when purchasing leftover tags.

## CANCELLED HUNTS

- Information about any cancelled hunts will be made available to the general public by Apr. 15.
- A postcard will be sent to all applicants who apply for a hunt that is cancelled by Apr. 15, stating the hunt applied for has been cancelled and the following options are available:
  - Option 1 - The second hunt choice becomes first choice. If a hunter is successful in the draw, no preference points are awarded and existing preference points will return to zero. If unsuccessful, applicants will receive a preference point.
  - Option 2 - Request an application change for another hunt at no additional cost through the Salem office (submit through mail, fax, etc.), or for a Point Saver at no additional cost.
  - Option 3 - Withdraw application with refund, receive no preference point. If ODFW does not receive notification from an applicant, Option 1 will be chosen.

## NONRESIDENT APPLICANTS

- A maximum of 3% of tags for pronghorn antelope and black bear hunts and a maximum 5% of tags for controlled deer and controlled elk hunts can be issued to nonresidents. No less than 5% and no more than 10% of all bighorn sheep and Rocky Mt goat tags will be issued to nonresidents. Less than the maximum percentage may be issued, as nonresident applications receive no preference other than existing preference points in the drawings. The Guides and Outfitters Program impacts the number of nonresident tags available in the drawing.
- Parties will not be split if the nonresident maximum is reached for any hunt.
- Parties composed solely or partially of nonresidents will not be eligible to receive tags in a hunt after the nonresident maximum is reached.

## CONTROLLED HUNT INFORMATION

The computer-assisted telephone line allows hunters to access preference point information or to check the status of their applications, by entering their ID number and selecting the type of information desired. You can also access this information on our website at www.dfw.state.or.us. Controlled Hunt staff will also be available during regular business hours.

### CONTROLLED HUNTS

- **503-947-6102** or 1-800-708-1782 (In Oregon only)

### GUIDES AND OUTFITTERS

As enacted by the 1997 Oregon State Legislature, the Guides and Outfitters Program provides guides and outfitters with the opportunity to market nonresident tags. A number of tags equal to one-half the nonresident tags drawn in the previous year are available through this program. Guides certified by the Oregon State Marine Board submitted applications and competed for the right to market these tags. Tags not sold to guides by Apr. 15 are available in the that year’s big game drawing. Information on Guides and Outfitters can be obtained from Oregon State Marine Board in Salem, 503-378-8887, extension 225.

### EMERGENCY HUNTS

An emergency hunt is a hunt held on short notice to address acute agricultural or reforestation damage. Most game damage situations are addressed during the annual big game seasons and the ODFW anticipates very few emergency hunts during any year. Emergency hunts may be held on a private property ownership or multiple ownerships wherein the district biologist has established a hunt area. On average, about 200 tags are issued annually statewide. Emergency hunt bag limits are in addition to any animals harvested during general seasons, controlled hunts, or leftover hunts.

1. **How to Apply:** Emergency hunt participants are selected from a list established on a county-by-county basis. You may apply for one county only. Applicants can request an emergency hunt application from the headquarters office, any regional office or some district offices, or apply online at https://fwpubapps.dfw.state.or.us/EmergencyHunt. Hard copy applications must be submitted to the headquarters office of ODFW, 3406 Cherry Ave. NE, Salem, Oregon 97303.

2. **When to Apply:** Applications received between July 1 - July 31 will be randomly assigned to lists. After July 31, names will be placed on lists in the order received. Applications received prior to July 1 will only be valid on the current year’s list ending June 30. Applications from Master Hunters (see page 83 for information) received between July 1 - July 31 will be randomized, then placed at the top of the emergency hunt list by county. All other applications, including Master Hunters, received after July 31 will be placed on lists in the order received.

3. **Who May Apply:** Hunters 12 years and older at the time of application are eligible. Persons under 18 must be accompanied by a responsible adult (age 21 or older) while hunting. All hunters must possess a valid hunting license. Hunters may apply singly, or in parties of two. ODFW will try to keep parties together for emergency hunts whenever possible.

In hunts requiring single hunters, however, parties applications may be bypassed for that opportunity but will retain their position on the list.

4. **Disqualification:** Applicants submitting more than one application will be disqualified. Application forms that are incomplete or illegible will be disqualified.

5. **Landowners:** Landowners are eligible to receive Landowner Preference (LOP) tags to hunt on their land within emergency hunt areas. LOP tags issued for an emergency hunt are issued on the same land ownership acreage schedule as are LOP tags for controlled hunts and are in addition to LOP tags issued for controlled hunts and leftover tags. Landowners do not have to be on the emergency hunt list but they must be within the emergency hunt boundary. Landowners can obtain LOP tags for established emergency hunts by contacting the headquarters office, Controlled Hunt Section or any ODFW office.

6. **Notification for Emergency Hunts:** Individuals listed for a county in which a hunt is to be held will be notified by telephone and given instructions on when and where to check in for the hunt. Individuals unable to meet the time schedule will be bypassed, but will retain their position on the list. Individuals participating in a hunt will be removed from the list.

7. **Emergency Hunt Tags:** Hunters must possess a valid hunting license and Emergency Hunt Tag issued by ODFW personnel. Hunters must check in and out of the hunt area as directed by ODFW personnel. Successful hunters must:
   - Tag the harvested animal immediately;
   - Contact the ODFW office that authorized the hunt; and
   - Pay a fee equal to the regular tag fee for that species.

### ARMED FORCES ACTIVE DUTY

**CONTROLLED HUNT TAGS**

Oregon’s active duty members of the Armed Forces stationed outside of the state can obtain a controlled deer or elk hunt tag if they return to Oregon on leave during the season so they can hunt with their family and friends. To qualify for these tags the individual must be from Oregon, currently stationed outside of the state, and maintain Oregon residency.

- Tags will be issued on a first-come, first-served basis until the authorized number of tags have been issued.
- All hunt specific regulations for the hunt where a tag is issued will apply.
- Tag recipient must pay the standard residential price for the tag.
- For further information please contact an ODFW District Office to make an appointment.
Instructions for Mail Order Application

1. Mark box indicating resident or nonresident. Write in Driver’s License number and state or non-Driver’s ID card number. If you are an Oregon resident, read the statement and sign the Oregon resident box.

2. Print name, mailing address and telephone numbers.

3. Write in Social Security number. This is required by law (ORS 25.752 to 25.783). No annual license will be issued if this number is not provided.

4. Write in your Hunter/Angler ID number. This is on your previous license and tags.

5. If you have already purchased your 2013 license, write the license number in the space provided.

See page 87 for Hunter Education Requirements.

6. Print your date of birth and gender.

7. Fill out any controlled hunt choices, in order of priority, from the appropriate hunt tables. All choices in a series must start with the same digit, including Point Saver and LOP hunt choices.

8. Mark license, tag, application, etc. and write dollar amount for each document requested. Write total amount of your order. Fees are not refundable.

9. Mark payment method. If using MasterCard or Visa, list account number, expiration date and sign for charge authorization.

10. List party leader’s name, date of birth and license number, if available, for each hunt series. If the party leader’s hunting license number is not available at the time of mailing, write in their full name and date of birth.

11. To ensure a legible copy, make a clean photocopy of the mail order application for faxing.

12. Mail or fax your application well before the application and tag deadline shown on page 9. There are no exceptions to application or tag sale deadlines.

13. There is a $2 shipping and handling fee for all mail and FAX orders and some internet orders.

STATE AND FEDERAL LAW REQUIRES SOCIAL SECURITY NUMBER COLLECTION

Federal and state laws require ODFW to collect the social security number (SSN) of applicants for hunting and fishing licenses. These laws (Oregon Revised Statutes 25.780-25.785) were enacted as part of a nation-wide effort to improve child support compliance.

Social security numbers will not be displayed on licenses or disclosed except as required by state or federal law. Instead, a Hunter/Angler ID number is printed on all licenses, tags, permits, etc. This is your permanent identification number and the primary number for identifying you in our system and maintaining your license history and accumulated preference points for big game controlled hunts.

ATTENTION HUNTERS TRAVELING TO OTHER STATES

Oregon Department of Fish and Wildlife has been testing for chronic wasting disease (CWD) since 1996. To date, CWD has not been detected in the state of Oregon. We urge hunters to help us maintain our healthy deer and elk populations. For further information on CWD, please visit our website at www.dfw.state.or.us/wildlife/diseases/chronic-wasting/

If you are going to hunt deer (mule deer or white-tail deer), elk, or moose in the following states or provinces, please be advised that there are rules that regulate how you can bring your meat and trophies home.

- Colorado
- Illinois
- Kansas
- Maryland
- Michigan
- Minnesota
- Missouri
- Montana
- Nebraska
- New Mexico
- New York
- North Dakota
- Oklahoma
- Pennsylvania
- South Dakota
- Texas
- Utah
- Virginia
- West Virginia
- Wisconsin
- Wyoming
- Alberta, Canada
- Saskatchewan, Canada

If you hunt deer, elk or moose in these states or provinces only the following items may be imported to Oregon to reduce the risk of transmitting chronic wasting disease.

- Meat that is cut and wrapped commercially or privately
- Meat that has been boned out
- Quarters or other portions of meat with no part of the spinal column or head attached
- Hides and/or capses with no head attached
- Skul plates with antlers attached that have been cleaned of all meat and brain tissue (velvet antlers are allowed)
- Antlers with no tissue attached (velvet antlers are allowed)
- Upper canine teeth (buglers, whistles, ivories)
- Finished taxidermy heads

There also may be regulations governing exportation of deer, elk, or moose from CWD positive states. Hunters planning to hunt in a state or province known to have CWD are strongly encouraged to review that State’s regulations regarding removal of animals.

If you have any questions, please contact the Wildlife Division at Oregon Department of Fish and Wildlife. 503-947-6301

Oregon Department of Fish and Wildlife
CONTROLLING HUNT APPLICATION

- To apply for controlled hunt(s) (see page 9 for deadlines), you must purchase a hunting license at this time, or indicate your 2012 hunting license above.
- Check each desired hunt series type. List up to five choices per hunt series and one Landowner Preference choice if you qualify.
- You must indicate if you are an individual, party member or party leader by checking the appropriate box.
- Application fee is $8.00 per hunt series.
- DO NOT send in the tag fee with the controlled hunt application fee.

Complete Section Below if Apprying for a Controlled Hunt Party Application: One person must be designated as the party leader. Write in full name, date of birth, hunt series and party leader's hunting license number, if known. All applicants including party leader must apply. HUNTING PARTY APPLICATIONS ARE PROCESSED USING THE PARTY LEADER'S LICENSE NUMBER.

Party Leader's Full Name: ___________________________ Date of Birth: ___________ Hunt Series: ___________

All party members will receive hunt choices identical to the Party Leader, even if individual applications differ. Failure to provide the information requested above regarding Party Leader will enter the hunter as a single applicant, NOT as a member of a hunt party.

Payment Method (Do NOT send cash): □ Check/Money Order to ODFW enclosed. □ MasterCard □ VISA

Signature: ___________________________ Credit Card Number: ___________________________ Exp. Date: ___________
FOR HUNTS WITH MORE THAN ONE HUNT PERIOD, THE TAG MUST BE PURCHASED (OR PICKED UP IF YOU ARE A SPORTS PAC HOLDER) PRIOR TO THE Earliest OPENING DATE.

REMEMBER:
TAG SALE DEADLINE IS THE DAY BEFORE THE HUNT BEGINS.

FOR HUNTS WITH MORE THAN ONE HUNT PERIOD, THE TAG MUST BE PURCHASED (OR PICKED UP IF YOU ARE A SPORTS PAC HOLDER) PRIOR TO THE Earliest OPENING DATE.
The Landowner Preference Program (LOP) was established to acknowledge the contribution of private lands to support wildlife and provide a form of compensation to landowners for resources used by wildlife. Tags are available only to landowners, family members and others designated by the landowner based on the acreage owned and registered in the Landowner Preference Program. Pronghorn hunts are only available to landowners and family members. Recipients of LOP tags may only hunt on the property for which they are registered.

How to Apply: Landowners must register, file tag distribution forms and purchase controlled hunt applications prior to the deadlines below. Only one representative landowner, or stockholder of a corporation or Limited Liability Company (LLC), or representative partner of a partnership may register. Registration packets may be obtained by contacting any local ODFW office, or by contacting the ODFW Controlled Hunt office in Salem at 503-947-6102.

Landowner tags are not issued automatically upon filing of tag distribution forms. All landowners and eligible applicants must purchase controlled hunt applications prior to the deadlines specified below. Applicants for LOP tags must indicate a landowner preference hunt choice on their applications. After May 15, applications for LOP tags will not be available for purchase through license agents. Applicants must submit their applications to the headquarters office of ODFW. Allow adequate time for receipt and processing.

Deadlines for submitting LOP registration and tag distribution forms and LOP controlled hunt applications are in the table below.

If applying for LOP tags in the big game drawing, you have the option of applying for up to five hunt choices plus LOP or applying for LOP only.

If applying for controlled hunt tags, or if applying for a limited landowner deer or elk tag (see following note), all forms and applications must be received by May 15.

Note: LOP tags are not available for the new long duration (August 1 - December 31) youth elk hunts. In certain controlled buck deer and elk units, LOP tags will be limited to five tags or 10% of the total controlled hunt tags; whichever is greater. The affected buck deer hunts are: 1141Q, 1142B, 154C, 165R, 168R2 and 170R3. The affected elk hunts are: 226A, 226Y, 248A1, 250X, 251A, 252A1, 253X, 254H1, 255R, 255Y1, 256R, 256Y1, 259Y, 261X, 262X and 263X. Contact Controlled Hunts for more information.

All controlled deer and elk hunts occurring on a landowner’s registered property are eligible for the landowner preference program except for the long-duration youth elk hunts described above.

Pronghorn antelope hunts with an either-sex or a one doe or fawn bag limit occurring on a landowner’s registered property are also eligible. If an applicant is successful in receiving a LOP pronghorn antelope tag for a hunt with an either-sex bag limit, the LOP tag is automatically issued with a bag limit of one doe or fawn.

The number of tags allowed per hunt series is based on registered landowner acreage. LOP tags with a bag limit of one elk or one bull in units where the usual bag limit for bull elk is spike only, remaining after the game mammal controlled hunt drawing will be issued to qualified landowners on a first-come, first-served basis. Tags issued in this manner are in addition to tags drawn in the main drawing. A qualified landowner may purchase only one first-come, first-served tag per hunt series. Such a tag may be for the landowner or for someone other than the landowner listed on their tag distribution form. A hunter receiving a tag through the original game mammal controlled hunt drawing process may exchange that tag for a remaining tag in the first-come, first-served process while tags remain available.

Tag purchases and exchanges may be made only through the headquarters office and must be made before the earliest opening date for which the tags are issued. The tag being exchanged shall not be reissued.

### LOP Eligible Hunts and Deadlines

Big Game Raffle Rules & Instructions

Raffle Rules:
• Residents and nonresidents may purchase raffle tickets.
• INCOMPLETE OR ALTERED TIXCKETS WILL NOT BE ACCEPTED. All tickets must include a name, address, and telephone number. If this information is not pre-printed on your ticket, you must write it in. Deer and elk tickets must also include a hunt choice selection.
• ALL RAFFLE TICKET SALES ARE NON REFUNDABLE.
• Space will be provided on the raffle ticket to designate the tag to another person. To designate the ticket to another person you must include both the first and last name of the designated tag recipient. If these are not included prior to submitting the ticket, the tag will be automatically designated to the entrant named on the pre-printed portion of the ticket.
• Each tag will be issued to the designated tag recipient on the winning ticket and cannot be transferred.
• All raffle hunts are in addition to controlled and general season tags.
• There is no limit on the number of tickets entered by any one individual.
• One winner and two alternates will be drawn for each raffle hunt.
• If an individual is drawn as the winner of more than one hunt for the same species, the department will issue that person the first raffle tag drawn for that species.
• Individuals who purchase a deer auction tag are not eligible to win a deer raffle tag (and vice versa); individuals who purchase an elk auction tag are not eligible to win an elk raffle tag (and vice versa).

How to Purchase Raffle Tickets:
• Raffle tickets can be purchased from any point of sale agent, online at www.dfw.state.or.us/online_license_sales, or by mail/fax using the order form on the following page by May 6, 2013. Deer and elk 40 and 100 ticket packages will only be available through the Salem headquarters or by mail/fax order.
• Tickets will be pre-printed with the name, address, and telephone number associated with the hunter ID provided to the point of sale agent or entered on the order form. To have these tickets mailed to a different address, you must complete the “mail to” section on the order form.
• For deer and elk tickets: You have the option to pre-print your hunt choice on your raffle tickets.
  ▪ If you choose to have your tickets pre-printed with a hunt choice, the choice must be made on a per-package basis.
  ▪ If you wish to make multiple hunt choices on different tickets from the same package, you must choose “No Hunt Selection”. You must then manually mark your hunt choices before submitting the tickets.
  ▪ You must indicate the number of packages that you would like to be printed with a particular hunt choice.
  ▪ Any raffle ticket submitted without a hunt choice selected (either pre-printed or manually marked) will NOT be accepted.
• For combination deer & elk, bighorn sheep, pronghorn, or Rocky Mountain goat tickets:
  ▪ There are no regional hunt choices to select for these hunts.
  ▪ The combination deer & elk tag is a statewide hunt. Raffle bighorn sheep, pronghorn and Rocky Mountain goat tags are valid anywhere there is an authorized season and tags for the respective species.
  ▪ Do not attempt to make a hunt choice for combination deer & elk, Bighorn sheep, pronghorn and Rocky Mountain goat tickets. Simply purchase the number of packets you would like.

Raffle Instructions:
• Completed tickets must be received no later than 5:00 P.M. on Thursday, May 16, 2013. Mail completed raffle tickets to: ODFW Raffles, P.O. Box 7760, Salem, OR, 97303, or tickets can be hand delivered to the 2013 OHA Convention at the Chinook Winds Casino in Lincoln City, OR, on Saturday, May 18, 2012, between 5:00 and 7:30 P.M.
• Tickets will be available for sale between 5:00 P.M. and 7:00 P.M. at the OHA State Convention. Completed tickets delivered to the drawing event must be filled out completely and turned in by 7:30 P.M. The raffle drawing will be conducted at 7:45 P.M.
• A summary of raffle tickets sold can be found at: www.OregonRaffleHunts.com. This information will be updated as it is available.
BIG GAME RAFFLE TICKET MAIL/FAX ORDER FORM

You can pre-select your hunt choice for deer and elk tickets. If you do not select a hunt choice at time of ticket purchase, the hunt choice field will be left blank. A hunt choice must be selected (for deer or elk) before tickets are entered into the drawing.

✔ The last day to purchase raffle tickets at a POS* license agent, or online is May 6, 2013.

✔ Mail order/fax ticket orders must be received by May 6, 2013 at the following address:

ODFW - Raffles
3406 Cherry Ave. NE
Salem, OR 97303-4924
503-947-6100 or
FAX: 503-947-6117 or 6113

✔ Completed tickets must be received at our Salem Headquarters no later than 5:00 P.M. on Thursday May 16, 2013. Mail completed raffle tickets to:

ODFW - Raffles
P.O. Box 7760
Salem, OR 97303

or:

tickets can be hand delivered to the 2013 OHA Convention at the Chinook Winds Casino, Lincoln City, OR on Saturday, May 18, 2013, between 5:00 and 7:30 P.M.

FOR YOUR INFORMATION

WOLVES IN OREGON

Gray wolves are currently protected statewide by the Oregon Endangered Species Act. West of Oregon Highways 395/78/95, they are currently federally listed as endangered under the federal Endangered Species Act.

It is unlawful to kill any wolf in Oregon. In December 2011, Oregon’s wolf population consisted of a minimum of 29 wolves, including 4 packs, in northeastern Oregon. At that time, most wolf activity was in Umatilla and Wallowa counties, but wolves or wolf sign could potentially be observed anywhere in Oregon. During September 2012, at least 52 wolves were known to be in Oregon, including 6 packs, although official minimum population estimates are released in December of every year.

Wolf sign

Dog, coyote, and cougar paw prints can be mistaken for wolf tracks. Adult wolf prints are much larger than dog and coyote prints. See graphic below.

Wolf scat varies widely, depending on diet. Wolf scat is often cord-like and may contain hair and bone fragments. Wolf scat diameter ranges from 0.5 to 1.5 inches, but is usually greater than an inch. Wolf scat generally tapers to a point at one end.

The howls of wolves tend to be long and drawn-out as compared with the shorter, higher-pitched yapping sounds made by coyotes. Howling is a normal part of wolf communication and does not indicate aggression. Wolf vocalizations can also include growls and barks. Barks are not necessarily a sign of aggression; they may indicate a den or feeding site is nearby. Like other Oregon carnivores, wolves tend to be very timid and avoid detection by humans. See the graphic below to help identify wolves vs. coyotes.

Reduce conflict between wolves and hunting dogs

Wolves are by nature territorial and guard their territory from other canids, including domestic dogs. Hunters who use dogs in wolf country can take the following steps to limit potential conflicts between their dog(s) and a wolf:

- Keep dogs within view.
- Place a bell or beeping collar on wider ranging dogs.
- Talk loudly to the dog or other hunters or use whistles.
- Control the dog so that it stays close to you and wolves associate it with a human.
- Place the dog on a leash if wolves or fresh sign are seen.

If you observe suspicious behavior, vandalism, dumping, or a law violation, contact the landowner or Oregon State Police immediately. Acting as an extra set of eyes and ears may indicate a den or feeding site is being guarded.

Identification characteristics of wolves and coyotes:

Remember, wolf pups in the mid-summer and fall can closely resemble coyotes, and it can be difficult to tell them apart. While hunting coyote in wolf country, you should not shoot unless you are sure of your target.

COYOTES:
- Weight: 15-30 Pounds
- Shoulder Height: 1 1/2 Feet
- Snout/Muzzle: Long and Pointed
- Ears: Long and Pointed

WOLVES:
- Weight: 70-100 Pounds
- Shoulder Height: 2 1/2 Feet
- Snout/Muzzle: Large and Blocky
- Ears: Short and Rounded

US FOREST SERVICE (USFS) MOTOR VEHICLE USE PLAN

Statewide, the USFS is shifting to new Motor Vehicle Use Plans for each Forest. Under these plans, roads are closed unless designated open on the USFS Motor Vehicle Use Map. In the transition there will be situations where an existing Cooperative Travel Management Area (TMA) open road system does not exactly match the new USFS Vehicle Use Map.

Unless the USFS or Department has vacated a TMA agreement, the TMA as described in the Big Game Regulations remains in effect. As part of the TMA, or for administrative purposes, roads may be posted as closed in addition to those designated as closed on the USFS Motor Vehicle Use Map.

The Department will be working with the USFS and OSP at State, Region, and District levels for smooth transitions to the new USFS Vehicle Use Plans.

FERAL SWINE

Feral swine are an invasive non-native introduced species in Oregon that destroy important wildlife habitat and may prey on livestock and native wildlife, with potential to transmit diseases to wildlife, livestock and humans.

Feral swine are included in the Oregon Invasive Species Council’s list of “100 Worst List” to keep out of Oregon. It is very important to the Oregon Department of Fish and Wildlife, the US Department of Agriculture and the Oregon Department of Agriculture to eliminate this invasive non-native species before they become established.

It is legal to hunt feral swine year round on public land with a hunting license and there is no harvest limit. On private property, feral swine are defined as a “predatory animal”. Hunting feral swine on private land does not require a hunting license, but you must have landowner permission to act at their agent. It is your responsibility to determine if any swine found meet the definition of “feral swine” (see definitions page 81).

Please report any feral swine damage to ODFW at 503-947-6300 or 1-866-INFADER.

DROUGHT, FIRE AND HUNTING

ODFW will not close hunting seasons as a result of fire danger or active fires. Fire danger or active fires may cause Rd closures or result in use restrictions that impact camping, burning, wood cutting, hunting and other activities. When drought leads to severe fire danger, hunters may not be able to camp in their favorite camp site, may have to hike farther to reach favorite hunting areas, or may have to hunt new areas. Those that traditionally cook with open fires should prepare to cook with gas stoves. In the unlikely event that all access for hunting in a hunt area has been closed as a result of fire danger or an active fire, ODFW will evaluate the situation after the season(s) closes. If ODFW determines hunters lost their opportunity to hunt, a number of options may be available to provide compensation. Available options will depend on the season, timing, duration and extent of fire related impacts for individual hunts.

TO REPORT A WOLF SIGHTING, PLEASE CALL:
U.S. FISH AND WILDLIFE SERVICE AT 541-383-7146
OR ODFW AT 541-963-2138
WWW.DFW.STATE.OR.US/WOLVES/WOLF_REPORTING_FORM.ASP
HUNTING ON INDUSTRIAL FOREST LANDS

Hunters enjoy recreating on industrial forest lands in Oregon to pursue a variety of upland and big game species. These private lands have often been taken for granted as "public" lands. In fact, these private lands are vital in providing access to many of Oregon’s game resources, and hunters play a strong role in maintaining the privilege to access the property of accommodating landowners.

In order to manage risks, forest landowners generally have uniform rules for hunters and other recreational users of their lands. These include a prohibition on camping, campfires and OHVs. Hunters should read and obey all signs posted at gates or along roads; the signs are in place to protect workers, equipment and hunters. If no speed limits are posted, drive at a safe speed no faster than conditions will allow. Areas may be posted as active operations and closed to access; these areas are to be avoided. When parked, your unattended vehicle should not block any part of a road or gate or interfere with the flow of wide loads and other equipment. Respecting all resources on industrial forest lands, including roads, gates, plantations, workers and equipment will help maintain a safe place to work and recreate.

Access may be restricted at times due to fire season restrictions, especially during the early general archery season. Access policies may change quickly with weather and moisture conditions. It is always a good idea to check with the landowner or the Oregon Department of Forestry’s website www.oregon.gov/ODF/FIRE/docs/CorporateClosures.pdf for hunting access if you’re unsure about the current access policy of a particular landowner. Many companies have hunting access phone lines that contain updated information as well.

If you observe suspicious behavior, vandalism, dumping, or a law violation, contact the landowner or Oregon State Police immediately. Acting as an extra set of eyes and ears to protect your and the landowner’s interests is greatly appreciated by all. Have a safe, responsible and enjoyable hunting experience!

HUNTING AND CAMPING INFORMATION FOR HUNTERS

Much of eastern Oregon has little water. As a result of this, livestock and wildlife often are dependent on artificial water sources. Additionally, Oregon can experience periodic and sometimes severe drought conditions that impact both natural and artificial water sources. Drought can cause difficulties for livestock and wildlife. When some water sources dry up many animals may be forced to migrate long distances to water. This water can either be permanent streams or springs or artificial sites like guzzlers and livestock water cisterns. Drought impacts of reduced food and water are hardest on the young and the females trying to raise them.

- Avoid camping at or near waterholes, springs, guzzlers, and other sources of water for wildlife and livestock.
- Livestock are constrained by fences and do not have the option of moving to alternative water sources.
- Avoid hunting over water sources when that activity keeps livestock and wildlife that waters during daylight hours from obtaining essential water.
- Never alter or plug water sources to prevent livestock or wildlife from gaining access to water.
- Remember that in many areas livestock producers have to haul water for their livestock, so don’t do anything that would prevent animals from reaching that water.
- More information can be found at the ODFW website “Drought and Fire Information Page” (www.dfw.state.or.us).

Hunting and Camping Near Water Sources

Camping and Leaving Personal Property on Public Lands

Regulations for public use of public lands vary from area to area. It is the responsibility of each individual to know the rules and regulations which govern public land use in the area they are using. In general, individuals are not allowed to camp or leave personal property or structures such as tree stands on public lands (including BLM or US Forest Service lands) for more than 14 days. However, some areas are closed to camping or may have different stay limits. Hunters should contact the responsible land management agency prior to installing any cameras, tree stands or other personal property.

OBJECTS AND CULTURAL SITES

Many Indian artifacts and all Indian burial sites are considered sacred within Oregon’s Native American culture and serve as important links to the past. The Oregon Legislature has recognized the importance of these sites and artifacts by passing laws that specifically protect these areas and items. Digging up cultural sites is against the law. Taking human remains or sacred objects from a site can lead to serious penalties. State and federal laws cover both private and public land in Oregon. The state law can be found in Oregon Revised Statutes (ORS) Chapters 97, 358 and 390.

If you should find any Native American artifacts while out hunting, stop and look around. REMEMBER, DON’T DISTURB THESE SITES. Respect and honor these sites for what they mean to Oregon’s Native Americans and to Oregon’s rich cultural background.

Attention

Starkey Experimental Forest Hunters!

Research designed to evaluate the response of elk and mule deer to ATV activity during the hunting season will continue in the Starkey Experimental Forest and Range enclosure in 2013. Successful applicants for hunts 152B, 252D and 252R must agree to participate in the research by having a GPS unit (~1.0 lb) on their person while hunting and having a second GPS unit attached to their ATV at all times during the 5-day season. Hunters should be aware that many secondary roads in the south half of the hunt area will be open to ATV use, while only one short segment of road 2120 will be open to motorized access in the north half. These changes in ATV and motorized access will be in effect five days before each hunt and through each hunt period. Hunters should also be aware of camping restrictions, which limit camps to within 300 feet of open (green dot) roads. For further details of the ATV project and other related research or to view a map of roads open during the hunts, please visit the following websites (www.dfw.state.or.us or www.fs.fed.us/pnw/Starkey), or contact Scott Findholt at 541-962-6538 or Brian Dick at 541-962-6539.
ODFW is currently monitoring important diseases to determine their presence and effect on Oregon’s big game populations. To accomplish this, ODFW’s veterinary staff are asking hunters for their assistance obtaining samples from harvested game animals. Hunters are asked to bring their harvested game animals to department offices or check stations.

**Chronic Wasting Disease (CWD) in Deer and Elk**
CWD is a brain disease of wild and captive deer, elk, and moose. It has been found in free-ranging and/or captive mule deer, white-tailed deer and elk in Colorado, Illinois, Kansas, Maryland, Michigan, Minnesota, Missouri, Montana, Nebraska, New Mexico, New York, North Dakota, Oklahoma, Pennsylvania, South Dakota, Texas, West Virginia, Wisconsin, Wyoming, Utah, Virginia, Alberta and Saskatchewan.

CWD is untreatable and leads to progressive loss of body condition, behavioral changes, excessive salivation, neurologic deficits and eventual death. Researchers believe an abnormal type of infectious protein that invades and destroys cells in the animal’s brain causes the disease. Where CWD originated from and how it is transmitted is not clearly understood but contact with saliva, feces, urine and environmental contamination are thought to play a role. Once animals show symptoms, the disease progresses rapidly and animals die within weeks. Similar diseases exist in domestic sheep (scrapie), cattle (bovine TSE) or mad cow disease) and humans (Creutzfeldt-Jakob disease). Current research indicates CWD is restricted to North American deer, elk and moose and is not transmissible to humans.

Between 2002 and 2011, ODFW has sampled over 15,322 deer and elk for CWD and the disease has not been detected in any samples. Oregon’s Fish and Wildlife biologists and veterinary staff remain cautious and continue surveillance to ensure the disease is not present in Oregon. For up-to-date information on CWD, log onto the CWD Alliance website www.cwd-info.org.

**Tuberculosis in Deer and Elk**
Tuberculosis (TB) is a disease caused by bacteria (Mycobacterium spp.) that produces granulomas or tubercles often visible in the lungs of infected animals. There are three types of TB – human, avian, and bovine. Human TB is rarely transmitted to non-humans and avian TB is typically restricted to birds. Bovine – or cattle TB – is the most serious to wildlife and is capable of infecting most mammals including humans. Although Bovine TB was once relatively common in cattle in the U.S., it has historically been a very rare disease in wild deer and elk.

Bovine TB is spread primarily when an infected animal is in close contact with other non-infected animals. Bacteria is transmitted through ingestion of saliva on feed or released into the air by coughing and sneezing. Predators and scavengers can get the disease from eating infected prey animals. Bovine TB is a chronic disease and can take years for visible infections to develop in the lungs and other organs. Infections are often recognized as enlarged lymph nodes in the head region or unusual tan or yellow lumps on the inside surface of the rib cage and in the lung tissue. While it is possible to transmit Bovine TB from animals to people, the likelihood is extremely rare. It is also very unlikely that a person field dressing or eating the cooked meat of a wild deer or elk infected with Bovine TB would become infected.

In November 2001, a case of bovine TB in a single farm-raised elk was confirmed at a ranch near Monument, Oregon. A total of 195 elk and 279 adult cattle from the ranch were killed and examined for signs of TB. No additional TB-positive animals were found. We have no indication that TB is present in wild deer and elk populations in Oregon but ODFW continues to monitor for this disease through statewide surveillance of hunter harvested animals and captive cervids.

**Deer Hair Loss Syndrome**
Deer Hair Loss Syndrome (D HLS) was first documented in black-tailed deer in 1995 near Bangor, Washington. By spring 2002, it had spread into northwestern Oregon and continued south into Jackson and Josephine counties and northern California. It is called a syndrome because the exact cause appears to be multi-factorial. One common factor is deer exhibiting hair loss have large numbers of exotic lice, endemic to southeast Asia, which cause severe skin irritation to the infected animal.

Deer are most affected from December to April. Hair loss occurs as deer rub, bite and scratch from irritation caused by the lice. This leaves the damaged hair coat with the appearance of white or yellow patches. As the hair is rubbed off, deer start losing energy reserves because they spend less time foraging and more time grooming. As the winter progresses the hair coat appears “wet” or in rough condition. Infected deer often become emaciated and lethargic and may have diarrhea. Death can occur from pneumonia and hypothermia when exposed to winter climatic conditions. The syndrome occurs primarily west of the Cascades in black-tailed deer and sporadically in mule deer on our eastern border. ODFW field personnel will be collecting lice and other samples from hunter harvested deer.

**Wholesomeness of the Meat**
With few exceptions, wildlife disease rarely poses a significant threat to human health. Further, TB and CWD have not been found in wild deer or elk in Oregon. However, general caution should be used when field dressing game animals and handling game meat. ODFW offers the following tips for hunters taking to the field this fall:

1. Latex, nitrile, or rubber household cleaning gloves should be worn when field dressing and when removing antlers from the skull. All saws and knives should be cleaned using a solution of common household bleach mixed 1/3 cup bleach to a gallon of water or a commercial bleach containing cleansing solution.

2. Always check for any abnormalities when field dressing an animal that has been killed. If abnormalities are observed in organs, lymph nodes, or meat when field dressing deer or elk, bring the carcass with the abnormal tissue to your nearest ODFW office where our vet staff will diagnose the condition at the ODFW Wildlife Health Lab.

3. As a precaution, avoid contact with or consumption of brain, spinal column and lymphoid tissues. When boning meat trim away all lymph nodes and fatty tissues.

4. Avoid cross-contamination between entrails and raw meat and between raw and cooked meats. Cutting boards, knives, wiping cloths, sponges and other tools should be cleaned and washed between uses. Common household bleach mixed 1/3 cup bleach to a gallon of water can effectively sterilize most utensils when soaked for 10 minutes.

5. Normal cooking will kill almost all disease-causing germs. Be sure to cook your game meat properly to an internal meat temperature of at least 145 and 165 degrees Fahrenheit. See www.fsis.usda.gov/is_it_done_yet/brochure_text/index.asp for further information.

**What should Hunters Do?**
Avoid shooting an animal that appears sick, is acting unusual, or is exhibiting any of the symptoms described above. If you believe an animal is sick, document the animal's location and call your local ODFW office. Additional information on these diseases can be obtained at your local department office or found on the ODFW website at www.dfw.state.or.us/wildlife/diseases. Hunters harvesting deer or elk from states known to have animals with CWD should read the parts ban information on page 28.
SHOOTING HOURS

- Game mammals may only be hunted from 1/2 hour before sunrise to 1/2 hour after sunset.
- Neither landowners nor their agents need a permit from ODFW to spotlight predatory animals (as defined in ORS 610.002) on land they own or lawfully occupy. ODA has authority to define "agent" for purposes of the predatory animal statute. Written documentation is not required.

HUNTER ORANGE

- No person younger than 18 years of age shall hunt with any firearm for any game-mammal or upland game bird (excluding turkey) unless the person is wearing in a manner visible from all directions a hat or exterior garment of hunter orange. "Exterior garment" means a shirt, jacket, coat, vest, or sweater. Hunter orange camouflage patterns are acceptable. "Hat" means any head covering.

DECOYS

- Except for purposes of law enforcement or wildlife management, the use of decoys with moving parts is prohibited for all big game species. This prohibition includes, but is not limited to, decoys with parts that are powered by a motor, battery, human action (for example, cable or pull-string), or the wind. Flexible or adjustable parts that permit placement or adjustment of a decoy but do not otherwise move do not constitute "moving parts". This rule is intended to ban decoys that attract wildlife via movement.

VEHICLES, BOATS, AIRCRAFT, ATVS

No Person Shall:

- Hunt any wildlife from a motor-propelled vehicle. Exceptions: 1) A qualified disabled hunter may obtain an "Oregon Disabilities Hunting and Fishing Permit" to hunt from a motor-propelled vehicle except when the vehicle is in motion or on any public Rd or Hwy, or within Cooperative Travel Management Areas. 2) Landowners and their agents can shoot predatory animals from motorized vehicles on land they own or lawfully occupy.
- Hunt within eight hours of communicating with or receiving information on the location of game mammals from an aircraft. For the purpose of this rule "aircraft" includes unmanned aircraft such as drones.
- Hunt within 8 hours after having been transported by helicopter or fixed-wing aircraft to any point other than an established airport adequate for fixed-wing aircraft.
- Shoot a pronghorn antelope from a point within 50 yards of a motor-propelled vehicle, including aircraft. Exception: A qualified disabled hunter may obtain an "Oregon Disabilities Hunting and Fishing Permit" to hunt from a motor vehicle except while the vehicle is in motion or on any public Rd or Hwy, or within Cooperative Travel Management Areas.
- Hunt or harass animals from snowmobile, ATV, or passenger vehicles.
- (1) Operate a snowmobile or ATV while carrying a firearm or a bow unless the firearm is unloaded, or with a bow, unless all arrows are in a quiver. (2) Subsection (1) of this section does not apply to a person who is licensed under ORD 166.291 and 166.292 to carry a concealed handgun. (3) As used in this section, "unloaded" means: (a) If the firearm is a revolver, that there is no live cartridge in the chamber that is aligned with the hammer of the revolver; (b) if the firearm is a muzzle-loading firearm, that the firearm is not capped or primed; or (c) if the firearm is other than a revolver or a muzzle-loading firearm, that there is no live cartridge in the chamber. (Violation of ORS 821.240 is a Class B traffic violation).
- Cast an artificial light from a motor vehicle while in possession of a weapon; or cast an artificial light upon a game mammal, predatory animal, or livestock from within 500 feet of a motor vehicle while in possession of a weapon. Exception: Landowners or their agents hunting predatory animals on land they own or lawfully occupy.

DISGUISING SEX, WASTE, SALE

No Person Shall:

- Disguise the sex or kind of any wildlife while in the field or in transit from the field.
- Waste any game mammals or parts thereof, except that meat of cougar need not be salvaged.
- Sell, trade, barter, exchange, or offer for sale, trade, barter, or exchange, any game mammal or parts thereof EXCEPT as identified in Oregon Administrative Rule 635, Division 200. If you have questions relative to the sale of wildlife parts, or would like a copy of Division 200 please call your local ODFW office.
- Possess the meat or carcass of any pronghorn antelope, sheep, or Rocky Mt goat without the animal's scalp while in the field, forest, or in transit on any of the highways or premises open to the public in Oregon, except processed or cut and wrapped meat. (See transportation requirements on page 28).
- Possess the meat or carcass of any deer or elk without evidence of sex while in the field, forest, or in transit on any of the highways or premises open to the public in Oregon, except processed or cut and wrapped meat. (See transportation requirements on page 28).
- Evidence of sex for deer and elk which will NOT be taken out of Oregon is: Either the animal's scalp (including attached eyes and ears if the animal is female; or ears, antlers and eyes if the animal is male) OR the penis naturally attached to at least one quarter of the carcass OR one of the following reproductive organs: testicles, scrotum, penis, vulva, udder, or mammary naturally attached to one quarter of the carcass or to another major portion of meat as described below for animals leaving the state of Oregon.

For Buck and Bull Hunts: Either the head with antlers naturally attached to at least one quarter of the carcass or one of the following reproductive organs: testicles, scrotum, penis or vulva, udder, or mammary naturally attached to one quarter of the carcass or to another major portion of meat, the head or skull plate with both antlers naturally attached shall accompany the carcass or major portions of meat.

For Doe and Cow Hunts: The head and skull plate with both antlers naturally attached shall accompany the carcass.

For Either Sex Hunts: The head and skull plate with both antlers naturally attached shall accompany the carcass.

For White-tailed Deer Only Hunts and for Mule Deer Only Hunts: In addition to evidence of sex, either the head or tail shall remain naturally attached to one quarter of the carcass or to another major portion of meat as evidence of the species taken.

PROHIBITED METHODS

No Person Shall:

- Shoot from or across a public Rd, Rd right-of-way or railroad right-of-way, except that persons legally hunting on closed Rds within Cooperative Travel Management Areas are not violating current prohibitions on shooting from or across a public Rd. The same is true for other Rds closed to use of motor vehicles by the public.
- Hunt for or kill any wildlife for another person. Exceptions: a) a visually impaired hunter may obtain an "Oregon Disabilities Hunting and Fishing Permit" which allows a sighted person to assist the permit holder. The accompanying person must have a valid Oregon hunt-
Hunt on cultivated or enclosed land of standard Eastern Oregon controlled firearm seasons, or standard Rocky Mt antlerless elk centerfire firearm seasons (Nov. 16- Nov. 24). Legal .22 caliber centerfire firearms include common cartridges such as .222, .223, .22-250, .220 Swift and others less than .23 caliber.

Hunt on any refuge closed by state or federal government.

Hunt within corporate limits of any city or town; public park or cemetery; or on any campus or grounds of a public school, college, or university from or to a public Rd, Rd right-of-way, or railroad right-of-way.

Hunt game mammals outside any area designated by a controlled hunt tag when such tag is required for that season.

Take or attempt to take any game mammals or any protected wildlife species of any size or sex or amount, by any method or weapon, during a time or in any area not prescribed in these rules.

TRESPASS

No Person Shall:

Hunt on cultivated or enclosed land of another without permission. Enclosed land may be bounded by a fence, ditch, water, or any other line indicating separation from surrounding territory. In addition, be aware that under ORS 105.700 you can be liable to the landowner for civil restitution if you trespass on land that has been posted. Refer to the above statute for options landowners may use to post their land.

HUNTING PROHIBITED

No Person Shall:

Hunt with a centerfire or muzzleloading rifle without a valid unused deer or elk tag for that time period and area on their person (see exceptions) during: standard Eastern Oregon controlled buck deer centerfire firearm season (Sept. 28-Oct. 9), Cascade bull elk centerfire firearm season, Coast bull elk 1st and 2nd centerfire firearm seasons both General and Controlled, Rocky Mt bull or either-sex elk centerfire firearm seasons, or standard Rocky Mt antlerless elk centerfire firearm seasons (Nov. 16 - Nov. 24). This does not include Controlled W High Cascade (119A) or Hood White Rvr (114A) buck hunts.

EXCEPTIONS: (1) Hunters who have a tag for one of the hunts listed above may continue to hunt bear and/or cougar within the one time and area for which their deer or elk tag is valid (used or unused) provided they have a valid, unused bear and/or cougar tag; used deer or elk tags must be on the tagged animal and not on the hunters person. (2) Hunters are not required to have an elk tag to hunt bear or cougar in the Applegate WMU during elk seasons. Hunters, or their agent, hunting predators on lands they own or lease may use centerfire or muzzleloading firearms to hunt on such lands; (4) Hunters may use .22 caliber or smaller centerfire firearms for hunting coyotes in Juniper, Beatys Butte, Whitehorse and Owyhee units, in Wagonline Unit south of Lk Co Rd 5-14 and those portions of the Beulah Unit in Malheur and Baker Cos. during Rocky Mt bull or either-sex elk centerfire firearm seasons, or standard Rocky Mt antlerless elk centerfire firearm seasons (Nov. 16- Nov. 24). Legal .22 caliber centerfire firearms include common cartridges such as .222, .223, .22-250, .220 Swift and others less than .23 caliber.

Hunt on any refuge closed by state or federal government.

Hunt within corporate limits of any city or town; public park or cemetery; or on any campus or grounds of a public school, college, or university from or to a public Rd, Rd right-of-way, or railroad right-of-way.

Hunt game mammals outside any area designated by a controlled hunt tag when such tag is required for that season.

Take or attempt to take any game mammals or any protected wildlife species of any size or sex or amount, by any method or weapon, during a time or in any area not prescribed in these rules.

OTHER RESTRICTIONS

No Person Shall:

Hunt in any Safety Zones created and posted by ODFW.

Take or hold in captivity any game mammal.

Hold in captivity any wildlife of this state for which a permit is required without first securing a permit.

Release without a permit any wildlife brought from another state or country, or raised in captivity in this state.

Resist game enforcement officers.

Refuse inspection of any license, tag, or permit by any officer of ODFW, any person authorized to enforce wildlife laws, or a landowner or agent of the landowner on their land.

Refuse inspection of any gear used for the purpose of taking wildlife by an employee of the Oregon Department of Fish and Wildlife, or any person authorized to enforce wildlife laws.

Hunt protected wildlife.

Operate or be transported in a motor-propelled vehicle including aircraft not landing on designated air strips in violation of Cooperative Travel Management Area restrictions. Cooperative Travel Management Areas are listed on pages 96-97.

Disturb or remove traps or snares of any licensed trapper while that person is trapping on public lands or on other land by landowner’s permission.

Take furbearers, except in compliance with furbearing mammal (pg. 81) regulations.

Disturb, damage, remove, alter, or possess any official ODFW signs.

Possess the horns of bighorn sheep that were not taken legally during an authorized season.

Sell, lend, or borrow any big game tags.

Knowingly provide false information to the Department or Commission on any report required by law.

TAGGING, POSSESSION AND TRANSPORTATION

The owner of a game mammal tag that kills a game mammal for which a tag is issued, shall immediately remove in its entirety the only the month and day of kill and attach the tag in plain sight securely to the game mammal. The tag shall be kept attached to such carcass or remain with any parts thereof so long as the same are preserved.

No person shall have in possession any game mammal tag from which all or part of any date has been removed or mutilated except when the tag is legally validated and attached to a game mammal.

When a game mammal or part thereof is transferred to the possession of another person, including a meat processor or taxidermist, a written record describing the game mammal or part being transferred and name and address of the person whose tag was originally attached to the carcass and the number of that tag shall accompany such transfer and shall remain with such game mammal or part so long as the same is preserved (see Wildlife Transfer Record Form on page 100). The original tag should remain with the portion of the animal retained by the hunter.

All game mammals in possession in the field or forest or in transit more than 48 hours after the close of the open season for such mammal must be tagged by ODFW or Oregon State Police.

All game mammals or portions thereof shipped by commercial carrier must be tagged by ODFW or Oregon State Police.

No person shall receive or have in possession any game mammal or part thereof which: (1) is not properly tagged; (2) was taken in violation of any wildlife laws or regulations; or (3) was taken by any person who is or may be exempt from jurisdiction of such laws or regulations.

No person shall possess or transport any game mammal or part thereof, which has been illegally killed, found or killed for humane reasons, except shed antlers, unless they have notified and received permission from personnel of the Oregon State Police or ODFW prior to transportation.

Any person who counsels, aids or assists in any violation of the wildlife laws, or shares in any of the proceeds of such violation by receiving or possessing any wildlife, shall incur the penalties provided for the person guilty of such violation.

PARTS BAN

Except for the following parts, no person shall import a cervid carcass or parts of a cervid carcass if the cervid was killed in a state or province with a documented case of Chronic Wasting Disease (CWD):
No Person Shall:

Refer to the above statute for options trespass on land that has been posted.

Under ORS 105.700 you can be liable surrounding territory. In addition, be aware may be bounded by a fence, ditch, water, mark.

Hunt any wildlife with infrared or any method or weapon, during a time or in area for hunting seasons.

The Commission still determines the season dates, open hunt areas, bag limits and tag numbers for game species.

The Commission still determines the weapon type that can be legally used to hunt during a specified season.

For the Mentored Youth Hunter Program, the 2007 Oregon Legislature restricted the weapons that can be carried, see page 84.

Requirements for weapons used to hunt with are independent of any weapon(s) the individual hunter may choose to carry while in the field hunting. Regulations regarding when a person may hunt for a particular species also still apply. For example, these regulations state that it is not legal to hunt with a centerfire or muzzleloading rifle without a valid unused deer or elk tag during many of the standard deer and elk seasons (see HUNTING PROHIBITED on page 28 for the exact rule language and exceptions). More information regarding hunting and the possession of firearms can be obtained from the ODFW website: www.dfw.state.or.us/resources/hunting/big_game/regulations/firearm.pdf

Possession of Firearms

What Does it Mean to Hunters and Hunting in Oregon?

In 1995, Oregon Legislators adopted Oregon Revised Statute (ORS) 166.170 giving all authority to regulate possession of firearms solely to the Oregon Legislative Assembly.

In 2003, the Oregon Attorney General reviewed the statute and determined the Oregon Fish and Wildlife Commission (Commission) cannot limit what firearms can be carried or possessed during hunting seasons.

In the same opinion, the Oregon Attorney General confirmed that the Commission has statutory authority to regulate where, when, how and by whom wildlife are taken by hunting.

All ODFW hunting regulations and Oregon Administrative Rules (OAR) have been modernized to comply with these changes concerning the possession of firearms during hunting seasons.

The Commission still determines the season dates, open hunt areas, bag limits and tag numbers for game species.

The Commission still determines the weapon type that can be legally used to hunt during a specified season.

For the Mentored Youth Hunter Program, the 2007 Oregon Legislature restricted the weapons that can be carried, see page 84.

Requirements for weapons used to hunt with are independent of any weapon(s) the individual hunter may choose to carry while in the field hunting. Regulations regarding when a person may hunt for a particular species also still apply. For example, these regulations state that it is not legal to hunt with a centerfire or muzzleloading rifle without a valid unused deer or elk tag during many of the standard deer and elk seasons (see HUNTING PROHIBITED on page 28 for the exact rule language and exceptions). More information regarding hunting and the possession of firearms can be obtained from the ODFW website: www.dfw.state.or.us/resources/hunting/big_game/regulations/firearm.pdf

Display your parking permit at wildlife areas

Don’t for get to display the parking permit that comes with your hunting license on your vehicle at the following wildlife areas:

EE Wilson, Ken Denman, Ladd Marsh, Summer Lake and Sauvie Island.

As of Jan. 1, 2013, you are also required to display it at:

A free annual permit comes with the purchase of an annual hunting, Combination, Pioneer and Sports Pac license and Habitat Conservation Stamp. All other wildlife area users need to purchase a permit: daily permits ($7) and annual permits ($22) are available where fishing and hunting licenses are sold and on the ODFW website (www.dfw.state.or.us).

### General Weapons Provisions for Hunting Game Mammals:

**Centerfire Firearm**
- Fully automatic firearms prohibited.
- Semiautomatic rifles with a magazine capacity greater than five cartridges prohibited (except for western gray squirrel).
- Military or full-metal jacket bullets in original or altered form prohibited.
- Hunters may use any muzzleloader with any ignition type, except matchlock, any legal sight, any propellant, or any bullet type during centerfire firearm seasons, provided the weapon meets caliber restriction for the species.

**Shotgun**
- Shotgun is a smooth bore firearm, designed for firing bird shot and intended to be fired from the shoulder, with a barrel length of 18 inches or more and with an overall length of 26 inches or more.
- Shotguns equipped with rifled slug barrels are considered shotguns when used for hunting pronghorn antelope, bear, cougar, deer, or elk when centerfire rifles or shotguns are legal weapons.

**Muzzleloader**
- Scopes (permanent and detachable), and sights that use batteries, artificial light or energy are not allowed during muzzleloader-only seasons and 600 series hunts where there is a weapon restriction of shotgun/muzzleloader only or archery/muzzleloader only, except for visually impaired hunters who have a visual acuity of ≤20/200 with lenses or visual field of ≤20 degrees (a permit is required; please see page 85). Open and peep sights made from alloys, plastic, or other materials that do not have the properties described above are illegal sights. Fiber optics and fluorescent paint incorporated into or on open or iron sights are legal.
- It is illegal to hunt with non-lead bullets, jacketed bullets, sabots and bullets with plastic or synthetic bases during muzzleloader-only seasons and 600 series hunts where there is a weapon restriction of shotgun/muzzleloader only or archery/muzzleloader only. Conical lead or lead alloy bullets with a length that does not exceed twice the diameter and lead or lead alloy round balls used with cloth, paper or felt patches are allowed.
- It is illegal to hunt with centerfire primers as an ignition source during muzzleloader-only seasons and 600 series hunts where there is a weapon restriction of shotgun/muzzleloader only or archery/muzzleloader only.
- It is illegal to hunt with pelleted powders or propellants during muzzleloader-only seasons and 600 series hunts where there is a weapon restriction of shotgun/muzzleloader only or archery/muzzleloader only. Granular (loose) black powder and black powder substitutes are the only legal propellants during muzzleloader-only seasons and 600 series hunts where there is a weapon restriction of shotgun/muzzleloader only or archery/muzzleloader only.
- No other firearm may be used for hunting during a muzzleloader-only season. See definition on page 82.
- Muzzleloading firearms with revolving actions are prohibited during muzzleloader-only seasons and 600 series hunts where there is a weapon restriction of shotgun/muzzleloader only or archery/muzzleloader only.
- For muzzleloader-only seasons and 600 series hunts where there is a weapon restriction of shotgun/muzzleloader only or archery/muzzleloader only, the muzzleloader must have an open ignition. See definition on page 82.

**Archery**
- Broadhead blades must be fixed, unbarbed and at least 7/8" wide (except for western gray squirrel). It is illegal to hunt with or possess mechanical or moveable blade broadheads when hunting game mammals except western gray squirrel.
- No device secured to or supported by a bow may be used to maintain the bow at full draw.
- No electronic devices may be attached to bow or arrow.
- No device that supports or guides the arrow from a point rearward of the bow string when the bow is at rest (undrawn) may be secured to or supported by a bow’s riser. Overdraws meeting this restriction are legal during archery seasons.
TAG SALE DEADLINE: The day before the hunt begins.
NO MORE THAN TWO PERSONS MAY APPLY AS A PARTY FOR PRONGHORN ANTELOPE.
CONTROLLED HUNT APPLICATION PROCEDURES: Please read pages 13-15.
All pronghorn antelope hunts are controlled hunts where the number of hunters is limited and tags are
awarded through a public drawing. Hunters should apply for more than one hunt choice. If your first
choice hunt is cancelled, you will receive a postcard describing your hunt choice options. See page 15
for further information.

HUNT AREA: Entire wildlife management unit unless indicated by an asterisk(*). Please refer to HUNT
DESCRIPTIONS. A map will be sent if indicated in hunt description by [MAP]. Please note additional
closure areas listed on pages 96-100 that may affect your hunt area. Additionally, some private lands
may be closed to all hunting.

OTHER REGULATIONS: No person shall shoot at a pronghorn antelope from a point within 50 yards of
a motor vehicle including aircraft, except persons that have an “Oregon Disabilities Hunting and Fishing
Permit” (see page 88).

LANDOWNER PREFERENCE TAGS: Pronghorn antelope hunts with an either-sex or a one doe or fawn
bag limit occurring on a landowner’s registered property are also eligible. If an applicant is successful in
receiving a LOP pronghorn antelope tag for a hunt with an either-sex bag limit, the LOP tag is automatically issued with a bag limit of one doe
or fawn. See page 19 for further information.

Note: The “2012 1st Choice Applicants” column is not influenced by preference points; it only indicates the number of first choice appli-
cants for each hunt in 2012. The Fish and Wildlife Commission will not set actual tag numbers for hunts listed here until June 2013. The
tag numbers currently shown, for your reference, were those allocated for 2012 or estimated for new 2013 hunts. Actual tag numbers for
2013 may be higher or lower than those listed based on population conditions.

STOP! Private lands will limit access for hunts printed in red. Do not apply unless you have access to a place to hunt.

**Attention Pronghorn Antelope Hunters**

Hunts that have a bag limit of “One doe or fawn” pronghorn are designed to reduce local populations or address specific damage situations by allowing hunters to harvest does. A small buck, typically a yearling, is not legal in a “One doe or fawn” bag limit hunt. Buck fawns (young of the year) are allowed under this bag limit.

It is easy to distinguish between pronghorn bucks and does using common field optics such as binoculars, spotting scopes, and rifle scopes. Specifically, look at the following characteristics and the drawings on the following page:

1. Pronghorn does will not have a prominent dark cheek patch below the ear. All bucks will have a prominent dark cheek patch.
2. If a pronghorn doe has horns, she will not have a prong or point between the base and tip of the horn and does horns are typically less than five inches. Most bucks, even yearlings, will have a prong or point between the base and tip of the horn and horns on bucks are typically longer than five inches.
3. A pronghorn doe is typically light colored along the bridge of the nose with black occurring near the tip. A buck appears black from the tip of the nose to the forehead.
Telocasht Ln to Hwy 203; south and west on Hwy 203 to I-84 (approx. 5 mi. north of Baker City), north on I-84 to point of beginning.

HUNT 466B: Harney Basin - 45% public lands. Parts of units 66, 69, 71 and 72 as follows: In Unit 66, that part south and west of the following line: Beginning at the intersection of US Hwy 395 and 500 KV Powerline 6 mi north of Burns; east on 500 KV Powerline to its intersection with US Hwy 20 about 1 mi northeast of Buchanan; southeast on Hwy 20 to Buchanan; south on Crane-Buchanan Rd to State Hwy 78 near Crane, the Unit boundary. In Unit 69, that part north of the following line: Beginning at State Hwy 78 near Princeton, west on Co Rd 404 to Co Rd 405 (Sodhouse Ln); west on 405 to State Hwy 205 near The Narrows. In Unit 71, that part north of the following line: Beginning on US Hwy 395 near MP 17 (T26S, R25E, SW corner of Section 2); east on Iron Mt Rd to Double O Rd; east on Double O Rd to State Hwy 205. Excluding Malheur NWR. In Unit 72, that part south and east of the following line: Beginning at the intersection of US Hwy 395 and 500 KV Powerline 6 mi north of Burns; southwest on 500 KV Powerline to its intersection with US Hwy 20/US Hwy 395 near MP 117 west of Burns.

HUNT 469A: Steens Mt - 80% public lands. All of Unit 69 excluding Malheur NWR.

HUNTS 470A and 470M: E Beatys Butte - 85% public lands. That part of Unit 70, east of the following: Beginning at Nevada-Oregon line at East Guano Valley Rim to State Hwy 140; west on Hwy 140 to Beatys Butte Rd; north on Beatys Butte Rd to Flook Lk Rd; northwest on Flook Lk Rd to Hart Mt NAR boundary; north on refuge boundary to Frenchglen-Plush Rd.

HUNTS 470B and 470R2: W Beatys Butte - 95% public lands. That part of Unit 70, excluding Hart Mt NAR, west of the following: Beginning at Nevada-Oregon line at East Guano Valley Rim; north on East Guano Valley Rim to State Hwy 140; west on Hwy 140 to Beatys Butte Rd; north on Beatys Butte Rd to Flook Lk Rd; northwest on Flook Lk Rd to Hart Mt NAR boundary; north on refuge boundary to Frenchglen-Plush Rd.

HUNT 470C and 470R: Hart Mt - 98% public lands. Posted parts of units 70 and 71 within Hart Mt NAR. Notice: Within the refuge boundary are scattered private holdings; landowner permission is required to hunt these private holdings. Please be advised that refuge staff conduct prescribed fires for improvement of wildlife habitat between Aug. 1 and Nov. 15. Every effort will be made to minimize impacts to hunts from burning. Check at headquarters for further information (541-947-2731).

HUNT 471A: Juniper - 90% public lands. All of Unit 71, excluding Hart Mt NAR and that part of Malheur NWR north of Foster Flat Rd.

HUNT 472B: Riley - 65% public lands. Beginning at the junction of US Hwy 20 and Mayo Ranch Rd near MP 96; north and east on Mayo Ranch Rd and Best Ln to Silver Creek Rd (Horney Co Rd 138); north on Silver Creek Rd to FR 4130; east on 4130 to FR 4135 near Egypt Well; south on 4135, 4120 and 4126 to Forest boundary; east and south on Forest boundary to N Sagehen Hill Rd; south on N Sagehen Hill Rd to US Hwy 20; west on Hwy 20 to Mayo Ranch, point of beginning. [MAP]

HUNT 472B: Riley - 65% public lands. Beginning at the junction of US Hwy 20 and Mayo Ranch Rd near MP 96; north and east on Mayo Ranch Rd and Best Ln to Silver Creek Rd (Horney Co Rd 138); north on Silver Creek Rd to FR 4130; east on 4130 to FR 4135 near Egypt Well; south on 4135, 4120 and 4126 to Forest boundary; east and south on Forest boundary to N Sagehen Hill Rd; south on N Sagehen Hill Rd to US Hwy 20; west on Hwy 20 to Mayo Ranch, point of beginning. [MAP]

HUNTS 473B and 473M1: S Wagontire - 95% public lands. That part of Unit 73 south of Lk Co Rd 5-14.

HUNTS 475A1, 475A2 and 475R1: E Interstate - 60% public lands. That part of Unit 75 east of Klamath-Lake Co line.

HUNTS 475R2, 475M and 475T: Gerber Reservoir - 80% public lands. That part of Unit 75 west of Klamath-Lake Co line, that part of Unit 33 southeast of FR 441 (Lone Pine to Teddy Power's Meadow); and that part of Unit 32 east of the following line: Starting at Beatly; southwest on Hwy 140 to Bly Mt Cutoff Rd to Bonanza; southeast through Lorella on E Langell Valley Rd to Klamath- Interstate Unit boundary. Note: 475T is for youths only (ages 12-17). [MAP]

HUNTS 476A and 476M: E Fort Rock-Silver Lake - 70% public lands. All of Unit 76 and that part of Unit 77 east of the Klamath-Lake Co line.

HUNT 477R: E Slope - 44% public lands. Do not apply for these hunts unless you are familiar with the following circumstances. Pronghorn antelope are found using timbered areas and are very difficult to find. Hunter success is low. Beginning at Diamond Lk junction; west on State Hwy 138 to Crater Lk NP boundary; south on NP boundary to 2304; southeast on 2304 to 2300, southwest on 2300 to 9740; southeast on 9740 to US Hwy 97; south on Hwy 97 to 43; north and east on 43 to Klamath Marsh Rd; north on Klamath Marsh Rd to 86; north and west on 86 to US Hwy 97; south on Hwy 97 to Diamond Lk junction, point of beginning, excluding Klamath Marsh NWR. [MAP]
Mandatory Check For All Harvested Bears!

ODFW has initiated a mandatory check for all harvested bears. Specifically, “The skull of any bear taken must be presented to an ODFW office or designated collection site within 10 days of the kill to be checked and marked. Skull must be unfrozen when presented for check-in.” During the check-in process, a biologist will remove a small premolar tooth. After making an appointment, you can check in your bear skull at any ODFW field office. Additionally, in many areas local businesses may be trained and prepared to check your bear skull. For information on local business locations, check the ODFW website at www.dfw.state.or.us. See page 35 for more details regarding check-in.

By counting rings on sectioned and stained teeth, biologists can estimate the age of each bear, and determine if the bear has been ‘marked’ as part of ODFW’s tetracycline study. This information can then be used to estimate black bear populations.

This information is important for black bear management in Oregon. Hunters providing teeth will be notified of the age of their bear once laboratory analyses are complete in about a year. Removing this small tooth will not affect any taxidermy work you plan to have done with your trophy.

The department also needs your help obtaining reproductive tracts from any female bears harvested. Reproductive tracts help the department estimate reproduction rate and frequency in Oregon bears. Reproductive tracts are easiest to collect when field dressing your bear. Carry a clean sandwich bag and keep the sample cooled or frozen to maintain the quality of this important sample for the department. Reproductive tracts help the department reproduce.

Locating and Collecting the Reproductive Tract from a Female Bear

1. Label a plastic bag with: Date of Kill, Unit Number and Name, County, and Your Name and Address. Ziplock type kitchen or freezer bags work very well for this purpose.
2. Locate the “Y” shaped reproductive tract beneath and slightly ahead of the pelvis or hip bones. It usually is necessary to move some of the intestines and other organs aside to locate the entire tract, including both ovaries and the uterus.
3. Cut the uterus immediately forward of the bladder. Use caution when handling the bladder and cutting the reproductive tract from the body cavity to insure the meat is not contaminated with urine from the bladder.
4. Place the entire reproductive tract in the labeled plastic bag and seal. Tie the labeled tooth envelope to the outside of the bag containing the reproductive tract.
5. Preserve specimens by freezing as soon as possible and submit to any ODFW district office or check station.

PLEASE BE SURE TO COLLECT AND SUBMIT THE ENTIRE UTERUS, INCLUDING BOTH ‘Horns’ AND BOTH OVARIES.

Attention Hunters in Santiam Unit

Hunters in the northern portion of the Santiam Unit (No. 16) should be advised that the Bull Run Watershed Management Unit (BRWMU) is closed to public entry. The Bull Run boundary — primarily its southern boundary — was expanded by Congress in 2001.

The Bull Run watershed is the primary water supply for over 800,000 persons in the Portland metropolitan area and has been protected by special Congressional legislation since 1904.

Trespassers are subject to fines up to $5,000. The closure boundary is clearly signed and gated on all roads leading into the closure area, but please be advised that the current editions of the Mt. Hood National Forest recreation map and Zigzag Ranger District map do not show the correct boundary. Hunters in this area who are uncertain of the BRWMU boundary are advised to view correct versions of maps on display at the Mt. Hood National Forest Headquarters in Sandy or at the Zigzag Ranger Station in Zigzag.

To Report Wildlife Violators Call 1-800-452-7888 or tip@state.or.us
BLACK BEAR - CONTROLLED

TAG SALE DEADLINE: The day before the hunt begins.
CONTROLLED HUNT APPLICATION PROCEDURES: Please read pages 13-15.

All spring black bear hunts are controlled hunts where the number of hunters is limited and tags are awarded through a
draw, except for the new limited SW Oregon first-come, first-served spring black bear hunt.

BAG LIMIT: One black bear, except that if it is unlawful to take cubs less than one year old or sows with cubs less than
one year old.

HUNT AREA: Entire wildlife management unit unless indicated by an asterisk(*). Please refer to HUNT DESCRIPTIONS
BELOW. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.

REGULATIONS: Using bait to attract black bears and using dogs to locate and free black bear is prohibited.

Applying a scent or attractant to one's body or clothing while worn is not baiting. The skull of any bear taken must
be presented to an ODFW office or designated collection site; the person who took the animal is responsible to have it presented, within 10 days of the kill to be checked and marked. The skull is required to be checked in
for the purpose of inspection, data gathering, tagging and removal of a pre-molar tooth for aging. Skull must be
unfrozen when presented for check-in. Check-in at ODFW offices must occur during normal business hours (Mon.-
Fri., 8-5) by appointment. Remember to call ahead to make arrangements. When the bear skull is presented at
check-in, information that must be provided includes: 1) date of harvest and location of harvest including Wildlife
Management Unit, and 2) complete hunter information including tag number as found on the bear tag. Hunter
information is on the bear tag. The bear tag, a copy of the tag, or a completed ‘Wildlife Transfer Record Form’
(page 102) are alternatives for providing information. Hunters must still complete mandatory reporting via the
internet (www.dfw.state.or.us/resources/hunting/reporting) or call toll free at 1-866-947-ODFW(6339). See page 6 for more information.

NOTE: The 2012 1st Choice Applicants’ column is not influenced by preference points; it only indicates the number of first choice applicants for each
hunt. Successful individuals may also purchase a 2013 general season black bear tag and a 2013 SW Additional bear tag. Controlled black bear tags
not drawn in the February drawing will be sold first-come, first-served beginning Mar. 15 at 10 a.m. Tags purchased in this manner are in addition to
other bear tags purchased. Hunters purchasing a SW Oregon spring bear tag prior to the drawing will not be eligible to apply for other controlled spring
bear tags or utilize the Point Saver option for spring bear hunts. Hunters planning to apply for other controlled spring bear hunts or a Point Saver should
wait until after the drawing to purchase a SW Oregon spring bear tags. Please note there is a limited number of SW Oregon spring bear tags available.

NOTE: The number of tags issued to nonresidents will be limited to no more than 3% of the total tags authorized for each hunt.

CONTROLLED SPRING BLACK BEAR HUNTS FOR YOUTHS

To apply, hunters must be 12-17 years old at the time they hunt, have completed Hunter Education class by the time they hunt (see page 85 for Hunter
Education Requirements) and have a hunting license. Youths must be accompanied by an adult at least 21 years of age. Adults may not accompany
more than two youths.

HUNT DESCRIPTIONS

HUNT 710: Saddle Mt - Scappoose - All of units 10 and 11.
HUNT 712A: Wilson-Trask - All of units 12 and 14. There are specific weapon restrictions in the Cascade Head - Lincoln
City area of the Trask Unit. See page 98.
HUNT 716A: N Cascades - All of Unit 16 excluding the Marion and Linn Co portion outside of the USFS lands: the McKenzie
Unit excluding the Linn Co portion outside of the Willamette NF.
HUNT 717A: Alsco-Stott Mt - All of units 17 and 18. There are specific weapon restrictions in the Cascade Head - Lincoln
City area of the Stott Mt Unit. See page 98.

HUNT 712A: Wilson-Trask - All of units 20, 21, 22, 23, 25, 26, 27, 29 and 30. Exception: Lands within 1 mi of Rogue Rvr between
Grave Cr and Lobster Cr are closed to bear hunting. Tags will be available at a limited first-come, first-served basis
from Dec. 1 through March 31, or until
the authorized number of tags are sold, whichever comes first. Note: Purchasing this tag prior to the drawing eliminates
your ability to apply for other controlled spring bear tags or point savers. Please refer to note section above.
HUNT 713A: South Central - All of units 31, 32, 33, 74, 75, 76 and 77.
HUNT 716A: S Blue Mts - 64% public lands. All of units 45, 46, 47, 48, 50, 51, 55, 65, 66 and 72.
HUNT 719A: W Blue Mts - All of units 49, 54 and 55.
HUNT 752A: Starkey - 67% public lands. All of Unit 52 except the Starkey Experimental Forest and Range fenced enclosure and a
1/16th mile buffer outside the exterior 8-ft fence.

HUNTS 757A and 757T: Sled Springs-Chesnimnus - All of units 57 and 58.
HUNTS 760A and 760T: Minam-Imnaha - All of units 60 and 61.
HUNTS 762A: Pine Cr - Keating - Catherine - All of units 53, 62 and 63.
OPEN SEASON - Western Oregon: Aug. 1 - Dec. 31 - All units west of the eastern boundaries of Santiam, McKenzie, Indigo, Dixon and Rogue units except those lands within one mi of Rogue Rvr between Grave Cr and Lobster Cr, which are closed.

OPEN SEASON - Eastern Oregon: Aug. 1 - Nov. 30 - All units east of the eastern boundaries of Santiam, McKenzie, Indigo, Dixon and Rogue units.

Southwest Oregon Additional Bear: Aug. 1 - Dec. 31 - (all of units 20-30) (Requires a resident SW Additional; a nonresident SW Additional; or a nonresident Cascade Additional bear tag. See next page for units with nonresident tags). An “additional” tag may be purchased throughout the season; however, hunters must purchase the general season tag (see tag sale deadlines on page 9) to be eligible for the additional tag.

BAG LIMIT: One black bear per tag, except that it is unlawful to take cubs less than one year old or sows with cubs less than one year old.

Note: Nonresident tags are valid for only one of the areas listed on the next page under Nonresident Black Bear Tag Limitations.

OTHER REGULATIONS: Using bait to attract black bear and using dogs to locate and tree black bear is prohibited. Applying a scent or attractant to one’s body or clothing while worn is not baiting. The skull of any bear taken must be presented to an ODFW office or designated collection site; the person who took the animal is responsible to have it presented, within 10 days of the kill to be checked and marked. The skull is required to be checked in for the purpose of inspection, data gathering, tagging and removal of a pre-molar tooth for aging. Skull must be unfrozen when presented for check-in. Check-in at ODFW offices must occur during normal business hours (Mon.-Fri., 8-5) by appointment. Remember to call ahead to make arrangements. When the bear skull is presented at check-in, information that must be provided includes: 1) date of harvest and location of harvest including Wildlife Management Unit, and 2) complete hunter information including tag number as found on the bear tag. Hunter information is on the bear tag; the bear tag, a copy of the tag, or a completed “Wildlife Transfer Record Form” (page 100) are alternatives for providing information. Hunters must still complete mandatory reporting via the internet (www.dfw.state.or.us/resources/hunting/reporting) or call toll free at 1-866-947-ODFW (6339). See page 6 for more information.

There are specific weapon restrictions in parts of the hunt area. See page 98-100.

- Persons may harvest one black bear during specified seasons with a general season black bear tag, one black bear with a SW Additional bear tag, one black bear with a controlled or SW limited spring bear tag and one black bear with a leftover controlled spring bear tag (see page 14), if available.

- It is unlawful to hunt with a centerfire or muzzleloading rifle without a valid unused deer or elk tag for that time period and area on your person (see exceptions) during: standard Eastern Oregon controlled buck deer centerfire firearm season (Sept. 28-Oct. 9), Cascade bull elk centerfire firearm season, Coast bull elk 1st and 2nd centerfire firearm seasons both General and Controlled, Rocky Mt bull elk or either sex centerfire firearm seasons, or standard Rocky Mt antlerless elk centerfire firearm seasons. (Nov. 16 - Nov. 24). This does not include the controlled W High Cascade (119A) or Hood-White Rvr (141A) buck hunts. EXCEPTIONS: (1) Hunters who have a tag for one of the hunts listed above may continue to hunt bear and/or cougar within the time period and area for which their deer or elk tag is valid (used or unused) provided they have a valid, unused bear and/or cougar tag; used deer or elk tags must be on the tagged animal and not on the hunters person. (2) Hunters are not required to have an elk tag to hunt bear or cougar in the Applegate WMU during elk seasons.
The number of limited, controlled hunt, and general season tags issued to nonresident black bear hunters is limited to no more than 3% of all tags. For general black bear season (including the additional bear tags), the 3% nonresident limit is based on the previous year's general season black bear hunter distribution patterns by areas throughout the state. In 2013, nonresident black bear tag sales will be limited in four areas: Northwest, Southwest, Cascades and Eastern. The number of tags available by area, along with area descriptions, for the 2013 season are listed below.

Nonresident hunters who wish to hunt in general black bear seasons may purchase their black bear tags at any license agent, via the internet, or by mail, if postmarked not later than Sept. 27 (or fax for credit card purchases). The additional tag may be purchased throughout the season; however, hunters must purchase the general season tag prior to the deadline to be eligible to purchase an additional tag. Tags will be issued on a first-come, first-served basis until gone. Applicants should list preferred hunting areas in order of priority (see area descriptions below). If you do not receive your first choice, you may receive your second or later choice depending on how many tags remain available at the time of application. Please list only areas where you are willing to hunt.

**Area Descriptions/Tag Numbers:**
- **Northwest:** All of units 10-12, 14, 15, 17, 18. (Number of tags: 292)
- **Southwest:** All of units 20 and 23-29. (Number of tags: 255)
- **Cascades:** All of units 16, 19, 21, 22, 30, 31, 34, 39, 41, 42 and those portions of units 33 and 77 west of U.S. Hwy 97. (Number of tags: 430)
- **Eastern:** All of units 32, 35, 38, 40, 43 and those portions of units 33 and 77 east of U.S. Hwy 97; and all other units east of these units. (Number of tags: 502)

**APPLICATION PROCEDURE FOR NONRESIDENTS**

1. Applicants must provide the following information: full name, current address, date of birth, Social Security number, Angler/Hunter I.D. (if known) and telephone number. (See page 17 for mail order form).
2. Applicants must include fees of $182.50 per tag and $140.50 for a nonresident hunting license (if not already purchased), with the application.
3. Applicants shall specify areas for which they are applying in order of choice. Nonresident bear hunters may obtain one general season nonresident bear tag for a specified area and one additional nonresident bear tag valid for specified areas of southwest Oregon.

**OREGON EXPERIENCES PERIODIC DRY CONDITIONS THAT CAN LEAD TO WILDFIRES**

Using a little information and a few precautions, you can enjoy Oregon’s wildlife lands without causing undue damage.

For useful tips, log onto ODFW’s website at: www.dfw.state.or.us/resources/hunting/index.asp#closures

Photo by Don Whittaker

**HUNTERS: WE NEED YOUR COOPERATION**

Radio transmitters used on deer, elk and other big game animals are property of ODFW. These transmitters store valuable information and are re-usable. It is legal to harvest an animal with these transmitters. Please call your local ODFW office if you harvest an animal with a transmitter or find a transmitter.

We thank you for your cooperation.
ROCKY MOUNTAIN GOAT - CONTROLLED

TAG SALE DEADLINE: Last day of hunt.
PARTY APPLICATIONS ARE NOT ALLOWED.
CONTROLLED HUNT APPLICATION PROCEDURES: Please read pages 13-15.
NOTE: There are no nonresident tags available for the 2013 Rocky Mt goat season. All Rocky Mt goat hunts are controlled hunts where the number of hunters is limited and tags are awarded through a public drawing. A person may draw only one controlled Rocky Mt goat tag in a lifetime. The Fish and Wildlife Commission will not set actual tag numbers for hunts listed here until June 2013. Actual tag numbers for 2013 may be higher or lower than listed based on population conditions.

ROCKY MT GOATS ARE LOCATED IN EXTREMELY STEEP AND RUGGED TERRAIN AT HIGHER ELEVATIONS AND HUNTERS SHOULD BE IN GOOD PHYSICAL CONDITION.

BAG LIMIT: One Rocky Mt goat. Orientation class with district biologist IS required.
HUNT AREA: See HUNT DESCRIPTIONS below. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.
OTHER REGULATIONS: Rocky Mt goats taken by hunters must be marked by ODFW personnel prior to checkout. Hunters must check out through the local ODFW office in the district where the hunt occurs within 72 hours after completing their hunt unless other arrangements have been made. Check out must occur during normal business hours.

HUNT # HUNT NAME

960B Goat Mt*  Sept. 7 - Sept. 22  1  735

HUNTS 951A1 and 951A2: Elkhorn - 45% public lands. All of Unit 51.
HUNTS 959A1 and 959A2: Hat Point - 95% public lands. That part of unit 59 north of Freezeout Creek Rd 4230 and Saddle Creek Trail 1776.
HUNT 959B: S Snake Rvr - 95% public lands. That part of unit 59 south of Freezeout Cr Rv Rd 4230 and Saddle Cr Trail 1776.
HUNT 960A1: E. Hurricane Cr - 100% public lands. Beginning at Wallowa Lk trailhead; south on trail 1820 to trail 1810; west on 1810 to trail 1807; north on 1807 to Hurricane Creek Rd; north on Hurricane Creek Rd to Airport Ln; east on Airport Ln to Hwy 82; south on Hwy 82 to Wallowa Lk trailhead point of beginning.
HUNT 960A2: W. Hurricane Cr - 90% public lands. That part of unit 60 beginning at Lostine; south along Lsthne Rvr Rd and East Fork trail no. 1662 to trail no. 1810; north along trail no. 1810 to trail no. 1807; north along trail no. 1807 to Hurricane Cr Rd; north on Hurricane Cr Rd to Hwy 82; west on Hwy 82 to Lostine, point of beginning.

HUNT 960B: Goat Mt - 95% public lands. That part of unit 60 as follows: Beginning at Boundary Campground; north on FR 049 to junction of Rd 8250; southeast on 8250 to junction of Lostine River Rd 8210; south on 8210 to Bowman Trail 1651; southwest on trail 1651 to junction of Bear Cr trail 1653; north on 1653 to Boundary Campground, point of beginning.

Private lands will limit access for hunts printed in red. Do not apply unless you have access to a place to hunt.

ATTENTION ALL 2013
Big Horn Sheep & Rocky Mtn Goat Tag Holders
Workshop & Orientation
July 20, 2013 at 9am
Discovery Center & Museum | The Dalles, OR

The Best Possible Training and Information for Big Horn Sheep / Rocky Mt Goat Hunters
More info: OregonFNAWS | Don South 541-647-5954 | George Houston 503-826-9109
TAG SALE DEADLINE: Last day of hunt.

PARTY APPLICATIONS ARE NOT ALLOWED.

CONTROLLED HUNT APPLICATION PROCEDURES: Please read pages 13-15. All bighorn sheep hunts are controlled hunts where the number of hunters is limited and tags are awarded through a public drawing. You may draw only one controlled bighorn sheep tag in a lifetime. Hunters previously holding any Oregon bighorn sheep tag (controlled, raffle, or auction) may obtain either the bighorn raffle tag or bighorn auction tag for additional bighorn hunting opportunity. Details on purchasing raffle tickets and auction date/location are listed on pages 20-23. HUNTERS SHOULD APPLY FOR MORE THAN ONE HUNT AREA. If your first choice hunt is cancelled, you will receive a postcard describing your hunt choice options. See page 15 for further information.

BAG LIMIT: One bighorn sheep ram.

HUNT AREA: Entire wildlife management unit unless indicated by an asterisk (*). Please refer to HUNT DESCRIPTIONS on following page. A map will be sent out if hunt description indicates [MAP]. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.

NOTE: No less than 5% and no more than 10% of all bighorn sheep tags can be issued to nonresidents. Six bighorn sheep tags were issued to nonresidents in 2012. NONRESIDENT TAGS WILL PROBABLY BE ISSUED FOR THE FOLLOWING HUNTS IN 2013: HART MT REFUGE, N SNAKE RVR NO. 2, E BEATY’S BUTTE/ALVORD PEAK NO 2, S CENTRAL NO 1, E. JOHNDAY RVR NO 2, W JOHN DAY RVR NO. 2, and LOWER OWYHEE NO. 2. The Fish and Wildlife Commission will not set actual tag numbers for hunts listed here until June 2013. The tag numbers currently shown, for your reference, were those allocated for 2012. Actual tag numbers for 2013 may be higher or lower than those listed based on population conditions.

Private lands will limit access for hunts printed in red. Do not apply unless you have access to a place to hunt.

OTHER REGULATIONS: Bighorn sheep taken by hunters must have one horn marked (pinned) by ODFW personnel.

ALL HUNTERS MUST CHECK OUT THROUGH THE LOCAL ODFW OFFICE IN THE DISTRICT WHERE THE HUNT OCCURS WITHIN 72 HOURS AFTER COMPLETING THEIR HUNT. Checkout must occur during normal business hours (Mon.-Fri., 8-5) unless prior arrangements have been made. Please call the local ODFW office to make arrangements for checkout.

Entire wildlife management unit unless indicated by an asterisk (*). Please refer to HUNT DESCRIPTIONS on following page. A map will be sent out if hunt description indicates [MAP]. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.

* HUNT DESCRIPTIONS

HUNTS 543A1, 543A2 AND 543A3: E John Day Rvr - 90% public lands. That part of the John Day Rvr canyon from Clarno Bridge to Cottonwood Bridge in Unit 43 east of the John Day Rvr. Access is extremely limited, hunters may have to float the John Day Rvr to access public lands. Access to Public Land through some private land may be by fee only.

HUNTS 543A4, 543A5 and 543A6: W John Day Rvr - 60% public lands. That part of the John Day Rvr canyon from Clarno Bridge to Cottonwood Bridge in Unit 43 west of the John Day Rvr. Access is extremely limited, hunters may have to float the John Day Rvr to access public lands. Access to Public Land through some private land may be by fee only.

HUNTS 543B1, 543B2 and 543B3: Deschutes Rvr - 40% public lands. That part of the Deschutes Rvr canyon from Sherar’s bridge to the mouth east of the Deschutes Rvr. Access will be limited from the top of the canyon and boat or foot access will be required. Access through some private land may be by fee only.

HUNTS 543C1, 543C2 and 543C3: W Deschutes Rvr - 40% public lands. That part of the Deschutes Rvr canyon from Sherar’s bridge to the mouth that is west of the Deschutes Rvr. Access will be limited from the top of the canyon and boat or foot access will be required. Access through some private land may be by fee only.

HUNT 546A: Aldrich - 85% public lands. That part of Unit 46 west of FRs 21 and 2180.

HUNT 546B: McClellan - 60% public lands. That part of Unit 46 east of FRs 21 and 2180.

HUNT 548: Potamus - That part of Unit 48 beginning where the N Fork John Day Rvr crosses Hwy 395; west along the N Fork John Day Rvr to Ditch Creek, north along Ditch Cr to FR 53; east along FR 53 to Hwy 395; south along Hwy 395, point of beginning.

HUNT 551A: Burnt Rvr Canyon - 95% public lands. That part of Unit 51 south of Hwy 87.

HUNT 556A: Chesnimmus - 95% public lands. That part of Unit 58 east of the following line: Crow Cr/Zumwalt Rd and FR 46 to Buckhorn Spring; north along Cherry Creek to the Snake Rvr.

HUNT 559A1 and 559A2: N Snake Rvr - 95% public lands. That part of Unit 59 north and west of the following line: Beginning at the mouth of Trail Gulch; south on trail no. 1726 to trail no. 1706; south on 1706 to trail no. 1699; southwest on 1699 to Fingerboard Saddle; south on the Hells Canyon Wilderness boundary to Hot Point Lookout; south on Rd number 315 to Rd number 4240; south then northwest on Rd number 4240 to Imnaha.

HUNT 560A: Hurricane Divide - 100% public lands. All of Unit 61 and parts of units 60, 62 and 63 as follows: Beginning at Lostine; south along Lostine River Rd and trail nos. 1670, 1673 to trail no. 1947; east on trail 1947 to trail no. 1910; south on trail 1910 to trail no. 1945; east on trail 1945 to trail no. 1885; north on trail 1885 to trail no. 1816; northwest on trail 1816 to trail no. 1820; north on trail 1820 to Wallowa Lake and Hwy 82; northwest on Hwy 82 to Lostine, point of beginning.

HUNT 560B: Bear Cr - 100% public lands. That part of Unit 60 west of Lostine Rvr Rd and trail nos. 1670, 1673 and 1947 to Frazier Pass on Unit 60 boundary.

HUNT 567A1 and 567A2: Lower Owyhee - 64% public lands. That part of the Deschutes Rvr from Sherar’s bridge to the mouth.

HUNT 568A1 and 568A2: Sheephead Mts - 95% public lands. That part of Unit 68 north of the following line: Beginning at Burns Junction; south 6 mi on US Hwy 95 to Crooked Cr/Mickey Hot Springs Rd (BLM Rds 6313000, 7282100 and 7282000); west on that route to East Steens Co Rd about 4 mi north of Alvord Ranch.

HUNT 568B1 and 568B2: E Whitehorse - 90% public lands. That part of Unit 68 east and south of the following line: Beginning at OR/NV state line near Denio, north on Co Rd 201 to Whitehorse Rd, east on Whitehorse Rd to Hwy 95, north then on Hwy 95 to Jordan Valley, east on Jordan Valley - Silver City Rd to OR/ID state line.

HUNT 569A1 and 569A2: Steens Mt - 75% public lands. That part of Unit 69 north of the following line: Beginning on State Hwy 205 at South Steens Lp Rd; east on South Steens Lp Rd to Blitzen Crossing; south and east following Blitzen Rvr, Ankle Cr and South Ankle Cr to northwest corner of Section 21 in T34S, R33E; due east on north section lines of sections 21 and 22 to Wildhorse Cr; south on Wildhorse Cr to East Steens Co Rd.

HUNT 569B: N Callow Rim - 70% public lands. That part of Unit 69 south and west of the following line: Beginning on State Hwy 205 at South Steens Lp Rd; east on South Steens Lp Rd to Blitzen Crossing; south following the Blitzen Rvr to BLM Rd 8247-1-AO near Huffman Camp; east and south on 8247-1-AO Rd through Smith Flat and down Skull Cr to 8247-0-00 Rd; west on Skull Cr on 8247-0-00 Rd to Hwy 205; north on Hwy 205 to point of beginning. [MAP]

HUNT 570A: Hart Mt Refuge - That part of units 70 and 71 within the boundaries of Hart Mt NAR. Within the refuge boundary are scattered private holdings; landowner permission is required to hunt these private holdings.

HUNT 570B1 and 570B2: E Beatys Butte/Alvord Peaks - 85% public lands. Those parts of units 68, 69, and 70 as follows: In Unit 68 beginning at the intersection of Wildhorse Cr and East Steens Co Rd (unit boundary); south and east on unimproved Rd past Serrano Springs, across Alvord Desert through Little Sand Gap to Whitehorse Rd about 1 mi west of Whitehorse Ranch; southwest on Whitehorse Rd to Fields-Denio Rd; north on Fields-Denio Rd to East Steens Co Rd (unit boundary); that part of Unit 69 not included in hunts 569A1, 569A2, and 569B, (see hunt descriptions for these hunts); that part of Unit 70 lying east of the following roads: starting on Hwy 140 at the OR/NV border, north on BLM Rd 6176-0-00 to BLM Rd 8249-0-00; north on Rd 8249-0-00 to Rock Cr Ln to unit boundary. [MAP]

HUNT 570C: Coleman - E Guano - That portion of Unit 70, excluding Hart Mountain NAR, lying west of the following Rds. Starting at Hwy 140 at the Nevada - Oregon border, north on BLM road 6176-0-00 to BLM Road 8249-0-00, north on 8249-0-00 to the unit boundary.

HUNT 575A1 and 575A2: S Central - 90% public lands. All of Unit 75; all of Unit 71, excluding Hart Mt NAR; and that part of Unit 73 south of Lk Co Rd 5-14.
COUGAR - GENERAL

GENERAL STATEWIDE SEASON: Jan. 1 - Dec. 31 or until Zone Mortality Quotas have been met, whichever occurs first.

OPEN AREA: Entire state is open. However, specific Quota Zones (defined in table below) will be closed if mortality quotas for the year are met in that zone. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.

ADDITIONAL COUGAR (Requires an Additional cougar tag): Entire state is open Jan. 1 - Dec. 31 or until Zone Mortality Quotas have been met, whichever occurs first. An “additional” tag may be purchased throughout the season; however, hunters must purchase the general season tag (see tag sale deadlines on page 9) to be eligible for the additional tag.

BAG LIMIT: One cougar per tag, except that it is unlawful to take spotted kittens or females with spotted kittens.

HUNTING REGULATIONS: No person shall use dogs for the taking or pursuit of cougar. It is unlawful to hunt with a centerfire or muzzleloading rifle without a valid (used or unused) deer or elk tag for certain time periods and areas; see page 28. Any cougar taken must be presented at a Department of Fish and Wildlife office within 10 days of the kill to be checked and marked. The person who took the cougar is responsible to have it presented for check-in. The hide with skull and proof of sex attached are required. Hide and skull must be unrefrozen when presented for check-in. Hunters are also required to submit the reproductive tract of any female cougar taken. Check-in must occur during normal business hours (8 a.m. to 5 p.m., Monday-Friday. Please call ahead to make an appointment.

When the required parts are presented at check-in, information that must be provided includes: 1) date of harvest and location of harvest including Wildlife Management Unit, and 2) complete hunter information including tag number as found on the cougar tag. Hunter information is on the cougar tag; the cougar tag, a copy of the tag, or a completed “Wildlife Transfer Record Form” (page100) are alternatives for providing information. Hunters must still complete mandatory reporting via the internet (www.dfw.state.or.us/resources/hunting/reporting) or call toll free at 1-866-947-ODFW (6339). See page 6 for more information.

HUNT ZONE A, COAST/NORTH CASCADES: All of wildlife management units 10-12, 14-18, 20, 24-27, 39, 41 and 42. There are specific weapon restrictions in the parts of the hunt area. See pages 98-100.

HUNT ZONE B, SOUTHWEST CASCADES: All of wildlife management units 19, 21-23 and 28-31.

HUNT ZONE C, SOUTHEAST CASCADES: All of wildlife management units 32-35 and 75-77

HUNT ZONE D, COLUMBIA BASIN: All of wildlife management units 38, 40 and 43-45.

HUNT ZONE E, BLUE MOUNTAINS: All of wildlife management units 37 and 46-64.

HUNT ZONE F, SOUTHEAST OREGON: All of wildlife management units 36 and 65-74.

MORTALITY QUOTAS: Hunt zones will be closed early to cougar hunting if individual zone mortality quotas are reached. For information on quotas that may have been reached, contact an ODFW office near you.

COUGAR QUOTA MORTALITY ZONES

Refer to WMU boundary descriptions on pages 89-95 for exact boundary locations of each Wildlife Management Unit.
Cougar hunters are reminded that it is mandatory to provide the reproductive tract of any female cougar taken. The reproductive tract provides valuable information on the number and frequency of kittens born annually in Oregon and is a critical part of ODFW’s cougar population models. Carrying a clean, empty sandwich bag while hunting, and keeping the sample cooled or frozen in an ice chest or refrigerator after collection, is an easy way to maintain the quality of this important sample for the department. Reproductive tracts may be delivered to any ODFW field office when you check in your cougar.

Locating and Collecting the Reproductive Tract from a Female Cougar

1. Label a plastic bag with: Date of Kill, Unit Number and Name, County, and Your Name and Address. Ziplock type kitchen or freezer bags work very well for this purpose.
2. Locate the “Y” shaped reproductive tract beneath and slightly ahead of the pelvis or hip bones. It usually is necessary to move some of the intestines and other organs aside to locate the entire tract, including both ovaries and the uterus.
3. Cut the uterus immediately forward of the bladder. Use caution when handling the bladder and cutting the reproductive tract from the body cavity to insure the meat is not contaminated with urine from the bladder.
4. Place the entire reproductive tract in the labeled plastic bag and seal. Tie the labeled tooth envelope to the outside of the bag containing the reproductive tract.
5. Preserve specimens by freezing as soon as possible and submit to any ODFW district office.

PLEASE BE SURE TO COLLECT AND SUBMIT THE ENTIRE UTERUS, INCLUDING BOTH ‘HORNS’ AND BOTH OVARIES.

Visit our website: www.dfw.state.or.us for more pictures on how to find the reproductive tract on a cougar.

---

**Black-tailed Deer Hunters!**

The Oregon Department of Fish and Wildlife needs your help by providing teeth from the black-tailed deer you harvest. The age of the deer taken (as determined by analyzing the teeth) will provide critical information used to develop a population estimate for black-tailed deer in Oregon.

Please be sure to pick up an envelope at any ODFW office or POS license agent to submit teeth from any black-tailed deer you harvest this year.

Instructions on how to properly remove the correct teeth are printed on the tooth envelope. Thank you for your cooperation in providing this important information.

For more information, the Oregon Black-tailed Deer Management Plan is available on the department Web site: http://www.dfw.state.or.us/wildlife.
**Lead and the Environment**

Although lead is a naturally occurring element, it can be toxic for wildlife in some circumstances. Waterfowl, bald eagles and California condors are especially susceptible to exposure to lead from bullet fragments and shot. A nationwide ban on use of lead shot for waterfowl hunting is credited with saving millions of ducks, geese and other birds from lead poisoning since 1991. Consumption of lead can also be harmful to humans, especially small children and pregnant or nursing women. For all these reasons, the use of lead in ammunition and fishing tackle is coming under increased scrutiny. Hunters are encouraged to do their part to Help Get the Lead Out.

**What You Can Do**

Switching to non-lead ammunition can help reduce the impact of lead on the environment and wildlife. Non-lead ammunition is available in most rifle calibers and for shotguns and handguns.

High performance non-lead bullets have the same stopping power as lead, but with less fragmentation. This means fewer bullet fragments in game meat and it is less likely that scavengers will swallow lead fragments while feeding on carcasses or gut piles. If you don’t use non-lead ammunition, consider removing or burying all remains. Taking these voluntary steps can help reduce the impact of lead on the environment.

Oregon hunters have a long tradition of protecting Oregon’s wildlife and supporting conservation. This year, consider using non-lead alternatives and Help Get the Lead Out.

---

**Need a Place to Go Shooting?**

Go to Oregonshootingmap.com

ODFW has a new map that will help you find a shooting range.

- Displays all the shooting ranges in Oregon
- Displays information about ranges
- Search by type of range
- Search by type of shooting
- Find Latitude/Long coordinates
- And More
### BUCK DEER SEASONS

**Controlled rifle buck hunting. Closed to all hunting except by controlled tag. See pages 45-47 for controlled hunt opportunities.**

**Cascade buck area** (General Western Centerfire Firearm Season) Sept. 28 - Oct. 11 and Oct. 19 - Nov. 1. Closed during Cascade bull elk centerfire firearm season.

**Coast buck area** - (General Western Rifle Season) Sept 28 - Nov. 1.

There are no hunting seasons on NP lands or allotted and/or Tribal lands in these areas.

**NOTE:** White-tailed deer are protected in all units west of the eastern boundaries of Santiam, McKenzie, Indigo, Dixon and Rogue units, except for the Umpqua hunts (123A, 123R1) and North Bank Habitat hunts (123B, 123M2, 123R2, 623T1) listed on pages 45, 48, 49, and 59.

**NOTE:** Tag sale deadline is day before the earliest opening day for a season.

---

**Attention Youth Hunters:** To increase youth hunting opportunity, the Western Oregon general buck deer firearm season is extended two days for youth 12-17 years of age. Youth hunters with an unfilled Western Oregon general season deer tag, an unfilled W. High Cascade (119A), or an unfilled Hood-White River (141A) controlled hunt tag may hunt the area of the Western Oregon general deer season Nov. 2-3, 2013. The tag sale deadline is Sept 27. Bag limit: One buck having not less than a forked antler.

---

* See page 98 under units 14 and 17 for weapon restrictions in Cascade Head - Lincoln City Area.

** See pages 98-100 for refuge and area regulations.
### DEER - CONTROLLED 100 SERIES HUNTS

**TAG SALE DEADLINE:** The day before the hunt begins.

**CONTROLLED HUNT APPLICATION PROCEDURES:** Please read pages 13-15.

**HUNTERS:** Please be sure you have access to a place to hunt before you apply for a tag. Always ask permission first to hunt on private lands, respect these properties and be sure to leave gates as you found them. Many units have road closures that will be in effect during hunting seasons. See pages 96-100 for road closure information.

**CONTROLLED DEER HUNTS:** You may submit only one application for the 100 series hunt numbers on pages 45-49. Successful applicants who purchase their controlled hunt tag may not purchase a general season deer tag. The W High Cascade (119A) or Hood-White Rvr (141A) centerfire firearm buck hunt and Trout Cr Mts Bow, tags allow hunting in general seasons as described in the hunt area descriptions of those hunts. Hunters should apply for more than one hunt choice. If your first choice hunt is cancelled, you will receive a postcard describing your hunt choice options. See page 15 for further information.

**NOTE:** The “2012 1st Choice Applicants” column is not influenced by preference points; it only indicates the number of first choice applicants for each hunt.

**REGULATIONS:** It is unlawful to hunt with a centerfire or muzzleloading rifle during eastern Oregon controlled buck deer centerfire firearm seasons without a valid deer tag for that time period and area. This does not include the Controlled W High Cascade or Hood-White Rvr buck deer centerfire firearm hunts that occur Sept. 7 - Sept. 15. See page 28 for exceptions. The Fish and Wildlife Commission will not set actual tag numbers for hunts listed here until June 2013. Tag numbers currently shown, for your reference, were those allocated for 2012 or estimated for new 2013 hunts. Actual tag numbers for 2013 may be higher or lower than those listed based on population conditions. **NOTE:** As a hunter it is your responsibility to ensure the hunts you apply for (all choices in all series) are hunts you want to participate in. It is your responsibility to monitor your preference points, tags allocated to specific hunts, odds of drawing a tag and to ensure the actual area you are interested in hunting is within the hunt boundary and is open for hunting access. ODFW strives to make all information available to all hunters and ODFW will not reissue preference points or change tags because the tag you drew is not the one you wanted or expected.

**HUNT AREA:** Entire wildlife management unit unless indicated by an asterisk (*). A map will be sent if indicated in hunt description by [MAP]. Landowner preference tags available, see page 19.

---

### SOUTHWEST AREA HUNTS

**NOTE:** White-tailed deer are protected in all units west of the eastern boundaries of Santiam, McKenzie, Indigo, Dixon and Rogue units, except for the Umpqua hunts (123A, 123R1) and North Bank Habitat hunts (123B, 123M2, 123R2, 623T1) listed on pages 45, 48, 49, and 59.

**NOTE:** White-tailed deer are protected in all units west of the eastern boundaries of Santiam, McKenzie, Indigo, Dixon and Rogue units, except for the Umpqua hunts (123A, 123R1) and North Bank Habitat hunts (123B, 123M2, 123R2, 623T1) listed on pages 45, 48, 549 and 59.

**"HUNT DESCRIPTIONS**

For those hunt descriptions with [MAP] following the description, maps can be found on our website at www.dfw.state.or.us/resources/hunting/big_game/units.

HUNT 119A: W High Cascade - 100% public lands. Successful applicants will receive one tag valid for both the W High Cascade hunt and Western Oregon General Deer Rifle season. Hunters who harvest a deer in the W High Cascade hunt may not hunt in the Western Oregon General Deer Rifle season. Approximately 1,900 sq mi HUNT AREA: Parts of units 16, 19, 21, 22, 30, 31 and 77 as follows: Within wilderness boundaries of Rogue-Umpqua Divide and Sky Lka Wilderness areas and beginning at Detroit; northeast on Breitenbush Rd 46 to FR 4660; east on 4660 to FR 4661; north and east on 4661 to FR 5732; north on FR 5732 to FR 5730; northwest on 5730 to FR 57; east on 57 to FR 58; north on FR 5850; north on FR 5850 to Linney Cr; north on Linney Cr to Salmon Rvr; northwest on Salmon Rvr to FR 2618; north on 2618 to Hwy 26; east and south on Hwy 26 to north boundary at Warm Springs Reservation; northwest on north reservation boundary through Bear Springs to Clear Lk Butte; west and south on the west boundary of the Confederated Tribes of the Warm Springs Reservation (CTWSRO) to the summit of Mt. Jefferson; south along the west CTWSRO boundary and the Cascade crest (Jefferson/Linn Co. line) to the junction of the “crest of the Cascades” with the Pacific Crest National Scenic Trail (PCT) in T11S RBE Sec 17; then south on the PCT to Hwy 20/126 at Santiam Pass; south on Pacific Crest Trail to Southern Pacific Railroad track north of Diamond Peak; southeast on Southern Pacific Railroad track to FR 60; southwest on 60 to Pacific Crest Trail at Windigo Pass; south on Pacific Crest Trail to the boundary of Mt Thielsen Wilderness near Tolo Mt; east and south on eastern wilderness boundary to Pacific Crest Trail near Summit Rock in S36, T28S, R5-1/2E; south on Pacific Crest Trail to Hwy 138; west and north on Hwy 138 to FR 60; northeast on 60 to FR 700; northwest on 700 to FR 770; north on 770 to FR 2154; east on 2154 to FR 362; north on 362 approximately 3/4 mi to FR 2153; north on 2153 to FR 21; west and north on 21 to FR 3; northwest on 23 to FR 5875; north on 5875 to Hwy 58; west on Hwy 58 to FR 5871; north on 5871 to FR 2408; northwest on 2408 to FR 24; east on 24 to FR 1934; north on 1934 to FR 19; east and north on 19 to FR 410; south on 410 to FR 2639; east on 2639 to FR 2638; north on 2638 to Hwy 126; south on Hwy 126 to FR 2640; north on 2640 to FR 15; north on 15 to Hwy 20; west on Hwy 20 to Sheep Cr Rd (FR 2047); north and east on 2047 to FR 2266; east on 2266 to Hwy 22; north and west on Hwy 22 to Detroit, the point of beginning. [MAP] The USFS requires a Wilderness Entry Permit for anyone entering the Three Sisters, Mt Jefferson and Mt Washington wilderness areas between Memorial Day and Oct. 31. These permits are free and can be obtained at some trailheads or from offices of the Willamette and Deschutes NFs. Contact the Willamette or Deschutes NF for more information.

Hunt 141A: Hood-White Rvr - 100% public lands. Successful applicants will receive one tag valid for both the Hood-White Rvr hunt and Western Oregon General Deer Rifle season. Hunters who harvest a deer in the Hood-White Rvr hunt may not hunt in the Western Oregon General Deer Centerfire Firearm season. HUNT AREA: All of units 41 and 42 within the Mt Hood Forest Boundary.

COLUMBIAN WHITE-TAILED DEER

Past, Present and Future

Columbian white-tailed deer were first described by early pioneers as a common animal throughout the valleys of western Oregon and Washington.

The Columbian white-tailed deer was first recognized as endangered in 1967 and listed under the Federal Endangered Species Act in 1973 and under the Oregon Endangered Species Act in 1987. Two populations remain; one in the Umpqua Basin near Roseburg and one along the lower Columbia River. Oregon populations recovered sufficiently since listing to be removed from the state Endangered Species list in 1995. Efforts by ODFW, other state and federal agencies, Douglas County and private landowners have led to the recovery of the Roseburg population of the Columbian white-tailed deer from the federal Endangered Species List. Management authority for this population has been moved from the federal government to Oregon Department of Fish and Wildlife and continues to be monitored after delisting.

There are no changes to regulations regarding protection of Columbian white-tailed deer at this time. In 2013, six (6) controlled hunts (2 rifle, 1 muzzleloader, 2 archery and 1 youth), which allow the taking of Columbian white-tailed deer will be offered in the Roseburg area. A very limited number of tags will be offered. White-tailed deer continue to be protected in all western Oregon except for the Umpqua controlled hunt numbers 123A, 123R1 and North Bank Habitat controlled hunt numbers 123B, 123M2, 123R2, 623T1.

Oregon Department of Fish and Wildlife continues to live trap and transplant Columbian white-tailed deer from Douglas County into parts of their historic range in unoccupied areas of Western Oregon. All of western Oregon will continue to be closed to hunting Columbian white-tailed deer, except in the controlled hunt areas near Roseburg. The department anticipates that additional hunting opportunity may be offered in future years if populations remain healthy and new populations are re-established in historic range. For additional information contact the ODFW Roseburg office at 541-440-3353.
CONTROLLED 100 SERIES DEER MUZZLELOADER FIREARM HUNTS

DETACH PAGE 6

TAG SALE DEADLINE: To avoid the fee, mandatory reporting is required. See page 6.

HUNT AREA: Entire wildlife management unit unless indicated by an asterisk (*). A map will be sent if indicated in hunt description by [MAP]. Landowner preference tags available, see page 19. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.

NOTE: White-tailed deer are protected in all units west of the eastern boundaries of Santiam, McKenzie, Indigo, Dixon and Rogue units, except for the Umpqua hunts (123A, 123R1) and North Bank Habitat hunts (123B, 123M2, 123R2, 623T1) listed on pages 45, 48, 49, and 59.

HUNT DESCRIPTIONS

For those hunt descriptions with [MAP] following the description, maps can be found on our website at www.dfw.state.or.us/resources/hunting/big_game/units.

HUNT 100M: N Muzzleloader - 40% public lands. All of units 15, 19 and 42: All of Unit 14 except Cascade Head - Lincoln City Area (Dunning Ranch) - 6,500 acres located approximately 8 mi northeast of Roseburg. [MAP]

HUNT 120M: S Indigo - 73% public lands. That part of Unit 21 south of the Willamette Rvr drainage north of the following line: beginning along the eastern edge of the Indigo Unit at the Pacific Crest Trail, south on the Pacific Crest Trail to Trail 3641, westerly on Trails 3641, 3643 and 1407 to FS Rd 770; westerly on FRs 770, 215H, 215G, 236, 436 to FR 3810; northwest on 3810 to junction of FR 3810 and 5851; north on 5851 to Trail 1407, north on 1407 to FR 5850, north and west on 5850 to 3-3-5-4; westerly along FRs 74B, 2213, 767, 2212 (Champion Saddle) and county Rd 2160 (Sharps Creek Rd) to BLM Rd 23-1-12; southwest on BLM Rds 23-1-12 and 23-1-13 to BLM Rd 23-3-5-4 (Big River Rd); northwest on BLM Rd 23-3-5-4 to the unit boundary at London Rd [Maps: USFS Umpqua NF, USFS-Umpqua NF Do Lake Ranger District Map].

HUNT 123M1: Melrose-N Sixes - 8% public lands. All of Unit 23 and that portion of Unit 25 north of the following line: From the mouth of Sixes Rvr upstream following Sixes Rvr and Middle Fork Sixes Rvr to NF boundary in Section 13, T32S, R13W; east and north along NF boundary to Salmon Cr; northeast on Salmon Cr to Powers Hwy. [MAP]

HUNT 123M2: N Bank Habitat - 100% public lands. No motorized vehicles allowed within the hunt area.

HUNT 123M3: Melrose-N Sixes - 8% public lands. All of Unit 25 south of the following line: From the mouth of Sixes Rvr upstream following Sixes Rvr and Middle Fork Sixes Rvr to NF boundary in Section 13, T32S, R13W; east and north along NF boundary to Salmon Cr; northeast on Salmon Cr to Powers Hwy. [MAP]

HUNT 123R1: Ditch Cr - 100% public lands. All public lands within Unit 48.

HUNT 123R2: Baker - 145% public lands. All of units 51, 62, 63 and 64.

HUNT 125M: Union Co - 50% public lands. All of Unit 52, and those parts of units 53, 54, 56 and 57 within Union Co, excluding Starkey Experimental Forest and Range fenced enclosure and a 1/4-mi buffer outside the exterior 8-ft. fence.

HUNT 156M: N Wenaha - E Sled Springs - 50% public lands. That part of Unit 56 beginning at Troy; southwest on Grande Ronde Rvr to Alder Cr; northwest on Alder Cr to FR 62; north on 62 to FR 6113; west on 6113 to FR 64; north on FR 64 to Oregon-Washington state line; east on state line to Grande Ronde Rvr; southwest on Grande Ronde Rvr to Troy; and that portion of the Unit 57 east of the Wallowa Rvr from the Minam bridge to Roseburg and east and south of Unit 57 boundary downstream along the Grande Ronde Rvr to the Oregon-Washington state line.

HUNT 168M: NE Whitehorse - 95% public lands. That part of Unit 68 north and east of the mainstem Owyhee Rvr.

HUNT 170M: Hart Mt - 98% public lands. Posted parts of units 70 and 71 within Hart Mt NAR. Notice: Within the refuge boundary are scattered private inholdings; landowner permission is required to hunt these inholdings. Please be advised that refuge staff conduct prescribed fires for improvement of wildlife habitat Aug. 1-Nov. 15. Every effort will be made to minimize impacts to hunts from burning. Check at Hart Mt. NAR headquarters for further information (541-947-2831).

HUNT 171M: Juniper - 90% public lands. That part of Unit 71 beginning at junction of State Hwy 205 and Rock Cr Ln - Co Rd #412 (Hart Mt Rd); west on Rock Cr Ln to Riecken Corner; north on the Rd from Riecken Corner to Foster Flat Rd; west on Foster Flat Rd to Muncy Lk Rd; north on Muncy Lk Rd to Buzzard Cr; down Buzzard Cr to Iron Mt Rd; east on Iron Mt Rd to Double O Rd; east on Double O Rd to State Hwy 205; south on Hwy 205 to point of beginning. Excluding Malheur NWR lands north of Foster Flat Rd, the Oregon State Park adjacent to Frenchglen and a 120-acre BLM shooting closure surrounding the Frenchglen community. [MAP]

HUNT 176M: Silver Lake - E Fort Rock - 66% public lands. All of Unit 76 and that part of Unit 77 east of US Hwy 97.

Oregon Department of Fish and Wildlife
CONTROLLED 100 SERIES DEER BOW HUNTS

NOTE: Successful applicants for 123R1, 123R2, 136R, 168R1, 169R, 174R1 and 174R2 will receive one tag valid for the controlled hunt and general deer bow season. You may harvest only one deer. Tags must be purchased or redeemed by the day before the earliest hunt begins.

NOTE: Do not purchase a general season deer bow tag if applying for a 100 series controlled hunt.

HUNT 131R: Keno Unit Bow - 41% public lands. All of Unit 31. This tag is NOT valid for the General Deer Bowhunting Season. This would be your only archery season deer opportunity.

HUNT 165R: W Beulah - 80% public lands. That part of Unit 65 west of the following line: Beginning at the junction of Hwy 20 and N Fork of Malheur Rvr at Juntura; north on N Fork Malheur Rvr to Little Malheur Rvr; then northerly on Little Malheur Rvr to FR 16; north and east on 16 to Hwy 26 east of Unity. This tag is NOT valid for the General Deer Bowhunting Season. This would be your only archery season deer opportunity.

HUNT 168R1: Trout Cr Mts Traditional - 95% public lands. That part of Unit 68 south of the mainstem of the Owyhee River and east of Hwy 95. This tag is NOT valid for the General Deer Bowhunting Season. This would be your only archery season deer opportunity.

HUNT 168R2: SE Whitehorse - 95% public lands. That part of Unit 68 south of Whitehorse Ranch Rd and west of US Hwy 95. Restricted to long bows and recurve bows ONLY. Compound bows prohibited. [MAP]

This would be your only archery season deer opportunity.

HUNT 169R: Steens Mt. - 80% public lands. All of Unit 69 excluding Malheur NWR and a 40-acre BLM shooting closure adjacent to the community of Frenchglen.

HUNTS 170R1, 170R2, and 170R3: Hart Mt - 98% public lands.Posted parts of units 70 and 71 within Hart Mt NAR. Every effort will be made to minimize impacts to hunts from burning. Check at Hart Mt, NAR headquarters for further information (541-947-2831). Within the refuge boundary are scattered private holdings; landowner permission is required to hunt these private holdings. These tags are NOT valid for the General Deer Bowhunting Season. This would be your only archery season deer opportunity.

HUNT 174R1: N Warner Bow - 60% public land. That part of Unit 74 north of State Hwy 140.

HUNT 174R2: S Warner Bow - 35% public land. That part of Unit 74 south of State Hwy 140.

CONSULT HUNT TABLES FOR HUNTS SCHEDULED DURING ARCHERY SEASONS.
White-tailed deer are protected in all units west of the eastern boundaries of Santiam, McKenzie, Indigo, Dixon and Rogue units.

**NOTE:**

Controlled deer bowhunting only.

See page 49 for controlled hunt information in Maury, Steens Mt. and Warner Units.

See page 51 for restrictions in Mt. Emily, Sled Springs, Chenahts, Chiloqu, Wallowa, and Wenaha Units.

**AVOID THE FEE**

Mandatory reporting required see page 6.

**EASTERN OREGON:**

Aug. 24 - Sept. 22. (Traditional bows only in the Canyon Cr area of Unit 46 between Aug. 24 - Aug. 30)

**WESTERN OREGON:**

Aug. 24 - Sept. 22. All units west of the eastern boundary of Dixon, Indigo, McKenzie, Santiam and Rogue units.

Welcome to Tough...

Gorilla Products Promise:
- Incredible Strength
- Maximum Performance

Made in USA

Wood Glue Just Got Tougher

Boat in a Box:
The whole boat fits inside itself, as a box, for easy transport.

Most functional: holds up to 8 people sitting on soft padded seats around the edge, leaving more room inside. All of your gear fits under the seats in the pontoons.

Most transportable: this boat will ride on a hitch carrier. It will also fit inside the back of a Suburban with the 3rd row seat removed. Using one compartment, a complete boat can be taken anywhere on an ATV. This includes the motor, battery, life jackets, etc. all contained inside the “box”.

Most storable: with everything you need for boating, all inside a 3 x 4 x 3 box, this solves one of the biggest problems of owning a boat; where do you put it when you aren’t using it?

Learn more about the Transporter, the absolute best choice for a 6 to 8 person fishing, hunting, and family adventure boat, at:

  To help you get more miles out of your tires and more miles per gallon of gas

**CALL NOW 1 - 800 - 296 - 6402**
**DEER - CONTROLLED 600 SERIES DEER HUNTS**

**TAG SALE DEADLINE** is day before the hunt begins. For hunts with more than one hunt period, the tag sale deadline is the day before the earliest opening date. If winter weather conditions continue to be favorable, it may lead to deer populations exceeding population management objectives in many units. In that case, biologists will recommend antlerless deer hunts where deer exceed the ecological and/or social carrying capacity of a unit. Antlerless deer hunting is an important management tool to keep populations and their habitats healthy. Unanticipated hunts in response to populations exceeding objective will be publicly announced by Apr. 15. All such hunts will have a unique hunt number and will be available for the big game drawing if approved by the Oregon Fish and Wildlife Commission. Most of the antlerless deer hunts recommended for eastern Oregon are in response to specific animal damage situations.

**CONTROLLED HUNT APPLICATION PROCEDURES:** Please read pages 13-15. All antlerless deer hunts are controlled hunts where the number of hunters is limited and tags are awarded through a public drawing. Hunters should apply for more than one hunt choice. If your first choice hunt is cancelled, you will receive a postcard describing your hunt choice options. See page 15 for further information.

**YOUTH CONTROLLED HUNTS FOR DEER:** Controlled deer hunts for youth are listed on page 59.

**CAUTION TO HUNTERS:** Obtaining a tag does not guarantee a place to hunt! Some hunts in these regulations are composed mostly or entirely of private lands and are printed in red. ODFW tries to design hunts to provide public access; however, in some areas this is not possible. It is the hunter’s responsibility to obtain access to hunt on private property. In areas with high percentages of private land, please make sure you have a place to hunt before you apply for a tag.

**NOTE:** The “2012 1st Choice Applicants” column is not influenced by preference points; it only indicates the number of first choice applicants for each hunt.

**TAGS:** The Fish and Wildlife Commission will not set actual tag numbers for hunts listed here until June 2013. Tag numbers currently shown, for your reference, were those allocated for 2012 or estimated for new 2013 hunts. Actual tag numbers for 2013 may be higher or lower than those listed based on population conditions.

**HUNT AREA:** Entire wildlife management unit unless indicated by an asterisk(*). A map will be sent if indicated in hunt description by [MAP]. Landowner preference tags available, see page 19. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.

HUNT 614: Trask Unit - 42% public lands. All of Unit 14. There are specific weapon restrictions in the Cascade Head - Lincoln City area of the Trask Unit. See page 98.

HUNT 616A1: NW Santiam - 22% public lands. That part of Unit 16 outside of the western exterior boundary of the Mt. Hood NF and Willamette NF beginning at the junction of Hwy 22 and Hwy 226; west on Hwy 22 to Cascade Hwy; north on Cascade Hwy to State Hwy 213 at Silverton; northeast on Hwy 213 to North to Hwy 211; northeast on Hwy 211 to Hwy 26 at Sandy; east on Hwy 26 to Teneyeck Rd; north on Teneyeck Rd to Sandy River; northwest down Sandy River to I-84; northeast on I-84 to Benson State Park and Mt. Hood NF boundary; south along the western exterior boundary of the Mt. Hood NF. That part of Willamette NF Park to Hwy 22; west on Hwy 22 to Hwy 226; point of beginning. [MAP]

HUNT 616A2: SW Santiam - 30% public lands. That part of Unit 16 beginning at Lebanon, north on Brewster Rd to Lacom Rd; east on Lacom Rd to Kowitz Rd; north on Kowitz Rd to Baptist Church Dr; west on Baptist Church Dr to Richardson Gap Rd; north on Richardson Gap Rd to State Hwy 226; northeast on Hwy 226 to State Hwy 22; east on Hwy 22 to the western exterior boundary of the Willamette NF; south along the western exterior boundary of the Willamette NF to State Hwy 20; west on Hwy 20 to Lebanon, point of beginning.

HUNT 617: Stott Mt Unit - 22% public lands. All of Unit 17. Note: Regulation on weapons in a part of Stott Mt Unit listed on page 98 under Units 14 and 17.

HUNT 619: W McKenzie - 5% public lands. All of Unit 19 excluding Willamette NF lands.

HUNT 619A: Mill Cr - 13% public lands. That part of Unit 19 beginning at Springfield; northeast on Mohawk Rvr Rd (Co Rd 19) to BLM Rd 15-1-9; east on 15-1-9, Rd 107, and Rd 100 to the Mohawk 3000 Rd; south on Rd 3000 to the Mohawk Mainline Rd; east on the Mohawk Mainline Rd and Rd 4000 to the Gap Creek 100 Rd; east then south on Rd 100 to the Gap Creek Mainline Rd, south on the Gap Creek Mainline Rd to Hwy 126; west on Hwy 126 to Springfield, point of beginning. [MAP]

HUNT 620A: N Siuslaw - 60% public lands. That part of Unit 20 in Lane Co.

HUNT 620B: S Siuslaw - 40% public lands. That part of Unit 20 in Douglas Co.

HUNT 620C: Camas Swale - 7% public lands. 255 sq mi. That part of Unit 20 east of Territorial Hwy. [MAP]

HUNT 621A: Dorena - 23% public lands. 415 sq mi in northwestern corner of Unit 21 beginning at Cottage Grove; north on I-5 to State Hwy 58; southeast on Hwy 58 to Willamette NF boundary; west then south on Forest boundary to BLM Rd 23-1-13; west on 23-1-13 to 23-3-5.4 (Big Rvr Rd); northwest on Big Rvr Rd, London Rd, and S 6th St to I-5; north on I-5 to Cottage Grove, point of beginning. [MAP]

HUNT 621B: Calapooya - 15% public lands. Those parts of units 21 and 23 beginning at Roseburg; north on I-5 to Coast Fork Willamette Rvr Rd; south on Coast Fork Rd to Big Rvr Rd 23-3-5.4; southeast on 23-3-5.4 to Rock Cr Rd 26-3-1; southwest on 26-3-1 to Hwy 138; west on Hwy 138 to Roseburg, point of beginning. [MAP]

HUNT 622A: W Dixon - 44% public lands. That part of Unit 22 beginning at Dixonville; north on Hwy 138 to FR 27 (Little Rvr Rd); east on 27 to FR 2719 (Black Cr Rd); south on 2719 to FR 28; southwest on 28 to Co Rd I at Tiller; west on I to the Dixonville-Nickel Mt powerline at Days Cr; north on powerline to Dixonville, point of beginning. [MAP]

HUNT 623A: Central Melrose - 2% public lands. All of Unit 23 excluding those portions described as follows: Northwest portion bounded by I-5 and Hwy 138 and southwest portion bounded by I-5 and Hwy 12.

HUNTS 623B1, 623B2, and 623B3: N Bank Habitat Mgt Area - 100% public lands. No motorized vehicles allowed within the hunt area. N Bank Habitat Mgt Area (Dunning Ranch) - 6,500 acres located approximately 8 mi northeast of Roseburg. Open Area: BLM lands located in T22S, R5W, sections 35 and 36; T26S, R5W, sections 1, 2, 11, 12, 13, 14; T25S, R4W, sections 31, 32, 33; T26S, R4W, sections 4, 5, 6, 7, 8, 18. These hunts are exclusively for Master Hunters and requires collecting biological samples from deer. [MAP]

HUNT 624A: Tioga - 40% public lands. All of Unit 24 excluding the following: Beginning at confluence of Millicoma and Coos rvs; northeast on Millicoma Rvr to Glenn Cr; northeast on Glenn Cr to south boundary of T23S; east on south boundary of T23S to northeast corner of Section 5, T23E, R2W; south on that section line 2 mi to Old Blue Access Rd; south on Old Blue Access Rd, Bateman Access Rd, Weyco 8420, 8800 and 8500 spurs and Reston Rim Rd to south boundary of T27S; west on T27S boundary to southwest corner of T27S, R8W; north on west boundary of R8W to Williams Rvr; northwest on Williams Rvr to S Fork Coos Rvr; northwest on S Fork Coos Rvr to point of beginning. [MAP]

HUNT 624B: E Tioga - 30% public lands. That part of Unit 24 east of the following line; Beginning at Hwy 42 and BLM Rd 29-9-36.0 (Signal Tree Rd) near Camas Valley; west then north on 29-9-36.0 to BLM Rd 28-9-35.0; north on 28-9-35.0 to BLM Rd 28-8-18.0 to Douglas Co Rd 112; east on 112 to BLM Rd 28-8-16.0; northwest on 28-8-16.0 to BLM Rd 28-8-9.1; northeast on 28-8-9.1 to BLM Rd 27-7-4.0; north on 27-7-4.0 to BLM Rd 26-7-33.0; north on 26-7-33.0 to BLM Rd 25-7-29.1; north on 25-7-29.1 to BLM Rd 25-7-29.0; north on 25-7-29.0 to Douglas Co Rd 6 (Hubbard Cr Rd); north on 6 to Unit 23 boundary (Umpqua Rvr). Part of Unit 24 that includes the east and north flowing tributaries of Umpqua Rvr from Basin to Lutsinger Cr. [MAP]

HUNT 628A: W Applegate - 57% public lands. 590 sq mi. That part of Unit 28 west of the Jackson-Josephine Co line.

HUNT 638A: Lower Willow Cr Agri - 14% public lands. That part of Unit 38; Beginning at confluence of Deschutes Rvr and Trout Cr; east on Trout Cr to Hwy 97; south on Hwy 97 to Dogwood Rd; east on Dogwood Rd to powerlines; south on powerlines to Willow Cr; south on Willow Cr to powerlines; west on powerlines to CRNG’s west boundary; south on west boundary to BOR’s north boundary at Haystack Reservoir; west on BOR boundary to Jericho Ln; west on Jericho Ln to Hwy 97; south on Hwy 97 to Norris Rd; east on Norris Rd to CRNG’s west boundary; south on CRNG’s boundary to the Crooked Rvr; south on the Crooked Rvr to Smith Rock State Park; south and east on State Park boundary to Deschutes Co boundary; north on Co boundary to CRNG; east and north on CRNG boundary to Hwy 26; south on Hwy 26 to Elliot Rd; west and south on Elliot Rd to O’Neil Hwy; west on O’Neil Hwy to Hwy 97; south on Hwy 97 to Hwy 126; west on Hwy 126 to Deschutes Rvr; north on Deschutes Rvr to Trout Cr, point of beginning. [MAP]

HUNT 641A: The Dalles Orchard - 0% public land. Shotgun or muzzleloader ONLY. That part of Unit 41 within 1 mi of commercial orchards beginning at The Dalles south on Hwy 197 to south boundary of section 32 (T1N, R13E); west on section lines 9.5 mi; north on section lines 3.75 mi to Browns Cr Rd; northeast on Browns Cr Rd to intersection with Chenowith Rd; northeast on Chenowith Rd and follow Chenowith Creek to its intersection with I-84; east on I-84 to intersection of Hwy 197, point of beginning. [MAP]

HUNT 642A: Hood Unit-Hood Rvr Valley - 50% public lands. All of Unit 42 and that portion of Unit 41 west of a line beginning at the intersection of Hwy 35 and I-84; east on I-84 to the Hood Rvr/Wasco Co line; south on the Hood Rvr/Wasco Co line to Eldor Rd; east on Eldor Rd to Husky Rd; south on Husky Rd to Fir Mt Rd; south on Fir Mt Rd to USFS Rd 17 at Long Prairie; south on USFS Rd 17 to Shellrock Mt; west along the section lines to their intersection with Hwy 35.
HUNT 643A: E Biggs - 15% public lands. That part of Unit 43 east of John Day Rvr.

HUNT 643B: W Biggs - 15% public lands. That part of Unit 43 west of John Day Rvr.

HUNTS 644A1, 644A2, and 644A3: Umatilla NWR - 100% public lands. Shotgun or muzzleloader ONLY. That part of Umatilla NWR in Morrow Co. Note: only a portion of the refuge will be available for hunting as selected by Umatilla NWR personnel. Hunters should contact Umatilla NWR for hunt area description. [MAP]

HUNT 644C: S Columbia Basin - 2% public lands. That part of Unit 44 south of I-84.

HUNT 645A: N Fossil Hunt - 10% public lands. That part of Unit 45 north of State Hwy 19.

HUNT 647A: John Day Valley - 5% public lands. Those parts of units 37, 46 and 47 within 1 mi on either side of Hwy 26 from Picture Gorge east to the intersection of Dog Cr Rd and Hwy 26 and within 1 mi on either side of Hwy 395 north of Hwy 26 to Little Beech Cr.

HUNT 647B: Middle Fork John Day - 72% public lands. Those parts of units 47 and 50 within 1 mi on either side of Grant Co Rd 20 from the junction of Hwy 7 west to the FS boundary. [MAP]

HUNT 648A: Hepner Private - 0% public lands. All private lands in Unit 48 north and west of N Fork John Day Rvr.

HUNTS 649A1 and 649A2: N Ukiah - 0% public lands. That part of Unit 49 outside the exterior boundary of the NF and north of Hwy 244. [MAP]

HUNTS 649B: W Blue Mts - 0% public lands. Archery or muzzleloader ONLY. Those parts of units 44, 49 and 55 outside the exterior boundary of the NF, that part of Unit 54 north and west of FR 31 which is outside the exterior boundary of the NF and that part of units 45 and 48 north of FR’s 53 and 21 outside the exterior boundary of the NF.

HUNT 651A: Sumpter-Unity Agri - 5% public lands. On or within 1 mi of agricultural lands in Unit 51; that part of Unit 65 within 6 mi of Unity outside the exterior boundary of the NF. Agricultural lands are described on definitions page.

HUNT 653A: Union Co Agri - 5% public lands. Those parts of units 52, 53, 54, 55, and 57 on or within 1 mi of agricultural lands in Union Co, excluding Elkhorn Wildlife Area. Agricultural lands are described on definitions page.

HUNT 654A: Rawhide - 0% public lands. That part of Unit 54 north of the Umatilla Rvr and west of the eastern boundary of R35E (Longitude W 118° 22’) outside of the exterior boundary of the Umatilla Indian Reservation. [MAP]

HUNT 655A: Orchards - 0% public lands. That part of Unit 55 outside the exterior boundary of Umatilla NF.

HUNTS 655B1 and 655B2: Walla Walla - 0% public lands. That part of Unit 55 of the eastern boundary of R36E (Longitude W 118° 4’). [MAP]

HUNTS 657A1 and 657A2: Flora - 0% public lands. That part of Unit 57 beginning at the intersection of Joseph Cr and the Oregon-Washington state line; south on Joseph Cr to Wallowa-Whitman Forest Boundary; west along the south edge of Township 5 North to Courtney Cr; west and northwest on Courtney Cr to the Grande Ronde Rvr; northeast on the Grande Ronde Rvr to Oregon-Washington state line; east on state line to Joseph Cr, point of beginning. [MAP]

HUNTS 657B1 and 657B2: N Wallowa Valley - 0% public lands. That part of Unit 57 beginning at Enterprise, north on Hwy 3 to Leap Ln; northwest on Leap to Gaston Rd; west on Gaston Rd to south fork of Whiskey Cr in Section 11; northwest on south fork of Whiskey Cr to Whiskey Cr Rd; west on Whiskey Cr Rd to west section boundary of Section 4; north on section line to Bear Wallow Rd; west on Bear Wallow Rd to Powwatka Rd; north on Powwatka Rd to Dry Cr; southwest on Dry Cr to Promise Rd; south on Promise Rd to Hwy 82; southeast on Hwy 82 to Enterprise, point of beginning. [MAP]

HUNT 657 C: Upper Swamp Cr - 0% public lands. That part of Unit 57 beginning at Enterprise; north on Hwy 3 to Co Rd 646 (Swamp Cr Ln); southeast on Swamp Cr Ln to Co Rd 797 (Elk Mt Rd); northeast on Elk Mt Rd to Crow Cr Rd; south and west on Crow Cr Rd to Hwy 82; northwest on Hwy 82 to Enterprise, point of beginning. [MAP]

HUNTS 660A1, 660A2, and 660A3: Upper Wallowa Valley - 0% public lands. Hunting with Centerfire Rifles Prohibited. Those parts of units 58, 60 and 61 beginning at Enterprise; south on Hwy 82 to Crow Cr Rd; east on Crow Cr Rd to Klages Rd; south on Klages Rd to Liberty Rd; south on Liberty Rd to Little Sheep Hwy; east on Little Sheep Hwy to Tucker Down Rd; south on Tucker Down Rd to Kinney Lk Rd; east on Kinney Lk Rd to Kinney Lk; south, then west on big game fence to its end above Wallowa Lk; from end of game fence directly west to Hwy 82; north on Hwy 82 to Ski Run Rd; south on Ski Run Rd to Moonshine Ditch; west on Moonshine Ditch to Hurricane Cr; across Hurricane Cr to Upper Alder Slope Ditch; northwest on Upper Alder Slope Ditch to Black Marble Lk; west on Black Marble Lk to Lime Quarry Rd; north on Lime Quarry Rd to upper Alder Slope Ditch; northwest on Alder Slope Ditch to Bennett Gulch; north on Bennett Gulch to Hwy 82; east on Hwy 82 to Enterprise; point of beginning. [MAP]

HUNT 660B: Lostine-Allen Canyon -0% public lands. That part of Unit 60 beginning at Wallowa, southeast on Hwy 82 to Sunrise Rd; south on Sunrise Rd to PPL powerhouse; west on PPL powerhouse to Sasser Landing Strip Rd; generally west on Sasser Landing Strip Rd to Bear Cr; north on Bear Cr to Diamond Prairie Ditch to Union Pacific Railroad; northwest on Union Pacific Railroad to mouth of Rock Cr on Wallowa Rvr; west up Rock Cr to Hwy 82; southeast on Hwy 82 to Wallowa, point of beginning. [MAP]

HUNT 663A: Kenning Agri - 5% public lands. On or within 1 mi of agricultural lands in Unit 63. Agricultural lands are described on definitions page.

HUNT 665A: Vale Bench - 25% public lands. No centerfire rifles are allowed for hunting on private land unless permission is obtained from landowner. Beginning at Vale, northwest on Hwy 26 to 6th Ave West; due west from this point approximately 8 mi to the northwest corner of section 28 (near Hope Butte); due south from this point approximately 13 mi to Hwy 20; east and north on Hwy 20 to Vale, point of beginning. [MAP]

HUNT 665B: Vale-Ontario Agri - 25% public lands. No centerfire rifles are allowed for hunting on private land unless permission is obtained from landowner. Beginning at Vale; east then south on Hwy 20/26 to Snake Rvr at Nyssa; north on Snake Rvr to I-84; northwest on I-84 to S Fork Jacobsen Gulch Rd; west on S Fork Jacobsen Gulch Rd to Alkali Flats Rd; west and south on Alkali Flats Rd to 5th Ave East; west on 5th Ave East to Hwy 26, south on Hwy 26 to Vale, point of beginning. [MAP]

HUNT 665C: Moores Hollow-Porter Flat - 10% public lands. No centerfire rifles are allowed for hunting on private land unless permission is obtained from the landowner. That part of Unit 65 north and east of I-84. [MAP]

HUNT 665D: Willow Cr Agri - 5% public lands. No centerfire rifles are allowed for hunting on private land unless permission is obtained from landowner. Approximately 75 sq mi in the vicinity of Willow Cr and Jamieson, northwest of Vale in Malheur Co: Starting at the intersection of State Hwy 26 and 6th Ave. W., northwest of Vale, proceed west along 6th Ave. W. to its end; continue directly west about 4.5 mi to Hope Flat - Gum Cr Rd; northwest on the Hope Flat - Gum Cr Rd approximately 1 mi to its intersection with the Gum Cr/14th Ave W Rd; east along the Gum Cr/14th Ave W Rd to the intersection with State Hwy 26 and N Rd K; north on N Rd K to a point which is 1 mi northeast of the Willow Cr drainage, southeast and parallel to Willow Cr for approximately 14 mi to 5th Ave E; west on 5th Ave E to Hwy 26, northwest on Hwy 26 to 6th Ave W, point of beginning [MAP].
HUNT 667A: Mitchell Butte - 26% public lands. No centerfire rifles are allowed for hunting on private land unless permission is obtained from landowner. That part of Unit 67 beginning at Hwy 201 and Oregon-Idaho state line; south on the Oregon-Idaho state line to the Pacific Power and Light (PP&L) transmission line; northwest along the PP&L transmission line to the Succor Cr Rd; north on the Succor Cr Rd to Hwy 201; northwest on Hwy 201 to junction with Woodbridge Rd; west on Woodbridge Rd 3 1/4 mi to southwest corner Section 17 (T22S, R46E); north on section lines 5 mi; west on section lines 4 mi; north at this point 9 mi on section lines; east at this point on section lines 4 1/2 mi to Enterprise Ave; continue east on Enterprise Ave, past Hwy 201 to Snake Rvr; south on Snake Rvr and Oregon-Idaho border to Hwy 201, point of beginning. [MAP]

HUNT 667B: NE Owyhee - 27% public lands. No centerfire rifles are allowed for hunting on private land unless permission is obtained from landowner. That part of Unit 67 beginning at Hwy 201; east on US Hwy 20 to Hwy 201; south on Hwy 201 to Enterprise Ave; west on Enterprise Ave to Lytle Blvd; northwest on Lytle Blvd to Sandhollow Rd; southwest to Sandhollow Rd to the JH irrigation canal; west (upstream) on JH canal to Hwy 20 at MP 236; east on Hwy 20 to Vale, point of beginning. [MAP]

HUNT 679A: Harney Bosin Agri - 45% public lands. Parts of units 66, 69 and 71 as follows: That part of Unit 66 south of US Hwy 20 and west of Crane-Buchanan Rd. In Unit 69, that part north of the following line: Beginning at Hwy 78 near Princeton; south on Lava Bed Rd (Co Rd 409); west on Diamond Ln to Hwy 205. In Unit 71, that part north of the following line: Beginning on US Hwy 395 near MP 17; east on Iron Mt Rd to Double O Rd; east on Double O Rd to State Hwy 205. Including Malheur NWR. [MAP]

WALLOWA COUNTY IS A HAY QUARANTINE AREA

Wallowa Co passed an ordinance in 1989 making all of the county a Hay Quarantine Area. In 2010, this Weed Ordinance (2010-001) was revised and made more restrictive. While the 1989 ordinance made it unlawful to transport into Wallowa County for use on public lands any hay, straw, or grass (whether baled, chopped, or cubed) which is not certified as weed-free. It is now also unlawful to transport uncertified hay, straw, or grass (whether baled, chopped, or cubed) onto private lands, except if you have permission from the landowner; furthermore, it is now unlawful to transport uncertified hay, straw, or grass (whether baled, chopped, or cubed) onto private land without the permission of the landowner, you could be cited for it, no matter where you acquired it. To be legal, feed must meet the certification requirements of the North American Weed Management Association (NAWMA).

The reasons for this ordinance are: noxious weeds are being introduced to big game and livestock ranges; farmers, the county, ODFW, and other landowners area spending thousands of dollars for weed control/ an effort is being made to reduce chemical use; and weeds have destroyed major wildlife habitat areas in surrounding states and counties.

Hay pellets are an excellent feed for horses, easily packed, and lawful to use because weed seed is sterilized in the pelleting process. Horse owners are urged to use pellets when possible.

Wallowa Co is asking all hunters, campers, and landowners to cooperated in this effort. Hay will be available at the Hay Station in Minam, at Wallowa, Enterprise, and Joseph. The Hay Station will be open three days prior to the Controlled Buck Deer, Second Season Bull Elk, and Controlled Antlerless Elk seasons and four days prior to the First Bull Elk season. For more information call the Wallowa Co Vegetation Manager 541-426-4978; Wallowa Co Extension 541-426-3143; or the Wallowa Mt Visitor Center 541-426-4978.

Certified Weed Free Straw & Forage is Required for all National Forest Lands

Or Contact Your County Weed Superintendent
YOUTH - CONTROLLED DEER HUNTS

TAG SALE DEADLINE is day before the hunt begins. For hunts with more than one hunt period, the tag sale deadline is day before the earliest opening date. The deer hunts listed below and elk hunts listed on page 77, are part of a program to encourage youth participation in big game hunting.

CONTROLLED HUNT Application procedures: Please read pages 13-15. Hunters should apply for more than one hunt choice. If your first choice hunt is cancelled, you will receive a postcard describing your hunt choice options. See page 15 for further information.

These hunts are designed to provide young hunters with a safe, well-supervised, low-stress setting where they can enjoy the hunt while building fundamental skills. Youths must be accompanied by an adult at least 21 years of age. Adults may not accompany more than two youths.

To apply, hunters must be 12-17 years old at the time they hunt, have completed a hunter education class by the time they hunt (see page 85 for Hunter Education Requirement) and possess a hunting license. Youth selected for these hunts will be provided with additional information and recommendations about preparing for the hunt. See pages 13-15 for application procedures. Hunters should apply for more than one hunt area. USE COMPLETE HUNT NUMBER WHEN APPLYING.

HUNT AREA: Entire wildlife management unit unless indicated by an asterisk (*). A map will be sent if indicated in hunt description by [MAP]. Landowner preference tags available, see page 19. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.

NOTE: White-tailed deer are protected in all units west of the eastern boundaries of Santiam, McKenzie, Indigo, Dixon and Rogue units, except for the Umpqua hunts (123A, 123R1) and North Bank Habitat hunts (123B, 123M2, 123R2, 623T1) listed on pages 45, 48, 49, and 59.

*HUNT DESCRIPTIONS

For those hunt descriptions with [MAP], following the description, maps can be found on our website at www.dfw.state.or.us/resources/hunting/big_game/units.
HUNT 610T:  Trask Unit - All of Unit 14.  
There are specific weapon restrictions in the Cascade Head - Lincoln City area of the Trask Unit. See page 98.

HUNT 616T:  SW Santiam - 30% public lands.  That part of Unit 16 beginning at Lebanon; north on 229 Brewer Rd to Lacombe Rd; east on Lacombe Rd to Kowitz Rd; north on Kowitz Rd to Baptist Church Dr; west on Baptist Church Dr to Richardson Gap Rd; north on Richardson Gap Rd to State Hwy 226; northeast on Hwy 226 to State Hwy 22; east on Hwy 22 to the western exterior boundary of the Willamette NF; south along the western exterior boundary of the Willamette NF to Hwy 20; west on Hwy 20 to Lebanon, point of beginning.  [MAP]

HUNT 617T:  Stott Mt. Unit - All of Unit 17.  
There are specific weapon restrictions in the Cascade Head - Lincoln City area of the Stott Mt Unit. See page 98.

HUNT 620T:  N. Siuslaw - 60% public lands.  That part of Unit 20 in Lane County.

HUNT 620T:  Territorial - 100% private lands.  6.9 sq. mi in Unit 20 two mi west of Curtin.  Giustina Resources and Seneca Jones Timber Co lands located within T21S, RSW, Sections 2, 11, 12, 13, 14, 23, 24, 25 and 26.  Youth's and accompanying adult's must register with the landowner, agree to the conditions of access and check in and out daily with security.  [MAP]

HUNT 621T:  N Indigo - 65% public lands.  1,055 sq. mi. in that part of Unit 21 in the Willamette Rvr drainage (includes Middle Fork Willamette Rvr, Brice Cr, Sharps Cr, Mosby Cr, Big Rvr, Little Rvr and Lost Cr).  [MAP]

HUNTS 623T1 and 623T2:  N Bank Habitat Mgt Area - 100% public lands.  
IMPORTANT NOTICE: Youth hunters participating in these hunts and adults accompanying them are required to review a video prior to hunting.  Please call the ODFW Roseburg office at 541-440-3353 to make arrangements to obtain the video.  The video can also be reviewed online at www.ODFW.state.or.us/news/video_gallery/north_bank_HMA_2.asp.  Hunters are required to collect biological samples from deer.  No motorized vehicles allowed within the hunt area.

OPEN AREA: The N Bank Habitat Mgt Area (Dunning Ranch) - 6,500 acres located approximately 8 mi northeast of Roseburg.  All BLM lands located in T25S, RSW, sections 35 and 36; T26S, RSW, sections 1, 2, 11-14; T25S, RHW, sections 31-33; and T26S, RHW, sections 4-8, 18.  [MAP]

HUNT 623T3:  Melrose - That part of Unit 23, excluding the BLM N Bank Habitat Mgt Area.

HUNT 625T:  N Sixes - 8% public lands.  That part of Unit 25 north of the following line: From the mouth of Sixes Rvr upstream following Sixes Rvr and Middle Fork Sixes Rvr to NF boundary in Section 13, T32S, R13W; east and north on NF boundary to Salmon Cr; northeast on Salmon Cr to Powers Hvy.  Note: The majority of deer during this hunt are concentrated on private lands.  Do not apply unless you have access to a place to hunt.

HUNT 632T:  Moyina Hill - 100% private lands.  7.7 sq. mi. in Unit 32.  10 mi east of Klamath Falls.  BAR CL, Inc. lands located in T39 - R10 Sec 2, 3, 10, 15; and T38 - R10 Sec 15, 21, 22, 23, 26, 27, 28, 33, 34, and 35.  Youth's and accompanying adults will be required to attend an orientation with the landowner or their agent.  [MAP]

HUNT 640T:  Mid-Columbia Private - Private lands within units 40, 41, 42 and that part of Unit 43 west of the John Day Rvr.  

HUNT 641T:  Umatilla NWR - 100% public lands.  Shotgun and muzzleloader only.  That part of the Umatilla NWR located in Morrow Co.  Note: only a portion of the refuge will be available for hunting as selected by Umatilla NWR personnel.  Hunters should contact Umatilla NWR for hunt area description.

HUNT 642T:  Umatilla Co. Private - 0% public lands.  All of Umatilla Co outside the exterior boundaries of the NF.

HUNT 648T:  Morrow Co - 0% public lands.  Those parts of units 48 and 44 in Morrow Co.  This hunt is on private lands only.  You must obtain permission before entering any private property.  If you already have permission from a landowner within the open area, you may hunt there.  If you are not familiar with the area and/or the landowners, you may contact the Heppner District Office at 541-676-9250.

HUNT 651T1:  Baker No. 1 - Private lands within units 51 and 63.

HUNT 651T2:  Baker No. 2 - Private lands within units 51, 62, and 63.

HUNTS 652T1 and 652T2:  Ladd Marsh - 100% public lands.  The Ladd Marsh WA excluding safety zones and refuge areas.  Special Restrictions: HUNT 652T1; archery equipment only, HUNT 652T2; shotguns and muzzleloading rifles only.  You may contact Ladd Marsh office for details at 541-963-4959.

HUNT 665T:  Malheur Co - 5% public lands.  That part of units 65 and 67 as follows: Any private land with landowner permission and public lands within the following boundaries: beginning at Nyssa north on the Snake Rvr to Birch Cr, upstream Birch Cr to I-84, SE on I-84 to Jacobsen Gulch Rd; west on Jacobsen Gulch Rd to Alkali Flat Rd; southwest on Alkali Flat Rd to the Section 13 Northwest parallel to Willow Cr drainage to a point in the center of section 3, 1.5 mi north of Jamson; due south to N Rd K; south on N Rd K to 14th Ave W; west on 14th Ave W to Gum Cr Rd; west on Gum Cr Rd to Hope Flat Gum Cr Rd; south on Hope Flat-Gum Cr Rd to the south line of Sec. 22; west on section lines 1.6 miles; south 12 miles on section line through Hope Spring to Hwy 20; east on Hwy 20 to JH canal; east (downstream) on JH canal to Sand hollow Rd; northeast on Sand hollow Rd to Lyle Blvd; southeast on Lyle Blvd to Enterprise Ave; due west on Enterprise Ave to end, due west on section lines 4.5 mi, due south on section lines 9 mi; due east on section lines 4 mi; due south on section lines 5 mi; due west on section lines to Woodbridge Rd; east on Woodbridge Rd to Hwy 201, south on Hwy 201 to Succor Cr Rd; south on Succor Cr Rd to PPL power line; southeast on PPL power line to OR/ID state line; north on state line to Nyssa; point of beginning.  [MAP]

HUNT 675T:  Paisley - This hunt occurs exclusively on private land, outside but within 1 mi of the Paisley city limits in Unit 75.  Prior to the hunt, successful applicants will be provided with a list of landowners where a hunt may be arranged.

HUNT 679T:  Harney Basin - 45% public lands.  Parts of units 66, 69 and 71 as follows: That part of Unit 66 south of US Hwy 20 and west of Crane-Buchanan Rd.  In Unit 69, that part north of the following line: Beginning at Hwy 78 near Princeton; south on Love Bed Rd (Co Rd 404) to Diamond Ln (Co Rd 409); west on Diamond Ln to Hwy 205.  In Unit 71, that part north of the following line: Beginning on US Hwy 395 near MP 17, east on Iron Mt Rd to Double O Rd; east on Double O Rd to Hwy 205.  Excluding Malheur NWR.  [MAP]

Notice to hunters — Especially elk hunters!

Moose continue to expand their range out through the western states including Oregon. A resident population of 40-50 moose now occupies portions of the Walla Walla and Wenaha Wildlife Management Units north of Elgin. Moose are also frequently sighted in adjacent management units particularly the Sled Springs, Chensimus, Snake River, Imnaha and Pine Creek Wildlife Management Units.  Moose are generally larger than elk and vary in color from dark brown to black; nevertheless, moose are occasionally mistaken for other big game species, particularly elk.  There are no hunts for moose, but moose occur where there are elk hunts.  ODFW is reminding hunters to be sure of their target.
LATE SEASON ANTLERLESS ELK HUNTS

The Oregon Department of Fish and Wildlife has a statutory obligation to address property damage and that is the primary purpose of late antlerless elk hunts. Landowners suffering damage acknowledge these late hunts help them at a time when elk are seeking growing forage, especially pastures.

Late season antlerless elk hunts present hunters with challenges and recognizing these challenges will improve chances for a successful hunt. The Oregon Department of Fish and Wildlife and Oregon State Police would like to provide you with some information to help with one of those challenges and minimize the potential for a violation.

One potential violation during late season hunts is killing a bull after the antlers have dropped. Bulls that have shed their antlers are not legal during antlerless elk seasons. In these regulations, “Antlerless elk” are defined as a cow or calf elk.

From a distance, bulls that have shed antlers may look like a cow elk, especially in low light situations. Hunters with late-season antlerless elk tags are encouraged to look carefully at elk when hunting in late February and March. Avoiding shedantedlered bulls in the late winter will assure compliance with the law and save these valuable animals for breeding stock as well as a potential trophy for a hunter the next fall.

There are several clues to help hunters determine the sex of an elk during these late hunts. Generally, older bulls drop antlers earlier than younger bulls and older bulls also tend to be solitary or in herds with other bulls. Bulls with shed antlers are typically lighter in body color with a more reddish (reddish-brown) mane than cow elk. A close look at the top of the head of a bull reveals the pedicels from which the antlers grow. The bulls most often associated with cow/calf groups are spikes and other young bulls that usually do not drop antlers until late-March or April.

If you make a mistake and believe that you have inadvertently shot a bull, don’t compound the mistake by risking an additional charge of waste. Contact the Oregon State Police and solicit their assistance; this allows for the salvage of the animal which ultimately goes to a charitable institution.

Always promote safe, legal and ethical hunting practices to ensure quality hunting for future generations.

Good hunting!
You may only hunt one of the elk seasons listed on this page. Make sure you purchase or redeem the correct tag for the season you want to hunt prior to the earliest hunt date.

**GENERAL CASCADE BULL ELK:**
- Oct. 12 - Oct. 18 (General Centerfire Firearm Season)

**GENERAL ROCKY MT BULL ELK:**
- 1st Season: Oct. 23 - Oct. 27 (General Centerfire Firearm Season)
- 2nd Season: Nov. 2 - Nov. 10 (General Centerfire Firearm Season)

**GENERAL COAST BULL ELK:**
- 1st Season: Nov. 9 - Nov. 12 (General Centerfire Firearm Season)
- 2nd Season: Nov. 16 - Nov. 22 (General Centerfire Firearm Season)
  
SPIKE ONLY ELK bag limit in Wilson, Trask and Siuslaw units.

**GENERAL ROCKY MT BULL ELK:**
- Columbia Basin Extended Season: Oct. 23 - Nov. 29 (General Centerfire Firearm Season)

PUBLIC ACCESS IS EXTREMELY LIMITED IN THIS AREA; OBTAIN PERMISSION BEFORE HUNTING. That part of Biggs Unit east of John Day Rvr and Columbia Basin Unit are open with a one elk bag limit FOR FIRST SEASON GENERAL ROCKY MT ELK TAG HOLDERS ONLY.

**CONTROLLED ELK HUNTING ONLY. NO GENERAL SEASON.**
See pages 64-68 for controlled hunt opportunities.

There are no hunting opportunities on NP lands, or allotted and/or Tribal lands in these areas.

NOTE: Coast bull elk 2nd Season tags are valid in all coast general season units Nov. 16-22, including Wilson, Trask and Siuslaw units; however, the bag limit in Wilson, Trask and Siuslaw is SPIKE ONLY.

**ELK BAG LIMIT DEFINITIONS:**
- 3 pt. + = Bull elk having three points or more on one antler including the brow tine.
- Antlerless = Cow or calf elk.
- Bull elk = Bull elk with at least one visible antler.
- One elk = Either sex elk.
- Spike only = Bull elk with at least one visible unbranched antler (a brow tine is not considered an antler branch under spike only regulations). Refer to sketches on page 63.
### ELK CENTERFIRE FIREARM GENERAL SEASONS

Note: Tag sale deadline is the day before the earliest opening day for a season.

---

^1Refer to page 62 for BAG LIMIT DEFINITIONS.

^2See page 98 under units 14 & 17 for weapon restrictions in parts of Stott Mt and Trask units referred to as the Cascade Head - Lincoln City Area.

**Note:** It is unlawful to hunt with a centerfire or muzzleloading rifle without a valid elk tag for that time period and area during: Cascade bull elk centerfire firearm season, Coast bull elk centerfire firearm seasons, Rocky Mt bull elk or either-sex centerfire firearm seasons, or the standard Rocky Mt antlerless elk centerfire firearm seasons (Nov. 16 - Nov. 24). See page 28 for exceptions.

#### ILLUSTRATIONS FOR SPIKE ELK HUNTS

A “spike only” bag limit applies in some hunts. The sketches below show some antler configurations you may encounter in the field. Please use caution and judgement when selecting your target.
### Controlled 200 Series Elk Centerfire Firearm

**Tag Sale Deadline:** The day before the hunt begins.

**Controlled Hunt Application Procedures:** Please read pages 13-15. Hunters should apply for more than one hunt choice. If your first choice hunt is cancelled, you will receive a postcard describing your hunt choice options. See page 15 for further information. You may submit only 1 application for elk (200 series) hunts. This may include bull, either-sex, or antlerless elk (200 series) hunts.

**Caution to Hunters:** Obtaining a tag does not guarantee a place to hunt! Some hunts in these regulations are comprised mostly or entirely of private lands and are printed in red. ODFW tries to design hunts to provide public access; however, in areas where this is not possible, it is the hunter’s responsibility to obtain access to hunt on private property. Refer to pages 96-97 for closure information.

**Note:** The “2012 1st Choice Applicants” column is not influenced by preference points; it only indicates the number of first choice applicants for each hunt.

**Regulations:** It is unlawful to hunt with a centerfire or muzzleloading rifle without a valid elk tag for that time period and area during: Cascade bull elk centerfire firearm season, Coast bull elk centerfire firearm seasons, Rocky Mt bull elk or either-sex centerfire firearm seasons, or the standard Rocky Mt antlerless elk centerfire firearm seasons (Nov. 16 - Nov. 24). See page 28 for exceptions.

The Fish and Wildlife Commission will not set actual tag numbers for hunts listed here until June 2013. Tag numbers currently shown, for your reference, were those allocated for 2012 or estimated for new 2013 hunts. Actual tag numbers for 2013 may be higher or lower than those listed based on population conditions. **Note:** As a hunter it is your responsibility to ensure the hunts you apply for (all choices in all series) are hunts you want to participate in. It is your responsibility to monitor your preference points, tags allocated to specific hunts, odds of drawing a tag and to ensure the actual area you are interested in hunting is within the hunt boundary and is open for hunting access. ODFW strives to make all information available to all hunters and ODFW will not reinstate preference points or change tags because the tag you drew is not the one you wanted or expected.

**Hunt Area:** Entire wildlife management unit unless indicated by an asterisk (*). A map will be sent if indicated in hunt description by [MAP]. Landowner preference tags available, see page 19. Please note additional closure areas listed on pages 96-100 that may affect your hunt area.

#### Controlled Hunt Application Deadline Date:
May 15, 2013
Applicants may apply singly or as a party of no more than 18.

**"HUNT DESCRIPTIONS**

For those hunt descriptions with [MAP], following the description, maps can be found on our website at www.dfw.state.or.us/resources/hunting/big_game/units.

HUNTS 210A1 and 210A2: Onion Peak - 6% public lands. Those parts of units 10 and 12 beginning at mouth of Nehalem Bay; north along coast to Hwy 101 at Seaside; south on Hwy 101 to Hwy 26; east on Hwy 26 to Hwy 53 at Necanican Junction; south on Hwy 53 to Hwy 101; south on Hwy 101 to mouth of Nehalem Bay, point of beginning. [MAP]

HUNTS 210B1 and 210B2: Lewis & Clark - 0% public lands. That part of Unit 10 beginning at Seaside; north on Hwy 101 to Hwy 202; southeast on Hwy 202 to Fishhawk Falls Hwy; south on Fishhawk Falls Hwy to Hwy 26; west on Hwy 26 to Hwy 101, north on Hwy 101 to Seaside, point of beginning. [MAP]

**HUNT 210C: Upper Nehalem - 18% public lands. 184 sq mi in units 10 and 11 within the first 2 mi either side of the following Rds: Starting at Timber Junction on Hwy 26; north on Timber-Vernonia Hwy to Vernonia; north on Hwy 47 to Hwy 202; west on Hwy 202 to Jewell; southwest on Fishhawk Falls Hwy to Hwy 26. Jewell WA lands are closed to hunting. [MAP]

**HUNT 210D: Lower Columbia - 28% public lands. Hunters must complete the Master Hunter Program prior to applying for this hunt. 81 sq mi in Unit 10 beginning at the mouth of Clatskanie Rvr; south on Clatskanie Rvr to State Hwy 47 at Clatskanie; south on Hwy 47 to BPA transmission line, west on BPA transmission line to Knappa-Svensen R,F,P,D, boundary; west on Knappa-Svensen R,F,P,D, boundary to Akerst Rd; north on Akerst Rd to Hillcrest Rd; northwest on Hillcrest Rd to Old Hwy 30; west on Old Hwy 30 to Market Rd; south on Market Rd to George Hill Rd; southeast on George Hill Rd to Knappa-Svensen R,F,P,D, boundary; west on Knappa-Svensen R,F,P,D, boundary to John Day-Fernhill R,F,P,D, boundary; west on John Day-Fernhill R,F,P,D, boundary to BPA transmission line; west on BPA transmission line to Pipeline Rd; southeast on Pipeline Rd to Walluski Way; southwest on Walluski Way to Labiski Rd; west on Labiski Rd to Walluski Lp Rd; west on Walluski Lp Rd to Hwy 202; north on Hwy 202 to BPA transmission line; west on BPA transmission line to Youngs Bay; north on east shore of Youngs Bay to Columbia Rvr; east on Columbia Rvr to Clatskanie Rvr, point of beginning. [MAP]
HUNT 210E: Young's Rvr - 3% public lands. 40 sq mi in Unit 10 within 1 mi west of Hwy 202 from Astoria District ODF Office to southern junction of Walluski Lp Rd and within 1 mi of the following Rds: Hwy 202 from southern junction of Walluski Lp Rd to Klaskanie Fish Hatchery; Lewis and Clark Rd from a Mile Crossing to junction with Lewis and Clark Mainline just north of CZ Camp; Fort Clatsop Rd south of Fort Clatsop parking lot; Tucker Cr Rd and Logan Rd from Hwy 101 Alternate to Lewis and Clark Rd; Young's Rvr Lp Rd from Miles Crossing to junction with Olney Lh; Olney Lh to junction with Hwy 202. [MAP]

HUNTS 210F1 and 210F2: Clatsop McGregor - 16% public lands. That part of Unit 10 within the following boundary: Beginning at Sunset Rest Area on Hwy 26 at MP 29, east along Hwy 26 to McGregor Rd, and east and north along McGregor Rd to NoFo Rd; south along NoFo Rd to the ODF/Private land boundary at section 36; east to the Clatsop/Columbia County line; north along the county line and including NW 1/4 of section 30 to the southern boundary of section 18; east to the southeastern corner of section 17; north to Eastside Grade Rd; north on Eastside Grade Rd to Rock Cr; east along Rock Cr to Columbia Rvr Mainline; north on the Columbia Rvr Mainline to Deep Cr; west and south along Deep Cr to the NE corner of section 19; west to the Clatsop/Columbia Co line; south along the Co line to the T4N/5N boundary; west along the T4N/5N line to the NW corner of S1 of T4N, R7W to Hwy 26 at MP 24; southeast along Hwy 26 to Sunset Rest Area, point of beginning. [MAP]

HUNTS 211A1, 211A2, and 211A3: S Scappoose - 5% public lands. That part of Unit 11 beginning at Scappoose, northwest on the Scappoose-Vernonia Hwy to Hwy 17; north on Hwy 17 to Clatskanie; north on Clatskanie Rvr to state line in Columbia Rvr; southeast on state line to Willamette Rvr; southwest on Willamette Rvr to Multnomah Channel; northwest on Multnomah Hwy 30 at Sauvie Island bridge; northwest on Hwy 30 to Scappoose, point of beginning.

HUNTS 212A1, 212A2, and 212A3: Miami-Nehalem - 15% public lands. 80 sq mi in units 10 and 12 within 1 mi of the following Rds: Hwy 53 from Nehalem Hatchery to Hwy 101; N Fork Rvr from Hwy 53 to Hwy 101; Fruit Cr Rd from Hwy 53 to the mouth of Cook Cr; Miami Foley Rd from Foss Rd to the mouth of Miami River and that part of Unit 12 east of Hwy 101 and west of Miami Foley Rd. [MAP]

HUNT 212B: Lower Kilchis - 50% public lands. 16 sq mi in Unit 12 beginning at Hwy 101 jct with Latimer Rd; north on Hwy 101 to Kilchis River Rd; north on Kilchis River Rd to Idaville Rd; west on Idaville Rd to Doty Rd; north on Doty Rd to Pike Cr to the section 25/36 line of T1N, R10W, due east to Thomas Cr; north on Thomas Cr to Kelly 18 Business Route; west on Kelly 18 Business Route to Willamina Cr Rd, point of beginning. [MAP]

HUNT 212C: Buick Canyon - 50% public lands. 13 sq mi in Unit 12 beginning at the Foss Rd junction with Sibley Rd; east on Sibley Rd to Buck Mt Rd; southeast on Buck Mt Rd to North Side Rd; east on North Side Rd to Clay Cr Rd; north on Clay Cr Rd to end; due north approximately 1/2 mi to Salmonberry Rvr; northwest on Salmonberry Rvr to Fore Rd; west on Fore Rd to North Side Rd to Sibley Rd junction, point of beginning. [MAP]

HUNT 214: Trask - 42% public lands. All of Unit 14. There are specific weapon restrictions in the Cascade Head - Lincoln City area of the Trask Unit. See page 98.

HUNT 214A: W Trask - 42% public lands. That part of Unit 14 beginning at Tillamook; west on Netarts Hwy to Bayocean Rd (Three Capes Scenic Loop); north on Bayocean Rd to Cape Meares Loop Rd; south on Cape Meares Loop Rd to the coast at Oceanside; south on coast to Proposal Rock; east from Proposal Rock to Hwy 101; south on Hwy 101 to the T5S/6S boundary; due east on the T5S/6S boundary to the corner of S3 and 35; northeast in a straight line to Castle Rock campground; north in a straight line to Hebo Lk campground; northeast in a straight line to Square Top Mt; northwest in a straight line to High Peak; north in a straight line to Edwards Butte; northeast in a straight line to Gold Peak; northwest in a straight line through Peninsula Co Park; west on Hwy 6 to Tillamook, point of beginning. [MAP]

HUNT 214B: Wind Rvr - 28% public lands. 109 sq mi. That part of Unit 14 beginning at Willamina Cr Rd in Willamina; north on Willamina Cr Rd to Coast Cr Rd; west on Coast Cr Rd to Gilbert Cr Rd; north on Gilbert Cr Rd to Bald Mt Access Rd; north on Bald Mt Access Rd to Bible Cr Rd; west on Bible Cr Rd to Siuslaw NF FR 14; west on Siuslaw NF FR 14 to FR 2210; southwest on FR 2210 to FR 2282; west on FR 2282 to Hwy 22; southwest on Hwy 22 to powerline crossing at T5S, R9W, Sec 36; southeast on powerline to RA Rd; east on RA Rd to 9 Rd; south on 9 Rd to Hwy 18B; east on Hwy 18 Business Route; northeast on Hwy 18 Business Route to Willamina Cr Rd; point of beginning. [MAP]

HUNT 214C: Beaver Cr - 8% public lands. 100 sq mi. That part of Unit 14: Beginning at Willamina Cr Rd in Willamina; north on Willamina Cr Rd to Coast Cr Rd; west on Coast Cr Rd to Gilbert Cr Rd; north on Gilbert Cr Rd to Bald Mt Access Rd; north on Bald Mt Access Rd to Homestead Tie Rd; southeast on Homestead Tie Rd to Willamina Cr Rd; northeast on Willamina Cr Rd to East Cr Rd; southeast on East Cr Rd to Green Top Rd; east on Green Top Rd to Gopher Valley Rd; north on Gopher Valley Rd to Peavine Rd; east on Peavine Rd to SW Old Sheridan Rd; north on SW Old Sheridan Rd to Hwy 99W; south on Hwy 99W to Hwy 18; south on Hwy 18 to Hwy 18 Business Route; west on Hwy 18 Business Route to Willamina Cr Rd, point of beginning. [MAP]

HUNT 214D: Pike - 5% public lands. 80 sq mi. That part of Unit 14: Beginning at McMinnville; southwest on Hwy 99W to SW Old Sheridan Rd; west on SW Old Sheridan Rd to Peavine Rd; west on Peavine Rd to White Rd; north on White Rd to Wanless Rd; northeast on Wanless Rd to High Heaven Rd; east on High Heaven Rd to Von Rd; northeast on Von Rd to Panther Cr Rd; northwest on Panther Cr Rd to Meadowlake Rd; east on Meadowlake Rd to Haskins Cr Rd; west on Haskins Cr Rd to Haskins Cr Guard Station; northwest on Orford Rd, west on R121 in T3S, R6W Section 12; north on R121 to R122; north on R122 to R123; north on R123 to R124; northwest on Upper Cr Rd to Boise Cascade's N Fairdale Rd; east on N Fairdale Rd to Fairdale Rd to Fairdale Rd; northeasterly on Fairdale Rd to Old Railroad Grade Rd; east on Old Railroad to Rockyford Rd; north on Rockyford Rd to Pike Rd; southeast on Pike Rd to Hwy 47 at Yamhill; south on Hwy 47 to Hwy 99W; southwest on Hwy 99W to McMinnville, point of beginning. [MAP]

HUNTS 214E1 and 214E2: NE Trask - 15% public lands. That part of Unit 14 beginning at the junction of Hwy 8 and Hwy 47 (Forest Grove); south on Hwy 47 to Pike Rd (Yamhill); north and west on Pike Rd to Rockyford Rd; south on Rockyford Rd to Hwy 22; west on R62 to Old Railroad Grade to 2-5-29.0 Rd (CCC Rd and Toll Rd); west and north on 2-5-29.0 Rd to 2-6-3 Rd at Murphy Camp; north and east on 2-6-3 Rd (Flora Mainline) to N Fork Trask Rvr Rd at Neverstill; north and west on N Fork Trask Rvr Rd to Williams Rd; north on Williams Rd to 2500 Line Rd; northeast and east on 2500 Line Rd to Seven Cedars Rd cross-over; north and east on Seven Cedars cross-over to C-Line Rd; north and east on C-Line Rd to Beaver Dam Rd; north on Beaver Dam Rd to Hwy 6; east on Hwy 6 to junction with Hwy 8; south and east on Hwy 8 to Hwy 47, point of beginning. [MAP]

HUNT 214F: Panther Cr - 50% public lands. 16 sq mi. That part of Unit 14 beginning at the intersection of Alder Brook and Hwy 18 one mi east of Rose Lodge; north up Alder Brook to Widow Cr Ridge Rd; north on Widow Cr Ridge Rd to FR 115; south on FR 115 to Cascade Head Experimental FR (FR 1861), north along FR 115 to FR 101; south on Hwy 101 to Three Rocks Rd; east on Three Rocks Rd to Old Scenic Hwy 101; south on Old Scenic Hwy 101 to N Bank Rd; east on N Bank Rd to Hwy 18 at Rose Lodge; east on Hwy 18 to Alder Brook, point of beginning. [MAP]
HUNT 214G: Salmon Rvr Estuary - 43% public lands. Master Hunters ONLY. Shotgun ONLY in that portion of the hunt area known as Cascade Head - Lincoln City Area (see page 98). Those parts of units 14 and 17 beginning at the junction of State Hwy 18 and Old Scenic Hwy 101 at Otis Junction on Old Scenic Hwy 101 to Three Rocks Rd; west on Three Rocks Rd to US Hwy 101; north on Hwy 101 to FR 186; north on 1861 to Harts Cove Trailhead; west on Harts Cove Trail to Pacific Ocean; south on the coast to Lincoln City boundary at Roads End; east on the Lincoln City boundary to US Hwy 101; south on Hwy 101 to State Hwy 229; east on Hwy 229 to Drift Cr Rd; north on Drift Cr Rd to Anderson Cr Rd; south on Anderson Cr Rd to Schooner Cr Rd; east on Schooner Cr Rd to FR 17; north on 17 to Hwy 18; west on Hwy 18 to Otis Junction, point of beginning. [MAP]

HUNT 215A1 and 215A2: Willamette Plus - 1% public lands. All of Unit 15 and that part of Unit 18 as follows: 11 sq mi east of Bellfountain Rd and north of Coon Rd.

HUNTS 216B1 and 216B2: SW Santiam - 30% public lands. That part of Unit 16 beginning at Lebanon, north on Brower Rd. to Lacom Rd.; east on Lacom Rd to Kowitz Rd, north on Kowitz Rd to Baptist Church Dr; east on Baptist Church Dr. to Richardson Gap Rd; north on Richardson Gap Rd to State Hwy 226; northeast on Hwy 226 to State Hwy 22; east on Hwy 22 to the western exterior boundary of the Willamette NF Hwy 20; west on Hwy 20 to Lebanon, point of beginning.

HUNTS 216C1, 216C2, and 216C3: Molalla - 25% public lands. That part of Unit 16 west of the western exterior boundary of Mt Hood and Willamette NF: Beginning at the junction of Hwy 211 and the Molalla FR; south and east on Molalla FR to N Fork Main Line; east on N Fork Main Line to Lunkens Cr Rd; east on Lunkens Cr Rd to NF boundary; south on the NF boundary to the north bank of the N Santiam Rvr to Stayton-Scio Rd; north on Stayton-Scio Rd and Cascade Hwy to Hwy 213 at Silverton; north on 213 to Hwy 211; east on 211 to Molalla FR, point of beginning.

HUNT 216D: Sandy - 10% public lands. Those portions of unit 16 west of the western exterior boundary of Mt Hood and Willamette NF: Beginning at Interstate 84 at Benson State Park; west on Interstate 84 to Sandy River; southeast on the Sandy River to Teneycy Rd; south on Teneycy Rd to Hwy 211; southwest on Hwy 211 to Hwy 224; southeast on Hwy 224 to western exterior boundary of Mt Hood NF; north on western exterior boundary of Mt. Hood NF to Interstate 84; point of beginning.

HUNT 216E: Green Mt. - 18% public lands. 114 sq mi. That part of Unit 16 west of the western exterior boundary of Mt Hood NF. Beginning at Hwy 224 and Hwy 211 Junction in Estacada; south on Hwy 211 to Molalla FR; south and east on Molalla FR to N Fork Main Line; east on N Fork Main Line to Lunkens Cr Rd; east on Lunkens Cr Rd to Mt. Hood NF boundary; north on western exterior boundary of Mt Hood NF to Hwy 224; west on Hwy 224 to Hwy 211 junction; point of beginning.

HUNT 217C: Lower Siletz Rvr - 25% public lands. 106 sq mi. That part of Unit 17 as follows: Beginning at the intersection of Hwy 18 and USFS Rd 17; east on Hwy 18 to Murphy Rd; south on Murphy Rd to 100 Rd; south on 100 Rd to BLM Rd 6-8-35; east on 6-8-35 to 300 Rd; south and west on 300 to 100 Rd; south on 100 to 800 Rd; west on 800 to BLM Rd 7-9-20 (Box Canyon); west on 7-9-20 to 200 Rd (Gravel Cr Rd); southeast on 200 to 300 Rd; southeast on 300 to 4000 Rd (Werner Rd); west on 4000 to Siletz Rvr at Ichwih County Park; west on Siletz Rvr for milepost 1 at the S Drift Cr Rd intersection; north on S Drift Cr Rd to S Anderson Cr Rd; north on S Anderson Cr Rd to Schooner Cr Rd; east on Schooner Cr Rd to FR 17; north on 17 to Hwy 18, point of beginning. [MAP]

HUNT 217D: Upper Siletz Rvr - 10% public lands. 128 sq mi. Beginning at the bridge over the Siletz Rvr, on the south side of Siletz under the north side of the Siletz Rvr to the confluence of the north and south forks of the Siletz Rvr; upstream along the S Fork to the Old Valsetz-Falls City Co bridge; east on Old Valsetz-Falls City Co Rd to 1300 Rd; northwest on Fanno Ridge Rd; northwest on Fanno Ridge Rd to BLM Rd 8-8-23; northwest on 8-8-23 to BLM Rd 8-8-11; north on 8-8-11 to BLM Rd 8-8-12; northeast on 8-8-12 to BLM Rd 8-7-23 (M4 and Blackrock mainline); north and west on 8-7-23 to 300 Rd; west on 300 to 100 Rd; south on 100 to BLM Rd 7-9-20 (Box Canyon); west on 7-9-20 to 200 Rd; southeast on 200 (Gravel Cr Rd) to 300 Rd; southwest on 300 to 4000 Rd (Werner Rd); southwest on 4000 to the Siletz Rvr at Ichwih Co Park; upstream along the Siletz Rvr to the bridge on the south side of Siletz, point of beginning. [MAP]

HUNT 217E: Dallas - 17% public lands. That part of Unit 17 beginning at Dallas; northeast on State Hwy 223 to State Hwy 22; Northwest on Hwy 22 to State Hwy 18; west on Hwy 18 to Murphy Rd; south on Murphy Rd to 100 Rd; south on 100 Rd to BLM Rd 6-8-35; east on 6-8-35 to 300 Rd; south on 300 Rd to BLM Rd 8-7-23 (M4 and Blackrock mainline); east on Blackrock mainline to S-line; southeast on S-line to Fanno Ridge Rd; southeast on Fanno Ridge Rd; southeast on 1300 Rd to old Valsetz-Fall City Co Rd; east on old Valsetz-Fall City Co Rd to Fall City; southeast on Bridgeport Rd (No 864) and Gardner Rd (No 865) to Hwy 223; north on Hwy 223 to Dallas, point of beginning. [MAP]

HUNT 218A: NE Alsea - 15% public lands. That part of Unit 18 beginning at the intersection of Hwys 99 and 20/34 in Corvallis; west on Hwy 34 to Philomath; west on Hwy 20 to Bldgott; west on the Summit-Nashville Rd (Co Rd 180) to the Logsdon Rd in Nashville; north on Logsdon Rd to Green Mt Rd (BLM Rd 10-3-8.1); north on Green Mt Rd to the 1420 Rd; north on 1420 Rd to 1400 Rd (Luckameute Rd); west and north on the 1400 Rd to Old Valsetz-Fall City Co Rd; west on the Old Valsetz-Fall City Co Rd to the bridge over the S Fork of the Siletz Rvr; downstream along the south side of the Siletz Rvr to US Hwy 101 in Kernville; then south on Hwy 101 to Newport, point of beginning.

HUNT 219A: Mohawk - 22% public lands. Most elk in this area are on Weyerhaeuser lands that are open to hunters only on weekends. 490 sq mi. That part of Unit 19 beginning at Springfield; northeast on Hwy 126 to FR 15; north on FR 15 to FR 1509;
northwest on FRs 1509 and 1510 to the Lane Co Line/Calapooia divide; west along the Lane Co Line/Calapooia divide to Brush Cr Rd; north on Brush Cr Rd to Hwy 228; west on Hwy 228 to I-5; south on I-5 to Springfield, point of beginning. [MAP]

HUNT 219B: SW McKenzie - 19% public lands. 318 sq mi. That part of Unit 19 beginning at the northwest corner of Unit 19 beginning in Eugene; south on I-5 to Hwy 58; east on Hwy 58 to Lowell; then south on Mountlake NF boundary; north along Forest boundary to FR 1806 (Little Fall Cr); northeast on FR 1806 to Willamette NF boundary on Willamette NF boundary to FR 1895; northeast on FR 1985 to FR 19; north on FR 19 to Hwy 126; west on Hwy 126 to Eugene, point of beginning. [MAP]

HUNTS 219C1 and 219C2: NW McKenzie - 5% public lands. That part of Unit 19 beginning at the junction of I-5 and Hwy 34; south on Hwy 228 to Brush Cr Rd; south on Brush Cr Rd to the Lane Co Line/Calapooia Divide; east on the Lane Co Line/Calapooia Divide to the western exterior boundary of Willamette NF; north along the exterior boundary of the Willamette NF to Hwy 20 near Cascadia; west and north on Hwy 20 to Hwy 34; west on Hwy 34 to I-5, point of beginning. [MAP]

HUNT 219D: Wendling - 13% public lands. 190 sq mi. That part of Unit 19 beginning at Springfield; northeast on Mohawk Rvr Rd (Co Rd 19) to BLM Rd 15-1-9; south on Mohawk Rvr-Calapooya Rvr divide to Rd 100; south on 100 and Gate Cr Mainline Rd to Hwy 126; west on Hwy 126 to Springfield, point of beginning. [MAP]

HUNT 219E: Horse Rock - 20% public lands. 210 sq mi. That part of Unit 19 beginning at Hwy 228 at I-5; east on Hwy 228 to Brush Cr Rd; south on Brush Cr Rd to Marcola Rd; south on Marcola Rd to I-105; west on I-105 to I-5; north on I-5 to Hwy 228, point of beginning. [MAP]

HUNT 219F: Scott Mt - 0% public lands. 103 sq mi. That part of Unit 19 beginning at junction of Hwy 228 and 20; west and north on Hwy 34; west on Hwy 34 to Steckly Rd; south on Steckly Rd, Sand Ridge Rd and Brownsville Rd to Hwy 228; east on Hwy 228 to Hwy 20 point of beginning. [MAP]

HUNT 219H: Pengra - 1% public lands. Approximately 14 sq mi. That part of Unit 19 beginning at the junction of Hwy 58 and Parkway Rd; east on Hwy 58 to Jasper –Lowell Rd; north and west on Jasper-Lowell Rd to Parkway Rd; south on Parkway Rd to Hwy 58, point of beginning. State and Co parks within this hunt boundary are not open to big game hunting. Do not apply unless you have access to a place to hunt.

HUNT 219J: Oakridge Private Lands - 0% public lands. Shotgun or muzzleloader only. Private lands only in the following townships of Unit 19: T20S R3E, T21S R2E, and T21S R3E. Hunters should not apply unless they have access to a place to hunt.

HUNT 220A: Not-Saginaw - 10% public lands. 300 sq mi. That part of Unit 20 beginning at Eugene; west on Hwy 126 to Poodle Cr Rd; north on Poodle Cr Rd to Hwy 36; west on Hwy 36 to BLM Rd 16-7-12;1; south on BLM Rds 16-7-12; 1, 16-7-12, 16-7-23, 17-7-14 and 17-7-23 to Hwy 126; southwest on Hwy 126 to Penn Rd; east on Penn Rd and Co Rd 4335 to Crow; south from Crow on Territorial Hwy to I-5; north on I-5 to Eugene, point of beginning. [MAP]

HUNT 220B: W Suslaw - 50% public lands. That part of Unit 20 west of the following line: From the intersection of State Hwy 38 and Weatherly Cr Rd (BLM Rd 22-9-14) east of Scottsburg; north on Weatherly and Big Cr Rds to Upper Smith Rvr Access Rd (BLM Rd 20-1-36); north on BLM Rd 20-1-36 to Twin Sisters; east from Twin Sisters on BLM Rds 20-8-17 and 20-7-8.2 (South Sister Cr Rd) to BLM Rd 19-7-25.1 (Oxbow Access Rd); east on 19-7-25.1 to Suslaw Rvr Rd (BLM Rd 19-7-25) at Alma; west on BLM Rd 19-7-25 and BLM Rd 18-8-34 to State Hwy 126; west on Hwy 126 to the Suslaw Rvr at Mapleton. [MAP]

HUNT 220C: E Suslaw - 50% public lands. That part of Unit 20 east of the following line: From the intersection of State Hwy 38 and Weatherly Cr Rd (BLM Rd 22-9-14) east of Scottsburg; north on Weatherly and Big Cr Rds to Upper Smith Rvr Access Rd (BLM Rd 20-1-36) to Twin Sisters; east from Twin Sisters on BLM Rds 20-8-17 and 20-7-8.2 (South Sister Cr Rd) to BLM Rd 19-7-25.1 (Oxbow Access Rd); east on 19-7-25.1 to Suslaw Rvr Rd (BLM Rd 19-7-25) at Alma; west on 19-7-25 and BLM Rd 18-8-34 to State Hwy 126; west on Hwy 126 to the Suslaw Rvr at Mapleton. [MAP]
following line: From the mouth of Sixes Rvr upstream following Sixes Rvr and Middle Fork Sixes Rvr to NF boundary in Section 13, T32S, R13W; east and north on NF boundary to Salmon Cr; northeast on Salmon Cr to Powers Hwy.

HUNT 225B: Curry Private - 0% public lands. Private lands in that part of Unit 25 south of the following line: From the mouth of the Sixes Rvr upstream following Sixes Rvr and Middle Fork Sixes Rvr to the NF boundary in Section 13, T32S, R13W; east and north on Forest boundary to Salmon Cr; northeast on Salmon Cr to Powers Hwy; and private lands in that portion of Unit 27 in Curry Co.

HUNT 228A: Applegate-Evans Cr - 35% public lands. All of Units 28 and 29. Note: The majority of elk during this hunt are concentrated on private lands. Do not apply unless you have access to a place to hunt.

HUNT 230A: W Rogue - 35% public lands. That part of Unit 30 west of the following line: Beginning at State Hwy 62 and Butte Falls-Prospect Rd; south on Butte Falls-Prospect Rd to Butte Falls Fish Lk Rd southeast of Butte Falls; southeast on Butte Falls Fish Lk Rd to State Hwy 140; east on Hwy 140 to boundary of Unit 30; south on Unit boundary to Oregon-California State line; and that part of Unit 22 in Jackson Co south of the NF exterior boundary. [MAP] Note: The majority of elk during this hunt are concentrated on private lands. Do not apply unless you have access to a place to hunt.

HUNTS 233X and 233Y: Sprague - 75% public lands. That part of Unit 33 east of US Hwy 97.

HUNT 234A: Little Rvr - 50% public lands. Those parts of units 34 and 35 beginning at Burgess Rd and US Hwy 97; west on Burgess Rd to Ponderosa; west on Ponderosa to FR 4320; south on FR 4320 to Masten Rd; south and west on Masten Rd to FR 6023; west on FR 6023 to FR 6224; west on FR 6224 to FR 6220; south on FR 6220 to Hwy 97; south on Hwy 97 to Crown Pacific Rd 9775; east on 9775 to FR 9770-770; north on 9775-770 to Hwy 31; northeast on Hwy 31 to Hwy 97, point of beginning. [MAP]

HUNT 234B: Tumalo - 48% public lands. 140 sq mi in northeast part of Unit 34 and southeast part of Unit 39. Beginning at Deschutes Rvr at Tumalo; north on Deschutes Rvr to confluence with Squaw Cr; southwest on Squaw Cr to Camp Polk Rd; southeast on Camp Polk Rd to Hwy 126; west on Hwy 126 to State Hwy 20; south on Hwy 20 to Gist Rd; south on Gist Rd to Pelican Rd; east on Pelican Rd to Sisemore Rd; south on Sisemore Rd to Tumalo Reservoir Rd; east on Tumalo Reservoir Rd to Tumalo and Deschutes Rvr, point of beginning. [MAP]

HUNT 235A: Bodlands - 65% public lands. 405 sq mi. That part of Unit 35 beginning at Bend southeast on Hwy 20 to junction with Millican Rd; north on Millican Rd to Bear Cr Rd; east on Bear Cr Rd to Hwy 27; north on Hwy 27 to Prineville and Hwy 126; west on Hwy 126 to Redmond and Hwy 97; south on Hwy 97 to Bend, point of beginning. [MAP]

HUNTS 235X and 235Y: Paulina - E Fort Rock - 75% public lands. All of Unit 35 and that part of Unit 77 east of US Hwy 97.

HUNT 236A: Maury-Hampton Butte - 53% public lands. That part of Unit 36 outside exterior boundary of Ochoco NF.

HUNT 237A: North Ochoco - 7% public lands. 208 sq mi of the northern part of Unit 37. Beginning at Mitchell on Hwy 26 east to Cottonwood Cr, south on Cottonwood Cr to Ochoco NF (outside boundary of the NF); southeast on Dog Cr to Hwy 27; east on Hwy 27 to Mitchell, point of beginning. [MAP]

HUNT 237B: Crooked River - 12% public land. 461 sq mi in the southern part of Unit 37. Beginning at the town of Prineville east on Hwy 26 to Ochoco NF (ONF) boundary; east along exterior boundary of the ONF and selected BLM lands (BLM lands adjoining the Ochoco NF along the NF Crooked Rvr) to where Forest Rd 58 exits the east side of the ONF; east on Forest Rd 58 to the South Fork John Day Rvr (SFJDR); south on SFJDR to Grant Co Rd 67; west on Grant Co Rd 67, Crook Co Rd 112 and State Hwy 380 to the Crooked River; west on Crooked Rvr, Prineville Res to Hwy 27 at Bowman Dam; northeast on Hwy 27 to Prineville and Hwy 26, point of beginning. [MAP]

HUNTS 237C1 and 237C2: Ochoco Private - 16% public land. 893 sq mi. Thal part of Unit 37 outside the exterior boundary of the Ochoco NF. Private “in-holdings” within the Ochoco NF are closed to hunting with this tag.

HUNT 238A: SW Grizzly - 17% public lands. 450 sq mi of Unit 38 in portions of T10, 11, 12, 13, 14S and R13, 14, 15, 16, 17 and 18E. [MAP]

HUNT 238B: N Grizzly Private - 0% public lands. PRIVATE LANDS ONLY. 326 sq mi of units 38, 40 and 43 in parts of T6, 7, 8, 9 and 10S, R14, 15, 16, 17, 18, 19 and 20E. [MAP]

HUNTS 238C1 and 238C2: Grizzly Private Lands - 0% public lands. PRIVATE LANDS ONLY in Unit 38; Ochoco Lumber Company lands (portions or all of Townships 12 and 13S; and Ranges 15, 16 and 17E) are not included in the hunt area. A map is provided to illustrate the closed Ochoco Lumber Co lands. Private “in-holdings” within the Ochoco Lumber Company lands are open to hunting (with landowners permission) with this tag.

HUNT 239A: Maupin-Umpqua Biggs - 7% public lands. All of Unit 46 and that part of Unit 43 west of John Day Rvr.

HUNT 241A: The Dalles Watershed - 100% public lands. That part of Unit 41 as follows: 22 sq mi in Unit 41 southwest of The Dalles within the boundaries of The Dalles Watershed. This area is closed to motor vehicles. Entry is allowed only by City of The Dalles permit, only for the duration of the hunt. Any entry into watershed at other times or by persons other than tag holders is prohibited. The City of The Dalles entry permits are limited to persons with a valid ODFW controlled hunt tag. After a tag holder harvests an animal, one person may accompany the permit holder to help remove the animal. Persons unable to hunt alone should apply as a party or not apply for this hunt. [MAP]

HUNT 241B: W Rvr-Hood - 50% public lands. All of units 41 and 42.

HUNTS 241C1 and 241C2: N White Rvr -Hood - 50% public lands. All of Unit 42 and that part of Unit 41 north of Dufur Mill Rd (FR 44).

HUNT 241D: Larch Cr - 20% public lands. That part of Unit 41 beginning at Dufur; south on US Hwy 197 to Tootet Cr Big Game Fence; northwest on Big Game Fence to Friend Rd; west on Friend Rd to FR 2730; west on FR 2730 to Forest trail 457; northeast on 157 to Fifteenmile Cr; east on Fifteenmile Cr to NF boundary; north on Forest boundary to FR 44; east on 44 to Dufur, point of beginning. [MAP]

HUNTS 245A1 and 245A2: N Ochoco Private Lands - Private lands only within that part of Unit 45 north of State Hwy 19.

HUNTS 245B1 and 245B2: S Ochoco Private Lands - Private lands only within that part of Unit 45 south of State Hwy 19.

HUNT 245C: N Fossil - 0% public lands. That part of Unit 45 north of State Hwy 19.

HUNTS 245D1, 245D2, and 245D3: S Fossil - 10% public lands. That part of Unit 45 south of State Hwy 19.

HUNT 245E: Fossil-E Biggs Agri - 8% public lands. That part of Unit 45 that is on or within one mi of agricultural lands and that portion of Unit 43 that is east of the John Day Rvr that is on or within one mi of agricultural lands and that portion of Unit 44 west of Rock Cr that is on or within one mi of agricultural lands. Agricultural lands are defined on the definitions page.

HUNT 246A: W Murderers Cr - 65% public lands. That part of Unit 46 west of US Hwy 395.

HUNT 246B: E Murderers Cr - 65% public lands. That part of Unit 46 east of US Hwy 395.

HUNT 246C: Flagtail - 65% public lands. That part of Unit 46 west of US Hwy 395.

HUNT 246D: Upper John Day Rvr - 7% public lands. Those parts of units 46, 47 and 65 as follows: In Unit 46: from US Hwy 26 Dog Cr intersection; south on Dog Cr to a line 1/2 mi south of exterior NF boundary from Dog Cr to John Day Rvr. In Unit 65: west of a line 1/2 mi east of the exterior boundary of NF from Dog Cr to Hwy 26 at Dixie Summit. In Unit 47 south from Dixie Summit, west on FS Rd 096 to Ella Gulch; downstream on Ella Gulch to Dixie Cr; downstream on Dixie Cr to the junction of Dixie Cr and the north edge of Section 26; west on sections 26, 27, 28 and 29 to exterior boundary on NF; west on exterior boundary to US Hwy 395. South on US Hwy 395 to 395/26 intersection; east on Hwy 26 to Dog Cr, point of beginning. [MAP]

HUNTS 246E1 and 246E2: Murderers Cr Private Lands Plus - 0% public lands. PRIVATE LANDS ONLY in Unit 46 and that part of Unit 65 starting at the junction

Oregon Department of Fish and Wildlife
of Co Rd 62 and the Malheur NF boundary; north on the exterior forest boundary to the junction of Hwy 26; southwest on Hwy 26 to the junction of Co Rd 62, point of beginning. All applicants for this hunts must be listed on a Landowner Permission Form of a qualified landowner within the hunt area. You are still eligible to hunt on other private lands within the entire hunt area, but must have permission to hunt at least one property via the form.

HUNTS 247A1 and 247A2: Northside Private Lands - 0% public lands. Open area: Private lands only in Unit 47; by permission from landowner. All applicants for these hunts must be listed on a Landowner Permission Form of a qualified landowner within the hunt area. You are still eligible to hunt on other private lands within the hunt area, but must have permission to hunt at least one property via the form.

HUNT 247B: W Northside - 30% public lands. That part of Unit 47 west of US Hwy 395.

HUNT 247C: E Northside - 90% public lands. That part of Unit 47 east of US Hwy 395.

HUNTS 247D1, 247D2, 247D3 and 247D4: W Grant Private - 0% public lands. Private lands only in that part of Unit 48 south and east of N Fork John Day Rvr and that part of Unit 47 west of US Hwy 395. All applicants for these hunts must be listed on a Landowner Permission Form of a qualified landowner within the hunt area. You are still eligible to hunt on other private lands within the hunt area, but must have permission to hunt at least one property via the form.

HUNT 249C: Monument - 0% public lands. Private lands only in that part of Unit 48 located south of the exterior boundary of Umatilla NF and north of mainstem and N Fork John Day Rvr.

HUNT 249D: Heppner - 38% public lands. That part of Unit 48 north of mainstem and N Fork John Day Rvr.

HUNT 249B: McKay Cr - 5% public lands. That part of Unit 49 north of East Birch Cr Co Rd (including Indian Lk Rd) and all of Unit 44. [MAP]

HUNT 251A: N Sumpter - 40% public lands. That part of Unit 51 north of Burnt Rvr Canyon Rd from Durkee to junction State Hwy 245 and Hwy 245 from junction Burnt Rvr Canyon Rd to Unity.

HUNTS 251B1 and 251B2: S Sumpter - 25% public lands. That part of Unit 51 south of Burnt Rvr Canyon Rd from Durkee to junction State Hwy 245 and Hwy 245 from junction Burnt Rvr Canyon Rd to Unity.

HUNT 251C: N Sumpter - 40% public lands. That part of Unit 51 north of Burnt Rvr Canyon Rd from Durkee to junction State Hwy 245 and Hwy 245 from junction Burnt Rvr Canyon Rd to Unity.

HUNTS 251E1 and 251E2: Elkhorn Mt - 70% public lands. This hunt area is mostly rugged terrain with few Rds; hunters should be prepared. That part of Unit 51 beginning at Baker City, south on Hwy 7 to FR 6550 (near McEwen); north on 6550 to FR 6530; east and north on 6530 to FR 6510; east and north on 6510 to Elkhorn Ridge; southwest on Elkhorn Ridge to Anthony Lks Rd; east on Anthony Lks Rd to Foothill Rd; south on Foothill Rd to Muddy Cr Rd; east on Muddy Cr Rd to Pocahontas Rd; south and east on Pocahontas Rd to Baker City, point of beginning. [MAP]

HUNTS 252A1 and 252A2: Starkey - 67% public lands. All of Unit 52 excluding the Starkey Experimental Forest and Range enclosed within a 1/4-mi buffer outside the exterior 8-ft fence.

HUNT 252B: S Starkey - 60% public lands. All of Unit 52 south of State Hwy 244.

HUNT 252C: S Starkey Private - 0% public lands. Private lands only in that part of Unit 52 south of State Hwy 244, excluding Elkhom WA.

HUNT 252D: Starkey Experimental Forest - 100% public lands. That part of Unit 52 as follows: approximately 30 sq mi of Starkey Experimental Forest and Range enclosed located within Unit 52. A 1/4-mi buffer along all 8-ft high fences, the 900-acre feed area, 1,500-acre Campbell Flat and 3,600-acre intensive timber management area used to hunt all except as permitted by ODFW research personnel prior to any hunt. Hunters shall agree to participate in research collections and activities, which will include a general questionnaire about the hunting experience. See page 25 for a list of research that will affect this hunt. [MAP]

HUNT 252E: N Powder - 40% public lands. That part of Unit 52 as follows: Beginning 7 mi. south of La Grande at junction of I-84 and FR 43; west and south on FR 43 to FR 73 near Anthony Lakes; east on FR 73 to Powder and 184; north on I-84 to point of beginning.

HUNT 252F: North Starkey - 77% public lands. All of Unit 52 north of Hwy 244.

HUNT 253A: S Catherine Cr Private - 0% public lands. Private lands only in that part of Unit 53 south of Hwy 237 from Island City to Cove and Mill Cr Rd from Cove to Moss Springs Campground and that portion of Unit 63 south of Hwy 203.

HUNT 253B: S Catherine Cr - 40% public lands. That part of Unit 53 south of Hwy 237 from Island City to Cove and Mill Cr Rd from Cove to Moss Springs Campground.

HUNTS 253C1 and 253C2: Mt Harris - 20% public lands. That part of Unit 53 north of Hwy 237 from Island City to Cove and Mill Cr Rd from Cove to Moss Springs Campground. [MAP]

HUNT 254A: Pumpkin Ridge - 25% public lands. That part of Unit 54 beginning at Elgin; south on State Hwy 82 approximately 4-1/4 mi to Courtney Ln; west on Courtney Ln to Summerville Rd; north on Summerville Rd to Dry Cr Ln; west on Dry Cr Ln to Craig Lp; northwest on Craig Lp to Ruckel Rd; northwest on Ruckel Rd (FR 32) to FR 31; north on 31 to FR 3738 (Phillips Cr Rd); southeast on 3738 to State Hwy 204; east on Hwy 204 to Elgin, point of beginning. [MAP]

HUNT 255A: Mill Cr Watershed - 100% public lands. That part of Unit 55 described beginning at Mill Cr Watershed Intake at Mill Cr; north on Intake Trail ridge to Oregon-Washington state line in T6N, R38E, Section 15; east on state line to FR 64 (Skyline Rd); southeast on 64 to FR 65 (Tiger Canyon Rd); southwest on FR 65 to Indian Ridge trail; northwest on Indian Ridge trail to Tiger Cr Bridge on Mill Cr; east on Mill Cr to Mill Cr Watershed intake, point of beginning. See page 100 for specific regulations prior to applying for hunt. [MAP]

HUNTS 255X, 255Y1, and 255Y2: Walla Walla - 33% public lands. All of Unit 55 except for the Mill Cr Watershed. See 255A for Mill Cr Watershed hunt description.

HUNT 255A: Bartlett Bench - 10% public lands. That part of Unit 56 beginning at Troy; west on Wenaha Rvr to Crooked Cr; north on Crooked Cr to Washington state line; east on state line to Grande Ronde Rvr; south on Grande Ronde Rvr to Troy; east on Grande Ronde Rvr to Troy, point of beginning. [MAP]

HUNT 256B: Troy - 70% public lands. That part of Unit 56 north of Wenaha Rvr and east of N Fork Wenaha Rvr. [MAP]

HUNT 257A: Elk Cr - 20% public lands. That part of Unit 57 south and east of following line: Beginning on Unit 57 boundary at Enterprise; north on Hwy 3 to Charlois Rd (FR 46); southeast on Charlois Rd to FR 4605; north on 4605 to FR 4605-200; north on 4605-200 to FR 4615; north on 4615 to north boundary of Section 9 (T3N, R4W); east on north boundary of section 9 and 10 to Unit 57 boundary at Joseph. [MAP]

HUNTS 257B1 and 257B2: Flora - 5% public lands. That part of Unit 57 beginning at Day Ridge Rd; west on Day Ridge Rd to the line between Sections 28 and 29 (T4N, R4E); north on section line to Shamrock Cr; northwest on Shamrock Cr to Courtney Cr; northwest on Courtney Cr to Grande Ronde Rvr; northeast on Grande Ronde Rvr to Oregon-Washington state line; east on state line to Joseph Cr; southwest on Joseph Cr to Wallowa-Whitman Forest boundary; southwest on Forest boundary to Hwy 3; south on Hwy 3 to Day Ridge Rd, point of beginning. [MAP]

HUNT 257C: Whisky Cr - 0% public lands. That part of Unit 57 beginning at Enterprise; northwest on Hwy 82 to Promise Rd; north on Promise Rd to Dry Cr; east on Dry Cr to Troy Rd; north on Troy Rd to Toepe Cr Lookout Rd; southeast on Toepe Cr Lookout Cr Rd; southeast on Whisky Cr Rd to Middle Fork Whisky Cr; east on Middle Fork Whisky Cr to Hick Springs Rd, northeast on Hick...
Springs Rd to Hwy 3; south on Hwy 3 to Enterprise, point of beginning.

HUNT 257D: E Sled Springs - 10% public lands. That part of Unit 57 east of Powwakta Ridge Rd.

HUNT 257E: W Sled Springs - 25% public lands. That part of Unit 57 west of Powwakta Ridge Rd.

HUNT 257F: Cricket Flat - 0% public lands. That part of Unit 57 west of Wallowa Rvr.  

HUNTS 258A1, 258A2, 258A3 and 258A4: Zumwalt - 5% public lands. That part of Unit 58 south of the following line: Beginning where Crow Cr Rd crosses Chesnimmus Cr; east on Chesnmimus Cr to Pine Cr; southeast on Pine Cr to Alder Cr; southeast on Alder Cr to FR 990; east on 990 to FR 46; north on FR 46 to township line separating T2 and 3N; east on township line to Imnaha Rvr. [MAP]  

HUNTS 259A1, 259A2, and 259A3: Schleier-Park Crs - 20% public lands. 30 sq mi. That part of units 59 and 61 on or within one mi of agriculture lands along the Imnaha Rvr from Grouse Cr to High Camp Cr. [MAP]  

HUNTS 259X and 259Y: Snake Rvr Unit - 92% public lands. All of Unit 59. NOTE: Private lands on Imnaha Rvr may limit access to west portion of Unit 59. Hunters are required to obtain permission from landowners before accessing private lands.  

HUNT 260A: Alder Slope - 40% public lands. That part of Unit 60 beginning at Enterprise; south and east on Hwy 82 to BC Cr; up BC Cr through BC Saddle to Twin Cr; down Twin Cr to Hurricane Cr; north on Hurricane Cr to Little Granite Cr; up Little Granite Cr to summit of Lostine-Hurricane Divide; north on Lostine-Hurricane Divide through Ruby Peak and Murray Saddle to Eagle Cap Wilderness boundary; north and west on wilderness boundary to Pine Cr; east on Pine Cr to south and east on Hwy 82 to BC Cr; up BC Cr through BC Saddle to Twin Cr; down Twin Cr to Hurricane Cr; north on Hurricane Cr to Little Granite Cr; up Little Granite Cr to summit of Lostine-Hurricane Divide; north on Lostine-Hurricane Divide through Ruby Peak and Murray Saddle to Eagle Cap Wilderness boundary; north and west on wilderness boundary to Pine Cr; east on Pine Cr to Powell Rvr to Powwakta Ridge Rd; north on Powers Rvr to Hwy 82; east on Hwy 82 to Enterprise, point of beginning. [MAP]  

HUNTS 265A1 and 265A2: W Beulah - 80% public lands. That part of Unit 65 west of the following line: Beginning at the junction of Hwy 20 and N Fork of Malheur Rvr at Junjuta; north on N Fork Malheur Rvr to Little Malheur Rvr; then northerly on Little Malheur Rvr to FR 16; north and east on 16 to Hwy 26 near Marys Reservoir.  

HUNTS 265B1, 265B2, and 265B3: E Beulah - 50% public lands. This hunt occurs in an elk de-emphasis zone with liberal hunting seasons designed to control elk populations. It is not intended to be a quality hunting opportunity. That part of Unit 65 east of the following line: Beginning at the junction of Hwy 20 and N Fork of Malheur Rvr at Junjuta; north on N Fork Malheur Rvr to Little Malheur Rvr; northerly on Little Malheur Rvr to FR 16; north and east on 16 to Hwy 26 near Marys Reservoir.  

HUNTS 265C: Bully Cr - 60% public lands. This hunt occurs in an elk de-emphasis zone with liberal hunting seasons designed to control elk populations. It is not intended to be a quality hunting opportunity. That part of Unit 65 east of the following line: Beginning at the junction of Hwy 20 and N Fork of Malheur Rvr at Junjuta; north on N Fork Malheur Rvr to Little Malheur Rvr; northerly on Little Malheur Rvr to FR 16; north and east on 16 to Hwy 26 near Marys Reservoir.  

HUNTS 265D: E Grant - 85% public lands. That part of Unit 65 that drains into John Day Rvr system and that part of Unit 46 east of US Hwy 395. [MAP]  

HUNTS 266A1 and 266A2: Drewsey Valley - 65% public lands. Those parts of units 65 and 66 as follows: In Unit 65 beginning at the junction of the Drewsey-Prairie City Rd and US Hwy 20; north on the Drewsey-Prairie City Rd (FR 1663) to the Malheur NF boundary; east and north along the Malheur NF exterior boundary to the N Fork Malheur Rvr; south on the N Fork Malheur Rvr to US Hwy 20; west on US Hwy 20 to the Drewsey-Prairie City Rd In Unit 66 beginning at the junction of US Hwy 20 and Pine Cr Rd; north on Pine Cr Rd to the confluence of Little Pine Cr and Pine Cr; upstream to the west on Pine Cr to the Malheur NF boundary; north and east on the Malheur NF exterior boundary to FR 1663; south on FR 1663 and the Drewsey-Prairie City Rd through Drewsey to US Hwy 20; west on Hwy 20 to Pine Cr Rd, the point of beginning. National Forest land as well as state, private and other lands within the exterior boundary of the NF are excluded from the hunt area.  

HUNTS 266C: S Malheur Rvr - 70% public lands. That part of Unit 66 south of US Hwy 20.  

HUNTS 267A: E Whitehorse - 95% public lands. That part of Unit 68 lying south and east of State Hwy 95. Most elk found in this area migrate from Idaho and cannot consistently be found in Oregon. Elk will be scattered.  

HUNTS 271A1 & 271A2: Silvies-N Juniper - 45% public lands. Those parts of Units 71 and 72 as follows: In Unit 71 north of the following line: Beginning on US Hwy 395 near MP 17, east on Iron Mt Rd to Double O Rd; east on Double O Rd to State Hwy 205 (excluding Malheur NWR). That part of Unit 72 outside the boundary of the Ochoco and Malheur NF (National Forest land as well as state, private and other lands within the exterior boundary of the NF are excluded from the hunt area). That part of Unit 73 north and east of Placidea Butte Rd.[MAP]  

HUNTS 271B: N Juniper - 50% public lands. Those parts of units 71 and 73 as follows: That part of Unit 71 north of the following line: Beginning on US Hwy 395 near MP 17, east on Iron Mt Rd to Double O Rd; east on Double O Rd to State Hwy 205. Excluding Malheur NWR. That part of Unit 73 north and east of Placidea Butte Rd.  

HUNTS 272B: West Silvies - 60% public lands. That part of Unit 72 west of the following roads: Beginning at junction of US Hwy 20 and Silver Creek Rd (Harney Co Rd 138); north on Co Rd 138 and USFS Rd 45 to USFS Rd 41 north of Delintment Lake; north on USFS Rd 41 to 125Grant Co Rd 69; north on Co Rd 69 to Crook Co Rd 318; north on Co Rd 318 to junction with Paulina-Suplee Rd. [MAP]  

HUNTS 277A: Conley Hills - 55% public lands. That part of Unit 76 north and east of FRs 2901, 3036, 2914, 2916, 2917 and 2804 and that part of Unit 77 east of FR 2516. [MAP]  

HUNTS 277B: Hayes Butte - Murdock Cr - 40% public lands. That part of Unit 77 east of Co Rd 5-13 and that part of Unit 76 north and east of FRs 2901, 3036, 2914, 2916 and 28. [MAP]  

HUNTS 278A: High Desert - 80% public lands. That part of Unit 66 south of US Hwy 20; and all of units 67, 68, 69, 70, 71 and 73 excluding Malheur NWR and Hart M1 NAR.

With the increase of unlawful marijuana grows being located on State and National lands, hunters should be aware of their surroundings while recreating.  

If you observe camp sites away from main roads, irrigation equipment, cultivated areas or marijuana plants leave the area immediately from the same direction you entered. Note the location of the suspicious activities and report that information to your local law enforcement agency or the Oregon State Police TIP line at 1-800-452-7888.
east on Homan Rd to Powers Rd; north on Rd; north on Sunrise Rd to Homan Rd; to Reavis Ln; west on Reavis Ln to Sunrise to Black Marble Ln; west on Black Marble Ln to Alder Slope Rd; north on Alder Slope Rd to Century Ln; west on Century Ln to Pine Tree Rd; west and north on Pine to Hurricane Cr Rd; north on Hurricane Cr Rd are prohibited for hunting: Beginning at boundary, centerfire rifles and handguns the following portion of the Alder Slope Hunt beginning. [MAP] Special restriction: Within southeast on Hwy 82 to Enterprise, point of Lostine Rvr to Rd 8250; northwest on Rd Cr; down Silver Cr to Lostine Rvr; north on and west on wilderness boundary to Silver to Eagle Cap Wil der ness boundary; north Divide; north on Lostine-Hurricane Divide Granite Cr to summit of Lostine-Hurricane Enterprise; south and east on Hwy 82 to BC are required to obtain permission from access to west portion of Unit 59. Hunters Private lands on Imnaha Rvr may limit - 92% public lands. All of Unit 59. NOTE: Rvr from Grouse Cr to High Camp Cr. [MAP] one mi of agriculture lands along the Imnaha mi. ### HUNT DESCRIPTIONS

For those hunt descriptions with [MAP] following the description, maps can be found on our website at www.dfw.state.or.us/resources/hunting/big_game/units.

#### HUNT 200M1: NW Cascades - All of units 16 and 19 and that part of Unit 21 in the Willamette Rvr Drainage north of the following line: Beginning along the eastern edge of Unit 21 at the Pacific Crest Trail; south on the Pacific Crest Trail to Trail 3641; westerly on Trails 3641, 3643 and 1407 to FS Rd 770; westerly on FRs 770, 2154, 236, 436 to FR 3810; northwest on 3810 to junction of FR 3810 and 5851; north on 5851 to trail 1407; north on 1407 to FR 5850; north and west on 5850 to 745; westerly along FRs 745, 2123, 767, 2212 (Champion Saddle) and Co Rd 2460 (Sharps Cr Rd) to BLM Rd 23-1-12; southwest on BLM Rds 23-1-12 and 23-1-13 to BLM Rd 23-3-5.4 (Big Rvr Rd); northwest on BLM Rd 23-3-5.4 to the unit boundary of London Rd. [MAPS: USFS Umpqua NF, Willamette NF, Umpqua NF-Diamond Lake Ranger District]

#### HUNT 200M2: SW Cascades - All of units 22, 29, and 30 that part of Unit 21 south of the following line: Beginning along the eastern edge of Unit 21 at the Pacific Crest Trail; south on the Pacific Crest Trail to Trail 3641; westerly on Trails 3641, 3643 and 1407 to FS Rd 770; westerly on FRs 770, 2154, 236, 436 to FR 3810; northwest on 3810 to junction of FR 3810 and 5851; north on 5851 to Trail 1407; north on 1407 to FR 5850; north and west on 5850 to 745; westerly along FRs 745, 2123, 767, 2212 (Champion Saddle) and Co Rd 2460 (Sharps Cr Rd) to BLM Rd 23-1-12; southwest on BLM Rds 23-1-12 and 23-1-13 to BLM Rd 23-3-5.4 (Big Rvr Rd); northwest on BLM Rd 23-3-5.4 to the unit boundary of London Rd. [MAPS: USFS Umpqua NF, Umpqua NF-Diamond Lake Ranger District]

#### HUNT 212M: N Fork Nehalem - 20% public lands. 40 sq mi in units 10 and 12 within 1 mi either side of the following rds: Hwy 53 from Nehalem Hatchery to Hwy 101; N Fork Rd from Hwy 53 to Hwy 101; Foss Rd from Hwy 53 to mouth of Cook Cr; Miami Foley Rd from Foss Rd to mouth of East Foley Cr. [MAP]

#### HUNT 214M: NE Trask - 15% public lands. That part of Unit 14 beginning at the junction of Hwy 8 and Hwy 47 (Forest Grove); south on Hwy 47 to Pike Rd (Yomhill); north and west on Pike Rd to Rockyford Rd; south on Rockyford Rd to Old Railroad Grade; west on Old Railroad Grade to 2-5-29.0 Rd (CCC Rd and Toll Rd); west and north on 2-5-29.0 Rd to 2-6-3 Rd at Murphy Camp; north and east on 2-6-3 Rd (Flora Mainline) to N Fork Trask Rvr Rd at Neverstil; north and west on N Fork Trask Rvr Rd to Williams Rd; north on Williams Rd to 2500 Line Rd; and that part of 2500 Line Rd to Seven Cedars Rd cross-over; north and east on Seven Cedars cross-over to C-Line Rd; north and east on C-Line Rd to Beaver Dam Rd; north on Beaver Dam Rd to Hwy 6; and that part of Hwy 6 to junction with Hwy 8; south and east on Hwy 8 to Hwy 47, point of beginning. [MAP]

#### HUNT 218M: Klickitat Mtr - 90% public lands. That part of Unit 18 beginning at State Hwy 34 and Five Rivers Rd; south on Five Rivers Rd to FR 32; south on FR 32 to FR 3250; west on FR 3250 to FR 37; west on FR 37 to FR 58; south on FR 58 to FR 1055; west on 1055 to US Hwy 101; north on Hwy 101 to FR 55 (Cape Ridge Rd); east on 55 to FR 58; north on FR 58 to FR 5860; north and west on FR 5860 to FR 3642 (Canaal Cr Rd); north on FR 3642 to Hwy 34; and that part of Hwy 34 to Five Rivers Rd, point of beginning. [MAP]

#### HUNT 222M: Dixon Unit - One antlerless elk  Aug. 1 - Dec. 15  10   123

#### HUNT 224M: Williams Rvr - That part of Williams Rvr beginning at junction of Hwy 101 and Coos Bay-Allegany Rd; northeast on Coos Bay-Allegany Rd to Allegany; northwest on E Fork Millimica Rd to FR 1000 at Marlow Cr; northeaster on 1000 to State FR 1850; east on 1850 to Douglas Co Rd 3; north on 3 to Umpqua Rvr; and that part of Hwy 34 to Five Rivers Rd, point of beginning. [MAP]

#### HUNT 225M: E Grant - That part of Hwy 34 to Five Rivers Rd, point of beginning. [MAP]

#### HUNT 226M: Pole Cr - 100% public lands. All public lands within the Unit 48.

#### HUNT 227M: High Desert - 100% public lands. All public lands within the Unit 48.

#### HUNT 234M: E Cascade - 70% public lands. All of units 34 and 39; that part of Unit 38 west of US Hwy 97 and south of US Hwy 26; and that part of Unit 77 west of US Hwy 97.

#### HUNT 235M: Paulina - E Ft Rock - 75% public lands. All of Unit 35 and that part of Unit 77 east of Hwy 97.

#### HUNT 243M: Pole Cr - 100% public lands. All public lands within the Unit 48.

#### HUNT 251M1 and 251M2: Elkhorn - 8% public lands. That part of Unit 51 starting in Baker City; south on Hwy 7 to Auburn Rd; west on Auburn Rd to USFS boundary; north on USFS boundary to Anthony Lakes Hwy; east on Anthony Lakes Hwy to Ellis Rd; north on Ellis Rd to N Powder Rvr Ln; east on N Powder Rvr Ln. 15 mi east; south on 15 mi to Baker City. [MAP]

#### HUNT 253M: Mt Harris - 8% public lands. That part of Unit 51 north of Hwy 237 from Island City to Cove and Mill Cr Rd from Cove to Moss Springs Campground. [MAP]

#### HUNT 254M1 and 254M2: Union Agri - 5% public lands. On or within 1 mi of agricultural lands in Unit 52 and those portions of units 53, 54, 55, and 56 on or within 1 mi of agricultural lands in Union Co, excluding Elkhorn WA from Dec. 1 - Jan. 31. Agricultural lands are described on definitions page.

#### HUNT 265M: E Grant - 85% public lands. That part of Unit 65 that drains into John Day Rvr system and that part of Unit 46 east of US Hwy 395. [MAP]

#### HUNT 278M: High Desert - 80% public lands. That part of Unit 66 south of US Hwy 20; and all of units 67, 68, 69, 70, 71 and 73 excluding Malheur NWR and Hart Mt NAR.
**YOUTH-CONTROLLED ELK HUNTS**

**APPLICATION DEADLINE: MAY 15, 2013. Use complete hunt numbers when applying.**

**TAG SALE DEADLINE is day before the hunt begins.** For hunts with more than one hunt period, the tag sale deadline is day before the earliest opening date.

The elk hunts listed below and the deer hunts listed on page 59, are part of a program to encourage youth participation in big game hunting. These hunts are designed to provide young hunters with a safe, well-supervised, low-stress setting where they can enjoy the hunt while building fundamental skills. Youths must be accompanied by an adult at least 21 years of age. Adults may not accompany more than two youths.

To apply, hunters must be 12-17 years old at the time they hunt, have completed a hunter safety class by the time they hunt (see page 85 for Hunter Education Requirement) and have a hunting license. Youths selected for these hunts will be provided with additional information and recommendations about preparing for the hunt. See pages 13-15 for application procedures. Hunters should apply for more than one hunt area.

**HUNT AREA:** Entire wildlife management unit unless indicated by an asterisk (*). Landowner preference tags available, see page 19.

**Private lands will limit access for hunts printed in red. Do not apply unless you have access to a place to hunt.**

CONTROlLED 200 SERIES ELK BOW HUNTS

TAG SALE DEADLINE is Aug. 23 for ALL HUNTS in TABLE BELOW.
NOTE: Successful for 216R, 217R, 218R, 219R, 221R, 224R, 226R, 230R, 237R1, 237R2, 252R, 257R1, 257R2, and 258R applicants will receive one tag valid for both the general elk bowhunting season and a controlled bow season. Do not purchase a general season bow tag if you are successful in the controlled hunt draw. Tags must be purchased by the day before the earliest hunt begins. Hunters who harvest an elk during the general bowhunting season may not hunt in the controlled bow season. You can harvest only one elk per year.

HUNT AREA: Entire wildlife management unit unless indicated by an asterisk(*). A map will be sent if indicated in hunt description by [MAP]. Landowner preference tags available, see page 19.

STOP Private lands will limit access for hunts printed in red. Do not apply unless you have access to a place to hunt.

HUNT #  HUNT NAME  BAG LIMIT  OPEN SEASON  2012 TAGS  2012 1ST CHOICE APPLICANTS

216R  Santiam Bow*  One antlerless elk  Nov. 23 - Dec. 8  890  154
217R  Stott Mt Unit Bow  One antlerless elk  Nov. 23 - Dec. 8  275  62
218R  Alsea Unit Bow  One antlerless elk  Nov. 23 - Dec. 8  550  229
219R  McKenzie Unit Bow*  One antlerless elk  Nov. 23 - Dec. 8  880  193
221R  N Indigo Bow*  One antlerless elk  Nov. 23 - Dec. 8  660  85
224R  Elliott Bow  One 3 pt. +  Dec. 14 - 29  110  51
226R  Powers Unit Bow  One elk  Aug. 24 - Sept. 22  62  240
237R1  Ochoco Unit Bow No. 1  One elk  Aug. 24 - Sept. 22  770  1,715
Deer bowhunters must also have a controlled Ochoco Unit elk bow tag (used or unused) to hunt deer in the Ochoco Unit.
237R2  Ochoco Unit Bow No. 2  One bull elk  Aug. 24 - Sept. 22  est. 500 in 2013  NEW
Deer bowhunters must also have a controlled Ochoco Unit elk bow tag (used or unused) to hunt deer in the Ochoco Unit.
252R  Starkey Exp. Forest Bow*  One bull elk  Aug. 24 - Aug. 28  25  166
254R1  Mt Emily Unit Bow No. 1  One 3 pt. +  Aug. 24 - Sept. 22  54  1,259
Deer bowhunters must also have a controlled Mt Emily Unit elk bow tag (used or unused) to hunt deer in the Mt Emily Unit.
254R2  Mt Emily Unit Bow No. 2  One spike only elk  Aug. 24 - Sept. 22  est. 150 in 2013  NEW
Only archery elk opportunity
Deer bowhunters must also have a controlled Mt Emily Unit elk bow tag (used or unused) to hunt deer in the Mt Emily Unit.
255R1  Walla Walla Unit Bow No. 1  One bull elk  Aug. 24 - Sept. 22  22  407
Deer bowhunters must also have a controlled Walla Walla Unit elk bow tag (used or unused) to hunt deer in the Walla Walla Unit.
255R2  Walla Walla Unit Bow No. 2  One spike only elk  Aug. 24 - Sept. 22  est. 50 in 2013  NEW
Deer bowhunters must also have a controlled Walla Walla Unit elk bow tag (used or unused) to hunt deer in the Walla Walla Unit.
256R1  Wenaha Unit Bow No. 1  One bull elk  Aug. 24 - Sept. 22  25  2,590
Deer bowhunters must also have a controlled Wenaha Unit elk bow tag (used or unused) to hunt deer in the Wenaha Unit.
256R2  Wenaha Unit Bow No. 2  One spike only elk  Aug. 24 - Sept. 22  est. 150 in 2013  NEW
Deer bowhunters must also have a controlled Wenaha Unit elk bow tag (used or unused) to hunt deer in the Wenaha Unit.
257R1  Sled Springs Unit No. 1 Bow  One elk  Aug. 24 - Sept. 22  212  814
Deer bowhunters must also have a controlled Sled Springs elk bow tag (used or unused) to hunt deer in the Sled Springs Unit.
257R2  Sled Springs Unit No. 2 Bow  One antlerless or spike elk  Aug. 24 - Sept. 22  65  106
Deer bowhunters must also have a controlled Sled Springs elk bow tag (used or unused) to hunt deer in the Sled Springs Unit.
258R  Chesnimnus Unit Bow  One bull elk  Aug. 24 - Sept. 22  330  533
Deer bowhunters must also have a controlled Chesnimnus Unit elk bow tag (used or unused) to hunt deer in the Chesnimnus Unit.

'Hunt Descriptions:
For those hunt descriptions with [MAP] following the description, maps can be found on our website at www.dfw.state.or.us/resources/hunting/big_game/unit.

HUNt 216R: Santiam Bow- Those portions of Unit 16 in Linn and Marion Cos excluding Mt. Hood NF and Willamette NF lands.
HUNt 219R: McKenzie Unit Bow- All of Unit 19 excluding Willamette NF Land.
HUNt 221R: N Indigo Bow - 23% public lands. 415 sq mi in northwest corner of Unit 21 beginning at Cottage Grove; north on I-5 to State Hwy 58; southeast on Hwy 58 to Willamette NF boundary; south on Forest boundary to BLM Rd 23-1-13; west on 23-1-13 to 23-3-5.4 (Big Rvr Rd); northwest on Big Rvr Rd, London Rd, and S 6th St to I-5; north on I-5 to Cottage Grove, point of beginning. [MAP]
HUNt 226R: Elliott Bow - 44% public lands. That part of Unit 24 as follows;
Beginning at US Hwy 101 at Bunker Hill; northeast on Coos Bay-Allegany Rd to Allegany; northeast on E Fork Millicoma Rvr Rd to State FR 1000 at Marlow Cr; northeast on 1000 to State FR 1850; east on 1850 to Douglas Co Rd 3; north on Rd 3 to Umpqua Rvr; west on Umpqua Rvr to Pacific coast; south on Pacific coast to north shore of Coos Bay; west on Coos Bay north shore to US Hwy 101; south on 101 to Bunker Hill, point of beginning. [MAP]
HUNt 230R: W Rogue Bow- 35% public lands. That part of Unit 30 west of the following line: Beginning at State Hwy 62 and Butte Falls –Prospect Rd; south on Butte Falls-Prospect Rd to Butte Falls Fish Lk Rd to Southeast of Butte Falls; southeast on Butte Falls Fish Lk Rd to State Hwy 140; east on Hwy 140 to boundary of Unit 30; south on Unit boundary to Oregon-California State line; and that part of Unit 22 in Jackson Co south of the NF exterior boundary. [MAP]
GENERAL ELK BOW SEASONS

ELK BAG LIMIT DEFINITIONS:

3 pt. + = Bull elk having three points or more on one antler including the brow tine.
Antlerless = Cow or calf elk.
Bull elk = Bull elk with at least one visible antler.
One elk = Either sex elk.
Spike only = Bull elk with at least one visible unbranched antler (a brow tine is not considered an antler branch under spike only regulations). Refer to sketches on page 63.

For Controlled Elk Bow Hunts, see page 79.
Refer to page 30 for bowhunting equipment restrictions under Legal Hunting Methods.
Only traditional archery equipment (long or recurve) may be used to hunt in the Canyon Cr archery area of the Murderers Cr Unit between Aug. 24 - Aug. 30.

“AVOID THE FEE” MANDATORY REPORTING REQUIRED SEE PAGE 6

OREGON 80 Refer to page 30 for bowhunting equipment restrictions under Legal Hunting Methods.

Some pronghorn antelope hunts, W High Cascade and Hood-White Rvr deer hunts, most youth elk hunts, general black bear season, general cougar season, most bighorn sheep hunts, all Rocky Mt goat and all Access and Habitat auction and raffle hunts.

CONSULT HUNT TABLES FOR HUNTS SCHEDULED DURING ARCHERY SEASONS.

To Report Wildlife Violators Call 1-800-452-7888 or tip@state.or.us
“Adult Hunting License” is a resident or nonresident hunting license, resident combination angler’s and hunting license, disabled veteran’s angling and hunting license, pioneer’s angling and hunting license, or senior citizen’s angling and hunting license.

“Agricultural Lands” are lands not less than 10 acres in extent that have been cultivated and planted or irrigated to domestic crops that are currently in use. Isolated home gardens, abandoned farmsteads, logged lands, range lands and tree farms are not included in this definition.

“Antler Point” is a point at least 1 inch in length measured from tip of point to nearest edge of beam. This definition applies only to the 3-point elk and spike only elk bag limits.

“Antlerless Deer” means doe or fawn deer.

“Antlerless Elk” means cow or calf elk.

“Bait” for hunting game mammals means any substance placed to attract an animal by its sense of smell or taste, including, but not limited to, food items or minerals (such as salt). Applying a scent or attractant to one’s body or clothing while worn is not baiting.

“Brace Height” is the distance from the back of the bow’s riser at the handgrip to the string when the bow is at rest.

“Broadhead” see Unbarbed Broadhead.

“Buck deer” means a male deer with at least one visible antler.

“Buck Pronghorn” means a male pronghorn antelope with visible horns and a dark cheek patch below the ear.

“Bull elk” for the purposes of a bag limit definition, means a male elk with at least one visible antler.

“Carcass” means the skinned or unskinned body, with or without entrails, of a game bird or game mammal.

“Cervid” means any member of the family cervidae (deer), including gametes or hybrids.

“Closed Season” is any time and place when it is not authorized to take a specific species, sex, or size of wildlife.

“Controlled Hunt” is a season where the number or distribution of hunters is limited through a public drawing or other means.

“Doe or fawn pronghorn”, for the purpose of pronghorn bag limits, means a female pronghorn without a dark cheek patch below the ear, or a pronghorn fawn (young of the year) of either sex.

“Eligible Hunter” is someone who will be 12 years of age by the time they hunt.

“Established Airport” is one that the Oregon Department of Aviation has licensed as a public-use airport, registered as a personal-use airport, or specifically exempted from either licensing or registration.

“Feral Swine” are animals of the genus Sus which meet the following conditions: (1) The animals are free roaming on public or private lands and not being held under domestic management confinement; (2) No notification to the land owner, manager, or occupant has been made by the swine owner or their representative of specifically identified and described swine having escaped domestic management confinement within a radius of five miles during the past five days; (3) The swine under consideration do not appear to be domesticated and are not tame; and (4) The swine under consideration do not meet the identification and description of escaped swine in section (2) above.

“Furbearers” are beaver, bobcat, fisher, marten, mink, muskrat, otter, raccoon, red fox and gray fox. Bobcat and Fox Hunters: Bobcat and fox are defined as furbearers. A Furtaker’s License or a Hunting License for Furbearers is required to take furbearers including bobcat and fox. In addition, a bobcat record card is required prior to hunting, trapping, or harvesting bobcats. For more information please refer to the current Oregon Furbearer Trapping and Hunting Regulations, available at any ODFW office or by contacting Oregon Department of Fish and Wildlife, Trapper Education, 3406 Cherry Ave. NE, Salem, OR 97303; 503-947-6000.

“Game Birds” are any waterfowl, snipe, band-tailed pigeon, dove, pheasant, quail, partridge, grouse, or wild turkey.

“Game Mammals” are pronghorn antelope, bighorn sheep, black bear, cougar, deer, elk, moose, Rocky Mt goat and western gray squirrel.

“General Season” is any season open to the holder of a valid hunting license and appropriate game mammal tag without restriction as to the number of participants.

“Hunt” means to take or attempt to take any wildlife by means involving the use of a weapon or with the assistance of any mammal or bird. Informational Note: As per ORS 161.405 “Attempt” described: A person is guilty of an attempt to commit a crime when the person intentionally engages in conduct which constitutes a substantial step toward commission of the crime.

“Inedible” means unfit for human consumption.
“Juvenile hunting license” means a resident, nonresident hunting license or resident combination angling and hunting license for persons 9 to 17 years of age to hunt wildlife.

“Landowner” means a person who holds title in trust or in fee simple to 40 or more contiguous acres of land provided that a recorded deed or contract of ownership shall be on file in the county in which the land is located; and/or a corporation or Limited Liability Company (LLC) holding title in fee simple to 40 or more contiguous acres of land provided that the corporation or LLC shall be registered with the State of Oregon; and/or a partnership holding title in fee simple to 40 or more contiguous acres of land. Persons who hold title as part of a time share are not eligible for landowner preference.

“Muzzleloader” is any single barreled (shotguns may be double barreled) long gun meant to be fired from the shoulder and loaded from the muzzle with an open ignition system and open or peep sights. This definition applies to muzzleloader-only seasons and 641B, 641A1, 641A2, 644A3, 644T1, 649B and 652T2 and includes: open ignition in-line percussion; sidelock, under-hammer, top-hammer and mule ear percussion; sidelock flintlock and wheelock ignition systems. Matchlock ignition systems are not allowed.

“One deer” means a buck, doe, or fawn deer.

“One elk” means a bull, cow, or calf elk.

“Open Ignition” is an ignition system where the percussion cap, frizzen, or flint is visible and exposed to the weather at all times and is not capable of being closed or covered by any piece of the weapon.

“Point-of-Sale” (POS) is a computerized licensing system available at all locations that sell Oregon’s hunting and angling licenses. Licenses and tags are generated and issued directly to customers from a POS machine at the time of sale.

“Possession” means holding any wildlife or parts thereof in custody and any person who counsels, aids, or abets another person holding such wildlife is deemed equally in possession.

“Predatory Animals” means coyotes, rabbits, rodents and feral swine which are or may be destructive to agricultural crops.

“Protected Mammals and Birds” are any game mammal, game bird, furbearer, Threatened or Endangered species, fisher, ringtail cat, fringed myotis, Townsend’s big-eared bat, pallid bat, silver-haired bat, western small-footed myotis, long-eared myotis, long-legged myotis, yuma myotis, pika (cony), pygmy rabbit, white-tailed jackrabbit, white-tailed antelope squirrel, Washington ground squirrel, northern flying squirrel, chickaree (pine squirrel), golden-mantled ground squirrel, chimpunks, white-footed vole, all marine mammals and all nongame birds except European starling, house sparrow, Eurasian collared dove, and rock pigeon. Protected species may not be taken without a valid license and tag during authorized seasons or a Scientific Taking Permit. However, rabbits and rodents on private property may be taken with landowner permission.

“Pursue” means the act of trailing, tracking, or chasing wildlife in an attempt to locate, capture, catch, free, or kill any game mammal or furbearer.

“Resident” is one who has physically dwelled in Oregon continuously for the six months prior to applying for a license. Temporary absences from Oregon during that time period do not defeat a person’s residency so long as such absences were not for the purpose of establishing residency outside Oregon. The legal requirement is implemented by this certification that a license applicant must sign: “I, the undersigned, hereby certify and declare that the information provided to obtain this license/tag is true. To acquire an Oregon resident license/tag I certify that I have resided continuously within Oregon no less than six months immediately prior to applying for this license/tag. I have resided in Oregon for ____ years and ____ months. I acknowledge this license was issued as requested and understand that no refund will be made.” Members of the armed forces assigned to permanent duty status in Oregon including spouses and dependent children, and foreign exchange students attending school in Oregon under a foreign exchange program may purchase a resident license and tags.

“Resident Juvenile” is any “Resident” of Oregon 12 through 17 years of age.

“Sabot” is a carrier, bushing or device in which a projectile of a smaller caliber is centered so as to permit firing the projectile within a larger caliber weapon. Cloth, paper or felt patches used with round balls are not considered a sabot.

“Shotgun” is a smooth bore firearm, designed for firing birdshot and intended to be fired from the shoulder, with a barrel length of 18 inches or more and with an overall length of 26 inches or more. Exceptions: Shotguns equipped with rifled slug barrels are considered shotguns when used for hunting pronghorn antelope, black bear, cougar, deer, or elk when centerfire rifles or shotguns are legal weapons.

“Spike Deer” is a deer with spike (unbranched) antlers.

“Spike only elk” for the purposes of a bag limit definition, means a bull elk with at least one visible unbranched antler (a brow line is not considered an antler branch under spike only elk regulations).

“Tag” is a document authorizing the taking of a designated kind of mammal at a specified time and place.

“Take” means to kill or obtain possession or control of any wildlife.

“Three (3) point plus (+) elk” for the purpose of a bag limit definition, means a bull elk having 3 points or more on 1 antler including the brow line.

“Unbarbed Broadhead” means a fixed position arrowhead where the rear edge of the blade(s) forms an angle with the arrow shaft to which it is attached of 90° or greater. Both of the dashed lines (Figure 1) designate an unbarbed broadhead. Blades with rear edges that form an angle of less than 90 degrees in the direction of the arrow tip (Figure 2, for example) are not legal.

“Unprotected Mammals and Birds” means European starling, house sparrow, Eurasian collared dove, rock pigeon and any mammal species for which there are no closed seasons or bag limits. However, all general hunting regulations and licensing laws still apply. Common unprotected mammals include coyote, badger, gophers, moles, mountain beaver, marmots, porcupine, skunks, cottontails, black-tailed jackrabbit, rats, mice, opossum, nutria and weasels.

“Visible Antler” means a velvet or hardened antler that is visible above the hairline on the skullcap and is capable of being shed.

“Waste” means to allow any edible portion of any game mammal (except cougar) or game bird to be rendered unfit for human consumption, or, to fail to retrieve edible portions except internal organs of such game mammals or game birds from the field. Entrails, including the heart and liver, are not considered edible.

“Weapon” means any device used to take or attempt to take wildlife.

“Wildlife” means fish, wild birds, amphibians, reptiles, wild mammals and feral swine.

“Wildlife Unit” means a geographic area described in the section, Wildlife Management Unit Boundary Descriptions, pages 91-95.
The Master Hunter Program is an advanced hunter education program designed to help hunters increase their knowledge and help them understand concerns of private landowners. The program’s objectives are:

- Foster positive relationships between hunters and private landowners.
- Increase hunting access to private lands by giving landowners a way to identify hunters who have had advanced training.
- Improve the hunting experience for graduates.
- Improve the public image of hunters.

The program includes a home study course, a 4-hour class that includes a written test, a test of firearms proficiency, and a requirement to perform 20 hours of volunteer service that benefits Oregon’s natural resources.

A fish and wildlife violation background check will be conducted prior to certification, and no person with a violation in the past 5 years will be allowed to graduate. Additional checks will be conducted each time a certified Master Hunter applies for special hunting privileges. Any conviction or plea of guilt to a wildlife violation (including angling violations) will result in a five year suspension from the program.

Special Opportunities: Master Hunters applying between July 1 and July 31 are given priority when selecting hunters for emergency hunts.

Responsibility or Regulation?

The Choice is Yours!

Nobody likes regulations; but if irresponsible ATV use continues to cause unacceptable impacts, then regulations will become necessary to ensure protection of public lands. A better alternative would be for ATV users to recognize the impacts their activity can cause and voluntarily take steps to reduce those impacts. ATV users are not unique in this respect - as more and more people use public lands for recreation, the potential impacts of these activities are growing fast.

Oregon Off-Highway Vehicle Laws

All ATVs operating on public lands must display an Oregon ATV Operating Permit. Please refer to the Oregon Parks & Recreation website for more information: www.prd.state.or.us.

Permits can be purchased over the telephone, through many Oregon State Parks and Recreation Dept. offices or at one of their 200 vendors. A current vendor list is available online at www.prd.state.or.us. For more information or to purchase a permit over the telephone, call 1-800-551-6949.

Refer to page 27 of this publication for hunting and ATV regulations.

Road Closures

There are a number of reasons why some modes of travel are restricted on public lands. Reasons for restricting travel include:

- Wildlife and Habitat Protection
- Minimize Conflict Between Users
- Public Safety

Hunting and ATV’s

Resource Protection
Legal Mandates
Fire Protection

Reduce ATV Impacts

What you can do to reduce ATV impacts:

- Know the vehicle use regulations for the area you are hunting and respect road and area closures.
- Avoid the use of ATVs in wet areas or during wet conditions. Even though the lighter weight and low-pressure tires reduce impacts, ATVs can still do serious damage to wet areas.

Interesting Facts

- Since 1995, the number of All Terrain Vehicles (ATVs) in Oregon has increased fivefold. There are now over 129,000 valid ATV Operating Permits in the state.
- Studies have shown that the harvest of bull elk increases with increased hunter access. Eventually this can lead to reduced hunter opportunity.
- Elk use declines in areas with adjacent roads open to motorized vehicles.

Hunter Ethics

As a hunter, you are responsible to adopt and follow a personal code of ethics that reflects your values and your respect for wildlife, hunting and pass on the sport of hunting to those who come after you. Remember the following points to help ensure the future of Oregon’s hunting heritage.

Respect the Resource

- Leave the land better than you found it.
- Adhere to fair chase rules.
- Know your capabilities and limitations as a marksman.
- Harvest no more than you will use, and take care of what you take.
- Abide by game laws and regulations.
- Report hunting violations to the Oregon State Police at 1-800-452-7888.

Respect Others

- Follow safe firearm handling practices and insist your hunting partners do the same.
- Know what is beyond your target. Shot pellets can be fatal to both people and dogs.
- Don’t interfere with another person’s hunt.
- If mentoring a youth hunter, be sure to pass on safe, responsible and ethical knowledge and skills.
- Wear hunter orange when hunting.

Be Safe – Be Seen.
The Mentored Youth Hunter Program allows youth ages 9 through 13 to hunt without first passing a hunter education class. It gives unlicensed youngsters the opportunity to receive mentored, one-on-one field training on the ethics, safety, responsibility and enjoyment of hunting while being closely supervised by a licensed adult.

Youth Participation
A youth may participate in the mentored youth hunter program, without first passing an approved hunter education program, provided the youth:

- Is 9 through 13 years of age. At age 14, a youth is no longer eligible to participate in the mentored youth hunting program. From age 14 through 17, a youth must pass an approved hunter education program and possess his or her own license and/or tags.
- Hunts while accompanied by a supervising hunter who is 21 years of age or older and who has a valid license and tag(s) for the dates, area and species being hunted.
- Annual registration is required.
- Has in possession proof of registration.
- Reviews and acknowledges understanding of material on safe hunting practices provided by the department by signing form.
- Follows all regulations regarding hunting in the given wildlife management unit, management area or location.
- Remains under the immediate control of the supervising hunter at all times while the youth is in possession of any legal weapon for the hunt.

Supervising hunter
The supervising hunter shall:

- Have a valid hunting license and tag(s) valid for the dates, area, and species being hunted.
- Maintain immediate control of the mentored youth hunter at all times while the youth is in possession of any legal weapon for the hunt.
- Ensure that all Oregon hunting regulations are followed. The supervising hunter shall be responsible and accountable for all actions of the mentored youth hunter while engaged in hunting.
- Supervise only one mentored youth hunter at any given time while engaged in hunting.
- Review information on safe hunting practices provided by the department with the youth.

Safety
While engaged in mentored youth hunting activities:

- The supervising hunter shall maintain immediate control of the mentored youth hunter at all times while the mentored youth hunter is in possession of any legal weapon for the hunt.
- The supervising hunter shall not accompany more than one mentored youth hunter at any given time while engaged in hunting.
- The supervising hunter and the mentored youth hunter shall not collectively possess more than one weapon legal for the hunt at any given time while engaged in hunting.

Seasons and bag limits
- Any wildlife harvested by the mentored youth hunter shall be counted towards the supervising hunter’s bag limit.
- A youth is not eligible to participate in the mentored youth hunting program if the youth possesses their own valid hunting license and tag[s] valid for the dates, area and species being hunted.
- The mentored youth hunting program is not applicable to designated youth only seasons and hunts.

Mentored Youth Preference Points
Youth participating in the mentored youth hunting program will receive one mentored youth preference point for each year the youth registers for the program.

- The mentored youth preference points will be “banked” and held in the licensing system with no expiration date. To redeem banked points, the mentored youth will be required to fill out a form supplied by the department’s License Services Section that clearly states what species the mentored youth wants their mentored youth preference points moved to.
- Points must be used at one time and may not be split among species.
- Once Mentored Youth Preference Points are redeemed, they are converted to the Preference Point System and are subject to the Oregon Administrative Rules that govern preference points.

For more information please visit: http://www.dfw.state.or.us/resources/hunting/mentored_youth_hunting_program/index.asp

Register online at: www.dfw.state.or.us/online_license_sales or at any POS license agent.
NEW Online Hunter Education Registration

Who Needs to Take Hunter Education?
- Anyone age 17 or under must have proof of hunter education in their possession (certificate or valid license that includes hunter education number) when hunting on land other than their own property, except youth participating in the Mentored Youth Program.
- Many states require ALL hunters to have passed hunter education - plan your out-of-state hunts accordingly.

Information for Youth:
- A youth may participate in the Mentored Youth Hunter Program.
- From age 9 through 13, a youth hunting is allowed to hunt if accompanied by a supervising hunter who is age 21 years or older and who has a valid license and/or tags.
- From age 14 through 17, a youth must pass the department with the youth.
- A youth may purchase licenses and tags prior to taking course, but must carry proof of having passed hunter education in the field.
- There is no minimum age requirement to take a class; however a child must be able to physically handle a firearm safely and understand the concepts of firearm safety and other topics covered in class.

How to Obtain a Duplicate Card?
- Download form from: http://dfw.state.or.us/outdoor_skills/hunter/index.asp
- Fax to 503-947-6009 or mail to 3406 Cherry Ave. NE Salem, OR 97303

For more information call 503-947-6028

WANTED: HUNTER EDUCATION INSTRUCTORS

Do you have a passion for hunting that you would like to pass on to others?

ODFW's Hunter Education Program NEEDS you!
Pass on the hunting tradition to future generations in a safe, fun, and responsible manner.
- Firearm and hunter safety
- Wildlife management and conservation
- Hunter ethics and responsibilities
- Outdoor safety

Hunter education instructors are individuals 21 and older who have a passion for hunting. You do not need to be an expert hunter to teach this course; a strong interest in introducing young people and adults to the sport is what is required.

ODFW Hunter Education Program 503-947-6028
www.dfw.state.or.us
WHO MAY APPLY:

opportunities.

many programs ODFW has in response to Oregon residents age 12 to 17. To qualify for the “Youth First Time Hunt Program the youths must have “First Time” tags once they turn age 18. Youths may not hunt with adults who apply in a party with a youth in the controlled hunt drawing and are unsuccessful will not receive tags if the youth requests a “First Time” tag.

Youth can use their “First Time” options in any combination (all in one year, one per year, skip years between tags). Youths participating in the “First Time” program are not eligible to participate in the Mentored Youth Hunter Program for that particular hunt for that year.

WHO MAY APPLY:

Oregon residents age 12 to 17. See page 85 for Hunter Education requirements. Youths 11 years old may apply if they will be 12 by the time they hunt. Youths may not hunt with “First Time” tags once they turn age 18.

To qualify for the “Youth First Time Hunt Program the youths must have

applied in the Controlled Hunt Drawing for a hunt in hunt series 100, 200, or 600 (deadline May 15; see page 13) and been unsuccessful in the drawing. Qualified applicants must submit a “First Time Hunt Application”, see pg 87 for application and details. If in a previous year, the youth has been successful in one of the following hunt series 100, 200 or 600 they are no longer eligible to participate in the “Youth First Time Hunt Program” for that hunt series.

Important: the youth “first time” hunt program is not limited to just controlled youth hunts; however not all hunts are included in the program. Each hunt must meet a minimum tag allocation to be available to “First Time” hunters:

HUNT SERIES  MIN. TAG LEVEL
Buck Deer (100 series)  at least 201 tags
Elk (200 series)-antlerless only  at least 51 tags
Antlerless deer (600 series)  at least 51 tags

REQUIREMENT

The “First Time” program guarantees that youth hunters will be eligible to receive up to three tags: one buck deer (100 series), one antlerless deer (600 series) and one antlerless elk (200 series). It is one of many programs ODFW has in response to increased demand for youth hunting opportunities.

GUARANTEED BIG GAME HUNTING OPPORTUNITIES FOR YOUTH 12-17 YEARS OLD

The “First Time” program guarantees that youth hunters will be eligible to receive up to three tags: one buck deer (100 series), one antlerless deer (600 series) and one antlerless elk (200 series). It is one of many programs ODFW has in response to increased demand for youth hunting opportunities.

Applies to youth hunters (age 17 under)

When hunting all game mammals and upland birds (except turkey) with any firearm

Hat OR exterior garment (shirt, jacket, coat, vest, sweater) visible in all directions

Hunter orange camouflage acceptable

Hunter orange NOT required for youth archery, turkey and waterfowl hunting

HOW IT WORKS:

- If youth meet the criteria above, mail or fax a Youth “First Time” Program Hunt application (see next page) to request a tag of their choice (TAG NUMBERS FOR THE HUNT MUST MEET THE MINIMUM TAG AUTHORIZATION LEVEL). No additional fee is required for this application.
- Applications must be received by Sept. 1 (or before the hunt begins for hunts opening before Sept. 1).
- Enter up to five hunt choices per hunt series to ensure receipt of an eligible hunt (see min. tag level, per hunt series above).
- Youth will be assigned a tag in the first eligible hunt listed and be able to purchase the tag from a license agent a few days after their application is processed.

Tags must be purchased by the day before the season starts.

IMPORTANT THINGS TO KNOW:

- A youth loses eligibility for a “First Time” tag in a hunt series once they are successful for any hunt choice in that series (including youth hunts and LOP tags), except for leftover tags.
- Preference points will not be lost if participating in the “First Time” program.
- Youths that have applied for Point Savers in the same hunt series for the same year are NOT eligible for a guaranteed “First Time” tag.
- Applications for hunts that begin before Sept. 1 must be received well before the hunt begins.
- Adults who apply in a party with a youth in the controlled hunt drawing and are unsuccessful will not receive tags if the youth requests a “First Time” tag.
- Youths can use their “First Time” options in any combination (all in one year, one per year, skip years between tags).
- Youths can hunt in general seasons and use leftover tags if available without losing eligibility for “First Time” tag. However, “First Time” tags are not extra tags. Youth are still limited to the maximum number of tags per species (series) per year. For example, a youth can possess only one controlled buck deer tag or one general rifle deer tag or one general bow deer tag and one leftover tag if available.
- Other hunters with appropriate tags may hunt with youth.
- Youths participating in the “First Time” program are not eligible to participate in the Mentored Youth Hunter Program for that particular hunt for that year.
- For more information, call 503-947-6100.

OREGON DEPARTMENT OF FISH AND WILDLIFE
To qualify for the First Time Youth Program, the youth must have applied in the Controlled Hunt Drawing (Deadline: May 15), been unsuccessful, and unsuccessful in previous years for that same hunt series. Youth that apply for a Point Saver in the same year are not eligible for a First Time Youth tag for that hunt series. Please see page 86 for more information.

**IMPORTANT INFORMATION**

MAIL TO: ODFW, Controlled Hunts, 3406 Cherry Ave. NE, Salem, OR 97303 or FAX TO: 503-947-6113 or 6117

**HUNT SAFFELY**

HUNT RESPONSIBLY

Every hunter has the responsibility to enter the field well prepared to hunt in a safe ethical manner; the future of our hunting heritage depends on it.

<td>at least 51 tags</td>
</tr>
<tr>
<td>Antlerless Deer (600 series)</td>
<td>at least 51 tags</td>
</tr>
</tbody>
</table>

---

**THE FOUR PRIMARY RULES OF FIREARM SAFETY**

- **MUZZLE**: Control the direction of your muzzle at all times
- **TRIGGER**: Keep your finger outside of the trigger guard until ready to shoot
- **ACTION**: Treat every firearm as though it were loaded-open the action and visually check if it is loaded
- **TARGET**: Be sure of your target and what is in front of it and beyond it

**WEAR HUNTER ORANGE**

Most firearm incidents during big game hunting are vision related - a hunter is shot because they were not seen. Hunter orange clothing makes it much easier for one hunter to recognize another hunter because nothing in nature matches this color. All hunters ages 17 and below must wear a hunter orange hat or vest while hunting big game and upland game birds (except turkey) with any firearm. ODFW strongly encourages you to wear HUNTER ORANGE.

Check us out on Facebook at www.facebook.com/odfwoutdoors or visit the ODFW Outdoors section of our website at www.dfw.state.or.us
In order to be considered a person with a disability under the
wildlife laws, a person shall provide either:

1. Written certification from a licensed physician, licensed
physician assistant or certified nurse practitioner which states that
the applicant:
   a. Is permanently unable to walk without the use of, or
      assistance from, a brace, cane, crutch, prosthetic device,
      wheelchair, scooter or walker;
   b. Is restricted by lung disease to the extent that the
      person’s forced expiratory volume for one second, when
      measured by a spirometer, is less than 35 percent
      predicted, or arterial oxygen tension is less than 55 mm/
      Hg on room air at rest;
   c. Has a cardiac condition to the extent that the person’s
      functional limitations are classified in severity as Class
      III or Class IV, according to standards established by the
      American Heart Association;
   d. Has a permanent, physical impairment that prevents the
      person from holding or shooting a firearm or bow or from
      holding a fishing rod in hand; or
   e. Has central visual acuity that permanently does not
      exceed 20/200 in the better eye with corrective lenses, or
      the widest diameter of the visual field is no greater than
      20 degrees; or

2. Written proof that the last official certification of record by the
United States Department of Veterans Affairs or any branch
of the Armed Forces of the United States shows the person
to be at least 65 percent disabled (ORS 496.018).

The “Oregon Disabilities Hunting and Fishing Permit” is not a
license or tag. Hunters must still obtain a hunting license and
apply for and/or purchase appropriate tags prior to specified
tag sale deadlines to hunt in controlled and general big game
seasons. You must be in possession of your “Oregon Disabilities
Hunting and Fishing Permit”, license and tag while you are
hunting (even holders of a Disabled Veteran/Pioneer license and
tag). All license and tag fees are at regular rates. In addition you
may only hunt in the time period specified for the tag you possess.
Holdiers of a Disabled Veteran/Pioneer elk tag must also possess an
“Oregon Disabilities Hunting and Fishing Permit” to be eligible for
an expanded bag limit or to hunt from a parked motor vehicle.
An “Oregon Disabilities Hunting and Fishing Permit” does not
allow the permit holder to travel on any closed road by means of a
motor-propelled vehicle.

The following section applies only for persons defined in number
(1)e. A visually impaired hunter must comply with all other tag,
permit and stamp requirements of the Oregon Fish and Wildlife
Commission and applicable hunting laws (ORS 498.170). See
page 30 for allowable scope and sights for muzzleloader seasons.

A person who is not visually impaired and who accompanies a
hunter who is visually impaired (1)e. that possesses an “Oregon Disabilities Hunting and Fishing Permit” may:

- Assist the hunter in selecting a game animal or bird;
- Assist the hunter aiming or sighting a firearm;
- Advise the hunter when to fire a firearm;
- Shoot a game animal or bird on behalf of the hunter while in the
  immediate presence of the hunter; and
- Tag and retrieve game animals and birds on behalf of the
  hunter.

The person accompanying a hunter who is visually impaired:

- Is required to possess a valid hunting license;
- May also hunt game animals or birds if the person possesses
  the appropriate tags, permits, validations and stamps for the
  area and time period.

An “Oregon Disabilities Hunting and Fishing Permit” holder may:

- Hunt from a parked motor-propelled vehicle except on any
  public road or Hwy, or within Cooperative Travel Management
  Areas. A public road is the entire right of way of any road over
  which the public has a right of use. Public roads include, but
  are not limited to, road related structures that are in the right
  of way such as tunnels, bridges, or similar structures. Roads
  on federal, state, or local government lands are public roads.
  Hunting from a parked motor-propelled vehicle is allowed on
  private land with the landowner’s permission and on public land
  where off-road travel is permitted.

- Have an able-bodied companion accompany them and kill any
  animal wounded by the permit holder. The wounded animal
  must be killed using a legal weapon for the season and species
  designated on the tag. The companion must immediately
  attach the permit holder’s tag to the carcass of the animal.

The companion is not required to possess a hunting license or
tag, except a person accompanying a visually impaired hunter
is required to possess a valid hunting license (OAR 635-065-
0090(3)).

OREGON DISABILITIES HUNTING AND FISHING PERMIT BAG LIMIT

For Holders of an “Oregon Disabilities Hunting and Fishing Permit” the bag limit includes antlerless animals in the
following units only:

FOR DEER ONLY

One Deer During Buck Seasons: Biggs, Columbia Basin
(portions of the unit are closed to bowhunting- see page 50 and
51), Hood, Indigo, Maupin, McKenzie, Melrose, Santiam, and
Willamette.

FOR ELK ONLY

Antlerless OR Legal Bull Elk During Buck Seasons: Alsea,
Applegate, Beatys Butte, Beulah, Biggs, Catherine Creek,
Chesnimnus, Columbia Basin (portions of the unit are closed to
bowhunting- see page 80), E Fork Rock (that portion east of Hwy
97), Fossil, Grizzly, Hood, Immnaha, Juniper, Lookout Mt, Malheur
River, Maupin, Melrose, Murderers Creek, Northside, Ochoco,
Owyhee, Paulina, Pine Creek, Ritter portion of Heppner Unit
(that part of 48 south and east of N Fork John Day Rvr), Saddlle
Mt, Scappoose, Silvies, Siuslaw, Sixes, Sled Springs, Steens
Mt, Stolt M, S Sumpter (251B hunt area; see page 73), Trask,
Also outside NF Lands within the Dixon, Evans Creek, Indigo,
McKenzie, Rogue, and Santiam units.

FOR ANTELOPE ONLY

Pronghorn Antelope: All “buck pronghorn” hunts have a bag limit of
“one pronghorn antelope”.

OREGON DISABILITIES HUNTING AND FISHING PERMIT APPLICATION

For more information or to obtain an “Oregon Disabilities Hunting
and Fishing Permit” application packet, please visit our website at
www.dfw.state.or.us/resources/hunting/disability.

Application packets are also available at the headquarters office,
regional offices, district offices, or by calling 503-947-6100.
Please note: Permits are valid for two calendar years. To renew a
permit, the holder must submit a new, updated application form.
WILDLIFE MANAGEMENT UNITS

For the purpose of managing Oregon’s wildlife, the state has been divided into separate wildlife management units. Unit numbers are identifiable in smaller subunits by the last 2 digits of the number assigned to the rule describing each.

Maps are available from the Bureau of Land Management (BLM), National Forest (NF), or Oregon Department of Forestry (ODF), as indicated following each description.

ALSEA 42% public lands. Beginning at Corvallis; southwest on State Hwy 34 to Decker Rd; southeast on Decker Rd to Bellfountain Rd; south on Bellfountain Rd to Bellfountain; east on Dawson Rd (Co Rd 45200) to State Hwy 99W; south on State Hwy 99W to Monroe; south on Terriitorial Rd to State Hwy 36; southwest on State Hwy 36 to north shoreline of Triangle Lk; southwest on Triangle Lk shoreline, Lk Cr, Siuslaw Rvr and north shoreline of Siuslaw Bay to Pacific Ocean; north on Pacific Ocean coastline to north shoreline of Siletz Bay; east on north shoreline of Siletz Bay, Siletz Rvr and S Fork of Siletz Rvr to Velsetz; east on Velsetz-Falls City main Co Rd to Falls City; southeast on Bridgeport Rd (No. 864), Gardner Rd (No. 865) and Airlie Rd (No. 7) to State Hwy 99W; south on State HWy 99W to Corvallis, point of beginning. (Maps: Siuslaw NF, Eugene/ Salem BLM)

APPLEGATE 57% public lands. Beginning at Grants Pass; east and southeast on I-5 to Oregon-California state line; west on state line to US Hwy 199; northeast on US Hwy 199 to Grants Pass, point of beginning. (Maps: Siskiyou NF, Rogue Rvr NF, Medford BLM)

CHETCO 82% public lands. Beginning at Gold Beach; east on Rogue Rvr to Grants Pass; southwest on US Hwy 199 to Oregon-California state line; west on state line to Pacific Ocean; northwest on Pacific Ocean coastline to Gold Beach, point of beginning. (Maps: Siskiyou NF, Rogue Rvr NF, Medford BLM)

DIXON 77% public lands. Beginning at Shady Cove; northwest on State Hwy 227 and Douglas Co Rd 1 to Dixvnonville-Hanna Nickel main power transmission line at a point approximately 2 mi west of Days Cr; north along main power transmission line to N Umpqua Rvr; east on N Umpqua Rvr to Toketee; south on Toketee Rd to State Hwy 138; east and south on Hwy 138 to State Hwy 230; southwest on Hwy 230 to State Hwy 62; southwest on Hwy 62 to Shady Cove, point of beginning. (Maps: Umpqua NF, Rogue Rvr NF, Medford-Roseburg BLM)

EVANS CR 43% public lands. Beginning at Grants Pass; northwest on Rogue Rvr to Grave Cr bridge; northeast on Grave Cr-Wolf Cr Rv to I-5 at Wolf Cr; north on I-5 to Canyonville; east and south on Douglas Co Rd 1 and State Hwy 227 to Shady Cove; south on State Hwy 62 to Medford; northwest on I-5 to Grants Pass, point of beginning. (Maps: Umpqua NF, Medford BLM)

INDIGO 68% public lands. Beginning at Oakridge; southeast on State Hwy 58 to Pacific Crest Trail; south on Pacific Crest Trail to State Hwy 138; north and west on Hwy 138 to Toketee junction; north on Toketee Rd to N Umpqua Rvr; west on N Umpqua Rvr to Dixvnonville-Albany main power transmission line; south on Dixvnonville-Albany main power transmission line to Shoestring Rd; east on Shoestring Rd 0.8 mi to London Rd; north on London Rd and South 6th St to I-5; north on I-5 to State Hwy 58; southeast on Hwy 58 to Oakridge, point of beginning. (Maps: Willamette NF, Umpqua NF, Eugene/Roseburg BLM)

MCKENZIE 60% public lands. Beginning at Lebanon; east on US Hwy 20 to Pacific Crest Trail; south on Pacific Crest Trail to State Hwy 58; northwest on Hwy 58 to I-5; north on I-5 to State Hwy 34; east on Hwy 34 to Lebanon, point of beginning. (Maps: Willamette NF, Eugene/Salem BLM)

MELROSE 16% public lands. Beginning at Dixonville power substation; south along Dixonville-Nickle Mt main power transmission line to Douglas Co Rd 1 at a point approximately 2 mi west of Days Cr; south-west on Douglas Co Rd 1 to Canyonville; south on I-5, 3/4 mi to Dixonville-Nickle Mt main power transmission line; west on Dixonville-Nickle Mt main power transmission line to Southern Pacific railroad tracks adjacent to the Nickel Mt Rv junction; southwest on SPRR tracks to Union Cr Rd; north on Union Cr Rd to Live Oak Cr Rd; northeast on Live Oak Cr Rd through Horse Prairie to Otala Cr Rv; north on Otala Cr Rd to Ireland Rd; west on Ireland Rd to Benedict Rd; north on Benedict Rd to Tenmile; north on Reshton, Coos Bay Wagon, Flournoy Valley, and Melrose Rds to Melrose; north and east on Melqua Rd and Fl McKay Rd to Umpqua Rvr; north on Umpqua Rvr to State Hwy 38 at Elkton; east on Hwy 38 to Drain; northeast on State Hwy 99 to Curtin; northeast on I-5 to South 6th St; south on South 6th St to London Rd; south on London Rd to Shoestring Rd; west 0.8 mi on Shoestring Rv to the Albany-Dixvnonville main power transmission line; south along Albany-Dixvnonville main power transmission line to Dixonville, point of beginning. (Maps: Roseburg BLM)

POWERS 49% public lands. Beginning at Grave Cr Bridge on Rogue Rvr; west on Rogue Rvr to Illahee; north on posted FR to Powers; northwest on Powers Hwy to State Hwy H2; east on Hwy H2 to Tenmile; south on Benedict Rd to Ireland Rd; east on Ireland Rd to Otala Cr Rd; south on Otala Cr Rd through Horse Prairie to Live Oak Cr Rd; southwest on Live Oak Cr Rd to Union Cr Rd; south on Union Cr Rd to Southern Pacific railroad track; northeast on SPRR tracks to Dixonville-Nickle Mt main power transmission line adjacent to Nickel Mt Rd; east on main power transmission line to I-5; south on I-5 to Wolf Cr; south-west on Wolf Cr-Grave Cr Rd to Grave Cr Bridge, point of beginning. (Maps: Siskiyou NF, Medford-Coos Bay-Roseburg BLM)

ROGUE 57% public lands. Beginning at Medford; north on State Hwy 62 to State Hwy 230; northeast on Hwy 230 to State Hwy 138; south and east on Hwy 138 to Pacific Crest Trail; south on Pacific Crest Trail to boundary of Crater Lk NP; west, south and east on Crater Lk NP boundary to Pacific Crest Trail; south on Pacific Crest Trail; southeast on Forest Trail 993 along Fourmile Lk; south on FR 3661 to State Hwy 140; west on Hwy 140 to FR 3601; south on 3601 to Dead Indian Rd; southwest on Dead Indian Rd to Jackson-Klamath Co line; south on Jackson-Klamath Co line to State Hwy 66; west on Hwy 66 to Copco Rd; south on Copco Rd to Oregon-California state line; west on state line to I-5; north on I-5 to Medford, point of beginning. (Maps: Rogue NF, Medford BLM)

SADDLE MT 25% public lands. Beginning at the mouth of Columbia Rvr; east on state line to mouth of Clatskanie Rvr; south on Clatskanie Rvr to Clatskanie; south on State Hwy 47 to Timber-Vernonia Hwy; southwest on Timber-Vernonia Hwy to US Hwy 26; northwest on US Hwy 26 to State Hwy 53 at Neconicum Junction; southwest on Hwy 53 to N Fork Nehalem Rvr; southwest on N Fork Nehalem Rvr and north shoreline of Nehalem Bay to Pacific Ocean; north on Pacific Ocean coastline to state line at mouth of Columbia Rvr, point of beginning. (Maps: ODF-Astorio)

SANTIAM 63% public lands. Beginning at Lebanon; north on Breawster Rd to Lacomb Rd; east on Lacomb Rd to Kowit Rd; north on Kowit Rd to Baptist Church Dr; west on Baptist Church Dr to Richardson Gap Rd; north on Richardson Gap Rd to State Hwy 226; northeast on State Hwy 226 to State Hwy 22; west on Hwy 22 to Cascade Hwy; north on Cascade Hwy to State Hwy 213 at Silverton; northeast on Hwy 213 to State Hwy 211; northeast on Hwy 211 to Sandy; north on Teneyck Rd to Sandy Rvr; northwest down Sandy Rvr to state line in Columbia Rvr; northeast on state line to MULTnomah-Hood Rvr Co line; southeast on MULTnomah-Hood Rvr Co line to Lolo Pass; southeast on Pacific Crest Trail to Barlow Pass; west on Hwy 35 to Hwy 26; southwest on State Hwy 26 to State Hwy 216; west and then south along the west boundary of The Confederated Tribes of Warm Springs...
Tribal Reservation (CTWSRO) (McQuinn Strip line) to summit of Mt Jefferson; south along the west CTWSRO boundary and the Cascade crest (Jefferson/Linn Co line) to the junction of the Pacific Crest National Scenic Trail (PCT) in T11S, R6E Sec 17 then south on PCT to US Hwy 20/126 at Santiam Pass; PCT west on US Hwy 20 to Lebanon, point of beginning. (The McQuinn Strip portion of White Rvr Unit and Warm Springs Tribal Reservation was closed to public hunting Sept. 21, 1992 until further notice). (Maps: Mt Hood NF, Willamette NF, Salem BLM).

SCAPPOOSE 9% public lands. Beginning at Vernonia; northeast on State Hwy 47 to Clatskanie; north on Clatskanie Rvr to state line in Columbia Rvr; southeast on state line to Willamette Rvr; southwest on Willamette Rvr to Multnomah Channel; northwest on Multnomah Channel to US Hwy 30 at Sauvie Island bridge; north-west on US Hwy 30 to Cornelius Pass Rd; southwest on Cornelius Pass Rd to US Hwy 26; northwest on US Hwy 26 to State Hwy 6; west on Hwy 6 to Glenwood; northwest on Glenwood-Timber-Vernonia Hwy to State Hwy 47; north on Hwy 47 to Vernonia, point of beginning. (Maps: Salem BLM and Co maps).

SIUSLAW 40% public lands. Beginning at I-5-Belt Line Rd junction north of Eugene; south on I-5 to Drain junction and State Hwy 99; southwest on Hwy 99 to Drain; west on State Hwy 38 to Umpqua Rvr at Elkton; west on Umpqua Rvr and south shoreline of Winchester Bay to Pacific Ocean; north on Pacific Ocean coastline to north shoreline of Siuslaw Bay; northeast on north shoreline of Siuslaw Bay; Siuslaw Rvr, Lk Cr and north shoreline of Triangle Lk to State Hwy 36; south on Hwy 36 to Puddle Cr Rd to State Hwy 126; east on Puddle Cr Rd to State Hwy 101; on State Hwy 101 to State Hwy 47; southeast on Hwy 42 to Powers Hwy; southeast on Powers Hwy to Powers; south on posted FR to Rogue Rvr at Illathee; southwest on Rogue Rvr to Gold Beach, point of beginning. (Maps: Siskiyou NF, Coos Bay BLM).

STOTT MT 22% public lands. Beginning at Dallas; south on State Hwy 223 to Gardner Rd (No. 865); northeast on Gardner Rd and Bridgeport Rd (No. 864) to Falls City; west on Valssetz Rd to S Fork of Siletz Rvr; downstream on S Fork of Siletz Rvr; main Siletz Rvr and north shoreline of Siletz Bay to Pacific Ocean; north on Pacific Ocean coastline to mouth of Salmon Rvr; east on Salmon Rvr to State Hwy 18 near Rose Lodge; east on Hwy 18 to State Hwy 22; southeast on Hwy 22 to Perenydale Rd; south on Perenydale Rd to State Hwy 223 at Dallas, point of beginning. (Maps: Siuslaw NF, Salem BLM).

TIOGA 35% public lands. Beginning at Coquille; north on State Hwy 42 and US Hwy 101 to south shoreline of Coos Bay; southwest on south shoreline of Coos Bay to Pacific Ocean; north on Pacific Ocean coastline to south shoreline of Winchester Bay; east on south shoreline of Winchester Bay and Umpqua Rvr to Ft. McKay Rd; west and south on Pt. McKay and Melqua Rds to Melrose; north on Melrose, Floumory Valley, Coos Bay Wagon and Reston Rds to Tenmile; west on State Hwy 42 to Coquille, point of beginning. (Maps: ODF-Elliot, Coos Bay BLM).

TRASK 42% public lands. Beginning at McMinnville; southwest on State Hwy 18 to Salmon Rvr; west on Salmon Rvr to Pacific Ocean; north on Pacific Ocean coastline to north shoreline at mouth of Tillamook Bay; east on north shoreline of Tillamook Bay and Wilson Rvr to State Hwy 6 at Mills Bridge; northeast on Hwy 6 to State Hwy 8 near Siletz Cr; southeast on Hwy 8 to State Hwy 47 at Forest Grove; southwest on Hwy 47 to State Hwy 99W; southwest on Hwy 99W to McMinnville, point of beginning. (Maps: ODF-Tillamook, Siuslaw NF, Salem (BLM)).

WILLAMETTE 2% public lands. Beginning at Sandy; southwest on State Hwy 211 to State Hwy 213; southwest on State Hwy 213 to Cascade Hwy at Silverton; southwest on Cascade Hwy to State Hwy 22; on State Hwy 226; southeast and west on Hwy 226 to Richardson Gap Rd; south on Richardson Gap Rd to Baptist Church Dr; east on Baptist Church Dr to Kowitz Rd; south on Kowitz Rd to Lacombd Rd; west on Lacombd Rd to Brewster Rd; south on Brewster Rd to State Hwy 34; west on State Hwy 34 to I-5; on I-5 to Belt Line Rd; west and south on Belt Line Rd to State Hwy 126; west on Hwy 126 to Poodle Cr Rd; north on Poodle Cr Rd to State Hwy 36; northeast on Hwy 36 to Territorial Rd near Cheshire; north on Territorial Rd to Monroe; north on State Hwy 99W to Dawson Rd (Co Rd 45200); west on Dawson Rd to Belfountain; north on Belfountain Rd to Deer Creek Rd at Invale School; west on Deer Creek Rd to State Hwy 34; northeast on Hwy 34 to Corvallis; north on State Hwy 99W to Airlie Rd (No. 7) at Suver; northwest on Airlie Rd to State Hwy 223; north on Hwy 223 to Perrydale Rd at Dallas; north on Perrydale Rd to State Hwy 22; northwest on Hwy 22 to State Hwy 18; northeast on Hwy 18 to State Hwy 99W; north on Hwy 99W to State Hwy 47; north on Hwy 47 to State Hwy 8; northwest on Hwy 8 to State Hwy 6; east on Hwy 6 to US Hwy 26; southeast on US Hwy 26 to Cornelius Pass Rd; northeast on Cornelius Pass Rd to US Hwy 30; southeast on US Hwy 30 to Multnomah Channel at Sauvie Island bridge; southeast on Multnomah Channel to Willamette Rvr; southeast on State Hwy 55 to Columbia Rvr; southeast on state line to Sandy Rvr; southeast on Sandy Rvr to Ten Eyck Rd; south on Ten Eyck Rd to Sandy, point of beginning. (Co maps).

WILSON 65% public lands. Beginning on north shoreline at mouth of Tillamook Bay; north on Pacific Ocean coastline to north shoreline of Nehalem Bay; north on north shoreline of Nehalem Bay and N Fork Nehalem Rvr to State Hwy 53 bridge; northeast on Hwy 53 to US Hwy 26; southeast on US Hwy 26 to Timber-Glenwood Hwy; south on Timber-Glenwood Hwy to Glenwood; southwest on State Hwy 6 to Wilson Rvr at Mills Bridge; west on Wilson Rvr and north shoreline of Tillamook Bay to mouth, point of beginning. (Maps: ODF-Astoria and Tillamook, Salem (BLM)).
BEATYS BUTTE 82% public lands. Beginning at Denio; west on Oregon state line to Fort Bidwell-Warner Valley Rd (Lake Co Rd 3-14); north on 3-14 to Adel; north on Co Rd 3-10 through Plush to Co Rd 3-11; east on 3-11 to Hart Refuge and Co Rd 3-12; north and east on 3-12 to Hart Refuge headquarters; east on Hart Mi-Frenchglen Rd (Lake Co Rd 3-12 and Harney Co, NF, Vale BLM) to Hart Hwy to State Hwy 126; east on Hwy 126 to Poodle Cr Rd; north on Poodle Cr Rd to Bridge Cr; west on Bridge Cr to John Day Rvr; northwest on John Day Rvr to State Hwy 218 at Clarno; northeast on Hwy 218 to Fossil, point of beginning. (Maps: Umatilla NF, Prineville BLM, ODF)

GRIZZLY 28% public lands. Beginning at Redmond; north on US Hwy 97 to Crooked Rvr; north on Crooked Rvr and Deschutes Rvr to S Junction; northeast on S Junction to Lake Co Rd 97 and US Hwy 197; south on Hwy 97 to Antelope Cr Rd; northeast on Antelope Cr Rd to Clarno; east on Hwy 218 to John Day Rvr at Clarno; southeast on John Day Rvr to Bridge Cr; southeast on Bridge Cr to US Hwy 26 near Mitchell; southwest on Hwy 26 to Prineville; west on US Hwy 126 to Redmond, point of beginning. (Maps: Ochoco NF, Prineville BLM)

HEPNER 34% public lands. Beginning at Hesper; northeast on State Hwy 74 to US Hwy 395; south on US Hwy 395 to Long Cr-Monument Rd; northeast on Long Cr-Monument Rd to N Fork John Day Rvr at Monument; southwest on N Fork John Day Rvr to State Hwy 19 at Kimberly; northwest on State Hwy 19 to State Hwy 207; north on Hwy 207 to Hesper, point of beginning. (Maps: Umatilla NF, ODF)

HOOD 65% public lands. Beginning at Hood Rvr; southwest on State Hwy 35 to Barlow Pass (Pacific Crest Trail); northwest on Pacific Crest Trail to Lolo Pass; northwest on Hood Rvr-Multinomah Cr to Columbia Rvr near Prineville; northeast on Columbia Rvr to Hood Rvr, point of beginning. (Maps: Mt Hood NF)

IMNAHA 74% public lands. Beginning at Joseph; northeast on Imnaha Hwy to Imnaha; south and west on Imnaha Rvr and S Fork of Imnaha Rvr to Hawkins Pass; north on W Fork Trail to Wallowa Lk; north on State Hwy 82 to Joseph, point of beginning. (Maps: Wallowa-Whitman NF)

INTERSTATE 56% public lands. Beginning at Bly; west on State Hwy 140 to Beatty; north on Godowa Springs Rd to Sprague Rvr; west on Sprague Rvr one mi to Sycon Rvr; upstream north and east on Sycon Rvr to Pikes Crossing; east on FR 20 to FR 28; east on FR 28 to FR 29; east on FR 29 to State Hwy 31; southeast on Hwy 31 to Valley Falls; south on US Hwy 395 to Oregon-California state line; west on state line to Lost Rvr; northwest on Lost Rvr to East Langell Valley Rd; north on East Langell Valley Rd to Gerber Rd; northeast on Gerber Rd to Bell, point of beginning. (Maps: Fremont NF, Walla Walla BLM)

JUNIPER 89% public lands. Beginning at Burns; east 2 mi on State Hwy 78 to State Hwy 205; south on Hwy 205 through Frenchglen to Hart Mt Rd (Harney Co Rd 412 and Lake Co Rd 3-12); west on Hart Mt Rd to Flagstaff Lk Rd (Lake Co Rd 3-11); west on Flagstaff Lk Rd to Bogback Rd (Lake Co Rd 3-10); northwest on Bogback Rd to US Hwy 395; northeast on US Hwy 395 to US Hwy 20; east on US Hwy 20 to Burns; point of beginning. Specific hunts do not include Hart Mt NAR. (Maps: Lakeview/Burns BLM)
KEATING 58% Public lands. Beginning at N Powder; northeast and southeast on Powder Rvr to State Hwy 203; northeast on Hwy 203 to Medical Springs; southeast and northeast on Big Cr Rd 71 and FR 67; north on Big Cr to FR 7740050; east and north on FR 7740050 to FR 77400 and to FR 77; east on 77 to Flagstaff Butte Rd 7700582; southeast on Rd 7700582 to Flagstaff Butte; north on the divide between Catherine Cr and Eagle Cr drainages to Granite Butte; east on summit of Eagle Mts. to Hawkins pass; south to Jackson Peak; south to Krag Peak; south and east to Crater Lake; north and east to Red Mt.; north on Blue Cr Trail (1865); north of Cornucopia; south on Blue Cr trail to Pine Cr; south and east on Pine Cr to State Hwy 86; southwest on Hwy 86 to Old Richland-Halfway Hwy (Sag Rd); south on Sag Rd to Powder Rvr arm of Browlee Reservoir; west on Powder Rvr to Hwy 86 near Goose Cr; west on Hwy 86 to I-84; north on I-84 to N Powder; point of beginning. (Maps: Wallowa-Whitman NF; Vale BLM)

KENO 41% public lands. Beginning at Klamath Falls; south on US Hwy 97 to Oregon-California state line; west on state line to Copco Rd; north on Copco Rd to State Hwy 66; east on Hwy 66 to Jackson-Klamath Co line; north on Jackson-Klamath Co line to Dead Indian Rd; northeast on Dead Indian Rd to FR 3601; north on 3601 to State Hwy 140; east on Hwy 140 to FR 3661; north on 3661 to Fourmile Lk; northwest on Forest Trail 993 to Pacific Crest Trail; north on Pacific Crest Trail to summit north of Crater Lk NP; east on south boundary of Crater Lk NP to State Hwy 62; southeast on Hwy 62 to Hwy 97; south on Hwy 97 to Klamath Falls, point of beginning. (Maps: Winema NF)

KLAMATH FALLS 35% public lands. Beginning at Klamath Falls; north on US Hwy 97 to Williamson Rvr; north on Williamson Rvr to confluence of Sprague Rvr; east on Sprague Rvr to Godowa Springs Rd north of Beatty; south on Godowa Springs Rd to State Hwy 140 at Beatty; east on Hwy 140 to Bly; southwest on Gerber Rd to East Langell Valley Rd; south on East Langell Valley Rd to Lost Rvr; southeast on Lost Rvr to Oregon-California state line; west on state line to US Hwy 97; northeast on Hwy 97 to Klamath Falls, point of beginning. (Maps: Winema NF, Fremont NF)

LOOKOUT MT 38% public lands. Beginning at junction of I-84 and State Hwy 86 northeast of Baker; east on Hwy 86 to Powder Rvr near Goose Cr; east on Powder Rvr to Snake Rvr; southwest on Snake Rvr to Birch Cr at Farewell Bend; west on Birch Cr to I-84; northwest on I-84 to Hwy 86, point of beginning. (Maps: Vale BLM, ODF)

MALHEUR RVR 69% public lands. Beginning at Burns; north on US Hwy 395 to Seneca; east on Logan Valley Co Rd (FR 16) to FR 14; southeast on FR 14 to FR 1663 near Antelope Mt; south on 1663 and Otis Valley Rd (Harney Co Rd 304) to Drewsey; south on Drewsey Rd (Harney Co Rd 305) to US Hwy 20; east on Hwy 20 to Harper; southwest on Harper-Follyfarm Rd (Malheur Co Rds 585 and 513) to state Hwy 78 near Follyfarm; northwest on State Hwy 78 to Burns, point of beginning. (Maps: Malheur NF, Burns and Vale BLM)

MAUPIN 9% public lands. Beginning at Maupin; north on US Hwy 197 to Tygh Valley; northeast on State Hwy 216 to Grass Valley; south on Hwy 97 to Shanko; southeast on State Hwy 218 to Antelope; southwest on Hwy 97 to Spokane; north on US Hwy 97; north on Hwy 97 to Hwy 197 and S Junction Rd; southwest on S Junction Rd to Deschutes Rvr at S Junction; northeast on Deschutes Rvr to Maupin, point of beginning. (Maps: Prineville BLM)

MAURY 56% public lands. Beginning at Brothers on US Hwy 20; northwest on Hwy 20 to State Hwy 27; north on Hwy 27 to Prineville Dam; east on Prineville Reservoir, Crooked Rvr and Beaver Cr to Paulina; east on main Co Rd to Grindstone Cr Rd; southeast on Grindstone Cr Rd to Twelvemile Cr Rd; west on Twelvemile Cr Rd to Camp Cr-Glass Buttes Rd; south on Camp Cr Rd to US Hwy 20 near Glass Buttes; northwest on Hwy 20 to Brothers, point of beginning. (Maps: Ochoco NF, Prineville BLM)

METOLIUS 66% public lands. Beginning at Sisters; west on State Hwy 242 to Pacific Crest Trail; northwest on Pacific Crest Trail to the junction of the ‘crest of the Cascades’ with the Pacific Crest National Scenic Trail (PCT) in T11S R8E Sec 17; northwest on the “crest of the Cascades” to the south boundary of Warm Springs Tribal Reservation; north on Warm Springs Tribal Reservation boundary following Jefferson Cr and Metolius Rvr to Lk Billy Chinook; south on Lk Billy Chinook to Crooked Rvr; southeast on Lk Billy Chinook Rd to US Hwy 97; south on Hwy 97 to Redmond; west on State Hwy 126 to Sisters, point of beginning. (Maps: Deschutes NF, Prineville BLM)

MINAM 74% public lands. Beginning at Minam; southeast on State Hwy 82 to head of Wallowa Lk; southwest on W Park Cr Trail to Hwy 20; southeast on summit of Eagle Mts to Granite Butte; southwest on summit separating Prineville Reservoir to Granite Butte. West on state line to junction with Hwy 20 south to Lk Cr Rd 5-10 to State Hwy 31; west on Hwy 31 to Gilchrist main logging Rd 9775 between MP 16 and 17; west on Gilchrist main logging Rd to US Hwy 97; northeast on Hwy 97 to Redmond, point of beginning. (Maps: Vale BLM)

PAULINA 76% public lands. Beginning at Redmond; east on State Hwy 126 to Prineville; southeast on State Hwy 27 to US Hwy 20; northwest on Hwy 20 to Millican-Lk Rd 2-1/2 mi east of Millican; southeast and south on Millican-Lk Rd east past Dickerson Well and Jones Well (Lk Co Rds 5-12D) to intersection of Lk Co Rd 5-12B; east on Lk Co Rd 5-12B to intersection of Lk Co Rd 5-14C; south on Lk Co Rd 5-14C to junction of Lk Co Rd 5-14; 2 mi east of Christmas Valley; west on Lk Co Rd 5-14 to 13 mi to junction with Lk Rd 5-10; 22 mi west on Hwy 20 to Lk Cr Rd 5-10 to State Hwy 31; west on Hwy 31 to Gilchrist main logging Rd 9775 between MP 16 and 17; west on Gilchrist main logging Rd to US Hwy 97; northeast on Hwy 97 to Redmond, point of beginning. (Maps: Vale BLM, Prineville/Lakeview BLM)

PINE CR 76% public lands. Beginning at Cornucopia; north on Blue Cr trail (1865) to summit of Eagle Mts; west and south on summit of Eagle Mts to Red Mt; west and south on summit of Eagle Mts to Crater Lake; north and west on summit of Eagle Mts to Red Mt; west and south on summit of Eagle Mts to Mt Hood; northeast on summit of Eagle Mts to Krag Peak; north on summit of Eagle Mts to Jackson Peak; north to Hawkins Pass; east and north on S Fork Imnaha Rvr and Imnaha Rvr to Dry Cr; south on Dry Cr and northeast on N Fork Dry Cr to Summit Rd; north and northeast on Summit Rd to Thirty-two Point Cr; east on Thirty-two Point Cr to Snake Rvr; south on Snake Rvr to mouth of Powder Rvr; west on Powder Rvr arm of Brownlee Reservoir to Old Richland-Halfway Hwy (Sag Rd); north on Sag Rd to Hwy 86; northeast on Hwy 86 to Pine Cr;
northwest on Pine Cr to Corncopia, point of beginning. (Maps: Wallowa-Whitman NF, Vale BLM, ODF)

**SILVIES** 67% public lands. Beginning at Burns; west on US Hwy 20 to Glass Buttes-Camp Cr Rd near Glass Buttes; north on Glass Buttes-Camp Cr Rd to Twelvemile Cr Rd; east on Twelvemile Cr Rd to Grindstone Cr Rd; northeast on Grindstone Cr Rd to Paulina-Suplee Rd; southeast on Paulina-Suplee Rd to Suplee; east on Pine Cr Rd to S Fork John Day Rvr; southeast on S Fork John Day Rvr to FR 3750 at Bear Cr; east on FR 3750 to FR 37; northeast on US Hwy 395 to Ore Hwy 129; southwest on Ore Hwy 129 to Burns, point of beginning. (Maps: Ochoco NF, Malheur NF, Burns BLM)

**SLED SPRINGS** 21% public lands. Beginning at Wallowa; west on US Hwy 82 to Elgin; northeast on Grande Ronde Rvr to Oregon-Washington state line; east along state line to Joseph Cr; southeast on Joseph Cr to Chetimimus Cr; southeast on Chetimimus Cr to Crow Cr Rd; south on Crow Cr Rd to Hwy 82; northwest on Hwy 82 to Wallowa, point of beginning. (Maps: Wallowa-Whitman NF, Vale BLM, ODF)

**SNAKE RVR** 92% public lands. Beginning at confluence of Imnaha and Snake Rvr; southeast on Snake Rvr to Thirty-two Point Cr; southwest on Thirty-two Point Cr to Summit Rd; southwest and northwest on Summit Rd to N Fork Dry Cr; southwest on N Fork Dry Cr and northwest on Dry Cr to Imnaha Rvr; north on Imnaha Rvr to Snake Rvr, point of beginning. (Maps: Wallowa-Whitman NF)

**SPRAGUE** 72% public lands. Beginning at Chiloquin; south on Williamson Rvr to US Hwy 97; north on Hwy 97 to State Hwy 62; northwest on Hwy 62 to Crater Lk NP boundary; east and north on Crater Lk NP boundary to Sand Cr; east on Sand Cr to Scott Cr Rd 66; east on Scott Cr Rd one mi to Hwy 97; east on Klamath Marsh-Silet Lk Rd to Williamson Rvr; upstream north, east and south on Williamson Rvr to Yamsey Guard Station; southeast on FR 441 to Sycan Rvr at Powers Crossing; south on Sycan Rvr to Sprague Rvr; west on Sprague Rvr to Williamson Rvr at Chiloquin, point of beginning. (Maps: Winnemucca NF)

**STARKEY** 67% public lands. Beginning on I-84 at State Hwy 82 at La Grande; southeast on I-84 to North Powder; west on N Powder Rvr Ln to Ellis Rd; south on Ellis Rd to Anthony Lks Rd; west on Anthony Lks Rvds 73 to Anthony Lks; west past Anthony Lks to Granite-Ukiah Rd 52; northwest on Granite-Ukiah Rd 52 to Tower Mt Rd 5226; east and north on Tower Mt Rd 5226 past Tower Mt and Frazier Forest Camp to State Hwy 24H (FR 59); east on Hwy 24H (FR 59) to FR 5900230 at Four Corners Forest Camp; north on Rd 5900230 to 2100040, north on Rd 2100040 to FR 21; north on FR 21 to 2135; northeast on FR 2135 to 2135400; northeast on FR 2135400 to Kamela; east on Summit Rd to S-184; southeast on S-184 to Hwy 92, point of beginning. (Maps: Wallowa-Whitman NF, Vale BLM, ODF)

**STEENS MT** 64% public lands. Beginning at the junction of State Hwy 78 and State Hwy 205, 2 mi east of Burns; southeast on Hwy 78 to East Steens Rd (Harney Co Rd 201) near Follyfarm; southwest on East Steens Rd through Andrews to Malheur NF; west on Malheur Co Rd 202 junction, 1 mi north of Fields; west and north on Catlow Valley Rd to Hwy 205 at Frenchglen; north on Hwy 205 to Hwy 78, point of beginning. (Maps: Burns BLM)

**SUMPTER** 45% public lands. Beginning at Ironside; northwest on US Hwy 26 to Austin junction; northeast on State Hwy 7 to Ironside Creek; southwest on Ironside Creek to Tipton Summit; northeast on Blue Mt summit (Baker/Grant county line) to the Summit of Anthony Lks Ski Area (junction of Grant, Baker, and Union counties); north along the Blue Mt summit to Anthony Lks Rd 73; northeast on Anthony Lks Rd to Ellis Rd; north on Ellis Powders Rvr Lk Ln; east on North Powder River Lk Ln to I-84 at North Powder; southeast on I-84 to Malheur Line Rd (Durburn Creek) overpass; west on Malheur Line Rd/Huntington Rd to Huntington Junction; west on Willow Creek Rd to Ironside, point of beginning. (Maps: Malheur NF, Wallowa-Whitman NF, Vale BLM, ODF)

**UKIAH** 35% public lands. Beginning at Pendleton; southeast on I-84 to Mt Emily exit; west on Co Rd to Kamela; southeast on FR 2135400 to FR 2135; southeast on FR 2135 to FR 21; southwest on 21 to 2100040, south on 2100040 to FR 5900200; south on 5900200 to State Hwy 24H (FR 59) at Four Corners Forest Camp; west on Hwy 24H (FR 59) approx. 2 mi to Tower Mt Rd 5226; south and east on Tower Mt Rd 5226 past Frazier Forest Camp and Tower Mt to Silver Butte Rd 5225; south on Silver Butte Rd 5225 to Malheur Cr; southwest on Meadow Cr to Big Cr; southwest on Big Cr to N Fork John Day Rvr; northwest on N Fork John Day Rvr to US Hwy 395; northwest on Hwy 395 to Pendleton, point of beginning. (Maps: Umatilla NF, Wallowa-Whitman NF, Vale BLM, ODF)

**UPPER DESCHUTES** 75% public lands. Beginning at Bend; southeast on US Hwy 97 to Crescent; west on Klamath Co Rd 61 to Crescent Cr; southwest on Crescent Cr to State Hwy 58; northwest on Hwy 58 to Pacific Crest Trail; north on Pacific Crest Trail to US Hwy 242; east on Hwy 242 to Sisters; east on State Hwy 126 to Redmond; southeast on US Hwy 97 to Bend, point of beginning. (Maps: Deschutes NF)

**WAGONTIRE** 85% public lands. Beginning on US Hwy 20, 2-1/2 mi east of Millican; southeast on US Hwy 395 to State Hwy 31 at Valley Falls; northwest on Hwy 31 to Lk Co Rd 5-14F; 9 mi east of Silver Lk; northeast on Lk Co Rd 5-14F to Lk Co Rd 5-14C at Christmas Valley; east 2 mi on Lk Co Rd 5-14 to junction with Lk Co Rd 5-14C; northeast on Lk Co Rd 5-14C to intersection of Lk Co Rd 5-12B; west on Lk Co Rd 5-12B to Junction of Lk Co Rd 5-12D; north on Lk Co Rd 5-12D past Janes Well and Dickerson Well to Hwy 20, point of beginning. (Maps: Lakeview /Prineville /Vale BLM)

**WALLA WALLA** 33% public lands. Beginning at Weston; north on State Hwy 11 to Oregon-Washington state line; east on state line to FR 64; southwest on FR 64 to Tollgate; northwest on State Hwy 204 to Weston, point of beginning. (Only specific hunts include Mill Cr Watershed.) (Maps: Fremont NF, Lakeview BLM)

**WARNER** 70% public lands. Beginning at Lakeview; northeast on US Hwy 395 to Fort Bidwell-Warner Valley Rd north of Abert Lk; south on Fort Bidwell-Warner Valley Rd through Plush and Adel to Oregon-California state line; west on State Hwy 395 to Hwy 95; north on Hwy 95 to Lakeview, point of beginning. (Maps: Fremont NF, Lakeview BLM)

**WENACH** 70% public lands. Beginning at Tyr; southwest on Grande Ronde Rvr to Elgin; northwest on State Hwy 204 to Tollgate; northeast on FR 64 to Oregon-Washington state line; east on State Hwy 204 to Grande Ronde Rvr; southwest on Grande Ronde Rvr to Troy, point of beginning. (Maps: Umatilla NF, ODF)

**WHITEHORSE** 90% public lands. Beginning at Follyfarm; southeast on State Hwy 78 to US Hwy 95; northwest on Hwy 95 to Jordan Valley; east on Jordan Valley-Silver City Rd to Oregon-Idaho state line; south on Oregon-Idaho state line to the Oregon-Nevada state line; west on the Oregon-Nevada state line to Denio; northeast on Co Rd 201 through Fields and Andrews to Follyfarm, point of beginning. (Maps: Burns/Vale BLM)

**WHITE RVR** 43% public lands. Beginning at The Dalles; east on Columbia Rvr to US Hwy 197; south on Hwy 197 to Deschutes Rvr at Moupin; south on Deschutes Rvr to north boundary of Warm Springs Tribal Reservation boundary; west on northern Warm Springs Tribal Reservation boundary (McQuinn Strip line) to Hwy 216 and Hwy 26; southwest on Hwy 26 to Hwy 35; northwest on Hwy 35 to Houd Hdr; east on Columbia Rvr to The Dalles; south on Deschutes Rvr to north boundary of Warm Springs Tribal Reservation boundary; west on northern Warm Springs Tribal Reservation boundary (McQuinn Strip portion of White River Unit and Warm Springs Tribal Reservation was closed to public hunting Sept. 21, 1992 until further notice). (Maps: Mt Hood NF, Prineville BLM)
ODFW produced a statewide map showing wildlife management units. The map is available for sale at ODFW Salem and regional offices and some sporting goods stores. To order the statewide map showing all wildlife management units, including land ownership, please call 1-800-845-9448. MasterCard and VISA only.

Hunters successful in the controlled hunt drawing, for a hunt for which a map is provided, will be mailed a map prior to the hunt. The department is beginning to make maps for some controlled hunts available for viewing on the ODFW website. Hunters may periodically check the department website for an updated listing of controlled hunt maps.

Each of the following sources produce and stock their own maps. Some maps are free. Others have a slight charge. A number of maps prepared by private commercial companies are available at sporting goods stores and other commercial outlets.

Hunting is prohibited in Crater Lake NP. Unloaded weapons may be possessed in a temporary lodging or mechanical mode of conveyance when such implements are rendered temporarily inoperable, or are packed, cased, or stored in a manner that prevents their ready use.
Note: Public land ownership patterns and access are changing throughout the west as a result of executive orders and land exchanges. Contact the local ODFW, BLM, or USFS office where you will be hunting for information on changes and restrictions.
COOPERATIVE TRAVEL MANAGEMENT AREAS

Through cooperative agreement, motor vehicle use is limited to specific roads and areas listed below. Maps of most areas will be available by Sept. We do not carry maps of areas that are easily plotted on forestry maps. Old maps should not be relied on because roads open to vehicles may change. There are two methods of posting roads for motorized travel: 1) Negative marking in which closed roads are marked by signs, gates, berms, designated on maps, etc. 2) Positive marking in which open roads are marked by round green reflectors (areas below where round green reflectors are used are indicated by a *, orange carsonite posts, designated on maps, etc. Note: A TMA may use more than one method, for example TMAs with positive markings may also use signs for some situations, such as confusing intersections. No person shall shoot from or across a public Rd or railroad right-of-way except that persons legally hunting on closed Rds within Cooperative Travel Management Areas (TMAs) are not violating current prohibitions on shooting from or across a public Rd. The same is true for other Rds closed to use of motor vehicles by the public. See WA Regs. pages 98-100. There are additional travel management programs being implemented by other public agencies and private landowners.

ODFW has no information for Rd closures not listed on these pages. Hunters need to contact the land management agency or landowner to determine the extent of such closures before going hunting. * Signifies TMAs that have maps.

All areas posted as “Refuge” are closed to public entry. The Beneke Tract is open to hunting only during game mammal and game bird seasons. Posted portions of the Beneke tract are closed to public entry during any open season. Dead elk hunting only except for black-tailed deer in western Oregon rifle season with a valid unused tag. The Humbug Tract is open to hunting only during game mammal and game bird seasons. It is unlawful to shoot firearms and bows from or across open fields during any open Wilson Unit elk season.

Open to bowhunting for black-tailed deer Aug. 24 - Sept. 22, except Oak Island (Multnomah-Columbia Co) is closed to deer hunting and Sturgeon Lk Refuge is closed to all hunting. Free daily permits are required and are available at self-service check stations located at Sauvie Island WA headquarters, Willow Bar parking lot off Reeder Rd and North Unit parking lot. Hunters must check in and out daily. Closed to deer hunting after Sept. 22. Closed to hunting for furbearers, predators, unprotected and protected wildlife (except black-tailed deer, rabbit, crow, Eurasian collared dove and game birds). Use of rifles, handguns and crossbows prohibited at all times. Parking permits are required. (see page 29 for more information).

Vehicles restricted to travel on Co Rds.

The Cascade Head - Lincoln City Area is closed to hunting with centerfire rifles, muzzleloaders, or handguns. Hunting is restricted to archery and shotguns only during authorized seasons, except for department approved emergency hunts. Hunters using shotguns for elk shall use slugs (single projectile) only. Area boundary: Beginning at Pacific Ocean and Siletz River mouth, east along the north of shoreline of the Siletz River to Drift Cr Rd (milepost 1 on Hwy 229); north on Drift Cr Rd to Anderson Cr Rd; north on Anderson Cr Rd to Schooner Cr Rd; west on Schooner Cr Rd to Forest Rd 2200; north and east on FR 2200 to FR 1726; west on FR 1726 to FR 2100; northeast on FR 2100 to the powerline crossing; north along the powerline to State Hwy 18; west on Hwy 18 to Old Scenic Hwy 101; north on Old Scenic Hwy 101 to Three Rocks Rd; west on Three Rocks Rd to US Hwy 101; north on US Hwy 101 to FR 1861; west on FR 1861 to Harts Cove trailhead; west on Harts Cove trail to the Pacific Ocean; south along the coastline to the Siletz River, point of beginning.

Open to black-tailed deer hunting during authorized seasons, except closed to archery deer hunting when youth permanent hunts are in progress. (See Game Bird Regulations for more information). Hunting is unrestricted by permit. All federal and state hunting regulations apply. Fishing is open to all. Hunting is restricted to archery and shotguns only during authorized seasons, except for department approved emergency hunts. Hunters using shotguns for elk shall use slugs (single projectile) only. Area boundary: Beginning at Pacific Ocean and Siletz River mouth, east along the north of shoreline of the Siletz River to Drift Cr Rd (milepost 1 on Hwy 229); north on Drift Cr Rd to Anderson Cr Rd; north on Anderson Cr Rd to Schooner Cr Rd; west on Schooner Cr Rd to Forest Rd 2200; north and east on FR 2200 to FR 1726; west on FR 1726 to FR 2100; northeast on FR 2100 to the powerline crossing; north along the powerline to State Hwy 18; west on Hwy 18 to Old Scenic Hwy 101; north on Old Scenic Hwy 101 to Three Rocks Rd; west on Three Rocks Rd to US Hwy 101; north on US Hwy 101 to FR 1861; west on FR 1861 to Harts Cove trailhead; west on Harts Cove trail to the Pacific Ocean; south along the coastline to the Siletz River, point of beginning.

Hunting is permitted with shotguns or bows and arrows only, during authorized seasons on Willamette Rvr Corridor Greenway parcels, except in those parcels where hunting is prohibited.

Oregon Parks and Recreation Department prohibits trespass above mean high water mark on their ownerships. Discharge of rifles, handguns, shotguns with slugs or buckshot, and bows is prohibited.

This area, bounded by the Sandy Rvr on the west, I-84 on the south and Columbia Rvr on the north is owned and managed by the USFS. The area is closed to all hunting, except the portion of the area north and east of the BPA powerline is open to waterfowl hunting with shotgun only. Lands below the mean high water line of the Columbia Rvr or Sandy Rvr are not affected by this regulation.

Open for wildlife-oriented public use otherwise unless otherwise excluded or restricted by the following rules: discharge of any firearm is prohibited except as authorized during game bird and game seasons, or by permit. Camping is prohibited except by permit. Unauthorized motor vehicle use is prohibited. Phone 541-867-4741.

Use of rifles and handguns prohibited for all hunting in that part of Sitka Unit west of Hwy 101 and north of Takanenich Cr.

The area is closed to all big game hunting except for and during controlled hunts specific to the management area by hunters possessing a controlled hunt tag for the area. Elk hunting will be allowed by hunters who possess a valid NBHMA controlled hunt tag in addition to a valid elk tag. All BLM lands located in T2S5, RSW, Sections 35, 36, T26S, RSW, Sections 1, 2, 11, 12, 13, 14; T25S, RHW, Sections 31, 32, 33, T26S, RHW, Sections 4, 5, 6, 7, 8, 18, (6,500 acres located approximately 8 mi northeast of Roseburg). The use of bait for hunting big game mammals is prohibited on NBHMA.

All Bureau of Land Management lands within or adjacent to T2S5 R11 W (including Spruce Meach Island located adjacent to Hwy 38 and between the outlets of Koapke and Hindsdale Sloughs) are closed to hunting. Also, other lands located within the following boundary are closed to hunting during all deer and elk seasons that pertain to this area: Beginning at the intersection of Schofield Rd. and Hwy 38, south on Schofield Rd. to it's intersection with Hokki Ridge Rd., east on Hokki Ridge Rd. to the crest of Hokki Ridge, east along the crest of Hokki Ridge to it's intersection with the BLM boundary located in T2S5, R11 W Section 4, westerly along the BLM boundary to Hwy. 38, west to Hwy. 38 to point of beginning.

Specific areas are closed to hunting for public health and safety. Contact reserve headquarters 541-888-5558 for map of specific closures.

All land within 1 mi of Rogue Rvr between Grave Cr and Lobster Cr closed to bear hunting. All land within 1/4 mi of Rogue Rvr in the wild rvr section from Grave Cr downstream to Watson Cr is closed to all hunting except during authorized seasons.
**Unit(s) | Area Name | Regulation**

29 Denman WA (Jackson Co) | Use of rifles and handguns prohibited at all times. Open to hunting only during game mammal and game bird seasons. All hunters must check in and out daily at self-service check stations located at area access points. Parking permits are required (see page 29 for more information).

31 Klamath WA (Klamath Co) | Miller Island Unit is closed to all deer hunting. Parking permits are required (see page 29 for more information).

31 | Bear Valley NWR (Klamath Co) | Closed to all public entry except walk-in deer hunting prior to Nov. I. Closed to all motor vehicle use year round. 6 sq. mi. in T40S, R7 and R8E.

32 | Lost Rvr Winter Range | Closed to all motor vehicle use Dec. I - Apr. 15. 6 sq mi in T39S, R11, I, 11-1/2 and 12E.

32 | Bryant Mt | Closed to all motor vehicle use Nov. I - Apr. 15. 50 sq. mi. in T39, 40 and 41S, R12 and 13E.

33, 77 Klamath Marsh NWR | Closed to all deer and elk hunting.

34 | Tumalo Winter Range | Closed to all motor vehicle use Dec. I - Mar. 31. 125 sq mi in T15, 16, 17 and 19S, R10, 11E.

35 | Newberry Crater Wildlife Refuge (Deschutes Co) | All hunting, injuring, taking, killing, or destroying any wild bird or mammal on public land is prohibited within the rim of Newberry Crater in: T21S, R12E; T22S R12E; T21S, R13E; T22S, R13E (approximately 15 sq mi).

36, 37 Pineville Reservoir WA (Crook Co.) | Open to public access and hunting of big game and game birds during authorized seasons. Motorized vehicle travel is restricted to designated open roads. This area is closed to motorized vehicle access from Nov. 15 or Dec. I as posted at each gate during April 15 annually. That part of the Ochoco and Maury Unit as follows: 5 square miles in township 16S, Range 17E.

36, 76, 77 Cabin Lake-Silver Lake Winter Range | Closed to all motor vehicle use Dec. I - Mar. 31. 942 sq mi in T23, 21, 25, 26, 27, 28 and 29S, R11, 12, 14, 15 and 16E.

38 Rimrock Springs WA | Closed to all hunting.

38, 43, 45, 47 John Day Fossil Beds National Monument | Closed to all hunting and trapping.

39 Metolius Wildlife Refuge (Jefferson Co) | All hunting, injuring, taking, killing, or destroying any wild bird or mammal on public land is prohibited within T12 and T13S, R6E, bounded by FR 1420 and 1419 on the west, FR 1400 on the south and east and FR 1420-400, Metolius Rvr and posted boundary from Metolius Rvr to Rd 1400 on the north. (60 CFR 21.5A51). (approx. 5 sq mi)

39 Metolius Winter Range | Closed to all motor vehicle use Dec. I - Mar. 31. 101 sq. mi. in T11, 12, 13 and 14S, R11 and 12E.

41 White Rrvr WA | Motor vehicles are prohibited except on parking areas, designated campsites, and open roads. No cross country travel or off road motor vehicle use is allowed, except by permit or for administrative use. ATV/OHV and snowmobile use are prohibited on all area lands except for administrative use or by permit. Camping is prohibited except in designated campsites or by permit, and may not exceed 14 days in a 30 day period. Campfires and open burning prohibited except designated campsites. Fires are prohibited during designated fire closures. Running or driving dogs is prohibited except by permit or during authorized bird hunting seasons. Parking permits are required (see page 29 for more information).

43 Lower Deschutes WA | Open to hunting of big game, game birds and waterfowl during authorized seasons and by permit; except that discharge of firearms is prohibited within the Wild and Scenic waterway boundary from the third Saturday in May through August 31. Access by foot, boat, or bicycle only.

43 | John Day Rvr Refuge (Sherman & Gilliam Cos) | Includes all land within 1/4-mi of the John Day Rvr mean high water line from the Columbia Rvr upstream to Thirty Mile Cr. Within this area, from the Columbia Rvr upstream to Rock Cr, the area shall be open to hunting of upland game birds during authorized seasons only between Sept. 1 - Oct. 31, but closed to all waterfowl hunting. The remaining area from Rock Cr upstream to Thirty Mile Cr is open to the hunting of all game birds during authorized seasons. Hunting of big game is allowed during authorized seasons.

44 Cold Springs Refuge (Umatilla Cos) | Closed to deer and elk hunting.

44 Irigon, Coyote Springs, Power City and Boardman WA (Morrow-Umatilla Cos) | Use of rifles and handguns prohibited at all times. Big game hunting is prohibited at Coyote Springs and Boardman WAs.

44 | Umatilla Refuge (Morrow-Umatilla Cos) | Closed to deer and elk hunting except by permit during controlled hunts or emergency hunts specific to the refuge.

44 Willow Cr WA | Open to hunting of big game and game birds during authorized seasons.

45 Lost Valley Ranch RHA | Open to public access and hunting Aug. I to Jan. 31. Campers, horseback riding and open fires prohibited. Closed to all motor vehicle use unless posted otherwise. Approx. 9 sq. mi. in T5 & 6S, R2 & 23E.

45, 48 Heppner RHA | Open fires and camping permitted in posted areas. Approx. 63 sq mi in T2, 3 and 5S and R25, 26 27 and 28E. Closed to all motor vehicle use year-round unless posted otherwise.

46 Phillip W Schneider WA (Grant Co.) | Open to public access and hunting Apr. 15 - Jan. 31. Motorized vehicle travel restricted to open rds. Some rds closed seasonally from Dec. I - Apr. 14. Entry by permit only Feb. I - Apr. 14; including BLm land within exterior boundaries of the area. Parking permits are required (see page 29 for more information).

49 McKay Cr Refuge (Umatilla Co) | Closed to deer and elk hunting.

51, 52 Elkhorn WA (Baker-Union Cos) | Open to public access Apr. 1 - Nov. 30, or by permit. Roth Tract closed to all hunting; an entry permit is required at all times of the year. Motorized vehicle travel restricted to open rds. Permanent Rd closure: 7 sq mi in T6S, R38E. ATV and snowmobile use is prohibited on all area lands except for administrative use or by permit.

52 Ladd Marsh WA (Union Co) | All land north and east of Foothill Rd is closed to rifle and handgun shooting and closed to deer and elk hunting except for youth deer hunts (652T1 and 652T2). All lands west of Foothill Rd are closed to all entry Feb - Mar. 31, except by permit. Parking permits are required (see page 29 for more information).

52 Starkey Experimental Forest Enclosure (Union Co) | A posted 1/4-mi wide buffer zone on NF surrounding the Experimental Forest enclosure is closed to all hunting with a centerfire rifle or bow. The enclosure is open to deer and elk hunting only by permit during controlled hunts. The main study area is open to hunting of other species during authorized seasons. The 12-foot right-of-way along each side of all 8-foot-high perimeter and internal game fence is closed to all motorized travel. Public entry is allowed only through the main gate. The Experimental Forest is closed to public entry during the winter closure, which runs from Nov. 15 - April 30. Big game auction and raffle tag holders are not eligible to hunt in this area.

52 Spring Cr Winter Range | Closed to all motor vehicle use Dec. 15 - Apr. 30. 14 sq mi in T2 and 3S, R36E.

52 McCarty Winter Range | Closed to all motor vehicle use Dec. 15 - Mar. 31. 12 sq mi in T4 and SS, R34 and 35E.

Oregon Department of Fish and Wildlife 99
When a game mammal or part thereof is transferred to the possession of another person, a written record (use form below) describing the game mammal or part being transferred indicating the name and address of the person whose tag was originally attached to the carcass and the number of that tag shall accompany such transfer and shall remain with such game mammal or part so long as the same is preserved.

Your destination for top brands at low prices.

Find all these brands and more at your local store.
Tannerite® was specifically designed to be a safe and non-flammable shot indicator. It creates a sonic boom and water vapor when shot with a high power rifle!

We invented it. We proved it legal. We proved it safe in all states for over 20 years.

Have a safe and successful hunt, on behalf of the folks at Tannerite® Sports LLC.
