**Possession**

No person lawfully occupying real property shall be required to move from his home, farm, or business location without at least 90 days' written notice. A displaced residential occupant will not be required to move earlier than 90 days after the date comparable replacement housing is made available.

The displacee will again be notified 30 or more days prior to the date the property must be vacated. The 30-day notice will not be given until the property owner has been paid for his or her property. However, if a purchase does not require the person to move, the agreement to purchase the property may require the person to surrender possession of his or her property upon payment.

**Appeals**

Any person who is dissatisfied with a determination of his or her eligibility or claim for any relocation benefit payment shall have the right of appeal. Any person making such an appeal will be given a choice of appealing for an optional reconsideration conference or for an administrative hearing. A reconsideration conference is an optional process to afford a displacee an opportunity to present additional relevant information that may not have been considered by the department or to correct factual errors and for the Department to reconsider the claim with the new or corrected information. An administrative hearing is a formal hearing process conducted by the Office of Administrative Hearings according to the Administrative Procedures Act, ORS 183.310 to 183.550. Either type of appeal must be filed within 60 days of relocation benefit or claim determination, and must be submitted on Form 734-3623 which is available from the Right of Way Agent assigned to the file.

**Right of Way Agent**

Relocatees will be given information regarding their eligibility and possible benefits by the Right of Way Agent assigned to acquire the property.

**Eligibility**

It is important to note that eligibility for any of the following benefits is not established until you have received a written notice of eligibility from the State.

- General Moving Expenses
  Service charges for reconnecting utilities are reimbursable except under schedule move procedures.

- Individual and Family Moving Expenses
  Any individual or family displaced by a Department of Transportation project is entitled to receive a payment for actual and reasonable expenses for moving personal property a distance not to exceed a 50-mile radius or to the nearest available and adequate site. In order to obtain a moving expense payment, a displaced person must file, within 18 months after displacement, a written claim with the Department of Transportation on a form provided for that purpose. In some cases, a written arrangement with the Department of Transportation will allow the displaced person to present an unpaid commercial moving bill, and the Department of Transportation will make payment directly to the mover. If the residential displacement chooses, costs may be reimbursed according to set schedule based upon the number of rooms of furniture to be moved.

- Residential Moving Schedule
  In order to obtain a moving expense payment, a displaced person must file, within 18 months after displacement, a written claim with the Department of Transportation on a form provided for that purpose. In some cases, a written arrangement with the Department of Transportation will allow the displaced person to present an unpaid commercial moving bill, and the Department of Transportation will make payment directly to the mover. If the residential displacement chooses, costs may be reimbursed according to set schedule based upon the number of rooms of furniture to be moved.

  - Unfurnished (Relocatee owns furniture)
    - $600 (1 room)
    - $800 (2 rooms)
    - $1000 (3 rooms)
    - $1200 (4 rooms)
    - $1400 (5 rooms)
    - $1600 (6 rooms)
    - $1800 (7 rooms)
    - $2000 (8 rooms)

  - Furnished (Relocatee does not own furniture)
    - $350 for first room plus $100 for each added room
    - Plus $200 for each additional room

- Re-establishment Payment (Businesses, farms, non-profit organizations only)
  Displaced small businesses, farms, operations, and non-profit organizations may receive a payment not to exceed $10,000 for re-establishing themselves at a replacement site. Eligible expenses can include repairs and improvements required by law, replacement of soil and worn surfaces at the replacement site and other modifications, exterior signing, advertisement of the replacement location, and estimated increased cost of operation of the first two years.

- Business, Farm and Non-Profit Organization Moving Expenses
  Displaced businesses, farm operations, and non profit organizations are entitled to receive actual reasonable moving expenses for moving personal property a distance not to exceed a 50-mile radius or to the nearest available and adequate site. The actual and reasonable cost of searching for a replacement location may be claimed in an amount up to $2,500 for a farm, non-profit organization, or business. Such payments must be supported by receipted bills or other evidence of expenses incurred.

  As an alternate moving expense procedure, in the case of a self-move, the business, farm operation, or non-profit organization may be paid an amount not to exceed the lesser of two estimates secured by the Department of Transportation from qualified moving companies. Under certain conditions, businesses, farms, and non-profit organizations may receive payments for direct loses of tangible personal property resulting from the necessity to relocate. A displaced or discontinued business, non profit organization or farm operation, except advertising sign owners, may, under certain conditions, elect to receive a fixed payment in an amount equal to the average annual net earnings of the business or farm preceding the year in which such business or farm operation is displaced. The payment cannot exceed $20,000 and will not be less than $1,000. Those who choose the fixed payment are not eligible for any other relocation benefit payment.

- Storage of Personal Property
  Storage of personal property requires the written approval of the Department of Transportation and may not exceed twelve (12) months except in unusual circumstances. It should be clearly understood that those dislocatees who accept the scheduled move or fixed payment are not eligible to receive the storage expense benefit.

- Replacement Housing
  A displaced owner-occupant of a dwelling owned and occupied for 180 days or more immediately prior to the initiation of negotiations for such property may be eligible for additional payments, the combined total of which may not exceed $22,500. The replacement housing payment is the amount, if any, which when added to the amount for which the State acquired his or her dwelling, equals the actual cost which the owner is required to pay for a decent, safe, and sanitary replacement dwelling or the amount determined by the State as necessary to purchase a comparable dwelling, whichever is less. This payment includes compensation for increased interest costs for financing the replacement dwelling and actual closing costs incidental to the purchase of replacement housing.

A displaced owner-occupant of a dwelling actually owned and occupied by the owner for 90 days or more, but less than 180 days or a tenant-occupant of 90 days or more, immediately prior to initiation of negotiations for such property may be eligible for additional payments, the combined total of which may not exceed $5,250. This payment is the amount necessary to make a down payment on the purchase of a replacement dwelling and to reimburse the relocatee for the actual closing costs incidental to the purchase of the replacement dwelling. Necessary deposits for taxes and insurance are not considered as closing costs.

In those cases where an owner-occupant of 90 days or more but less than 180 days, or a tenant-occupant of 90 days or more chooses to rent instead of purchase a replacement dwelling, he or she may, under certain conditions, be eligible for payment to rent a decent, safe, and sanitary replacement dwelling.

The rent payment is the increase in rent necessary to rent a comparable dwelling for 12 months or the amount determined by the State as necessary to rent a comparable dwelling for 12 months, whichever is less. To be eligible for these benefits, the displaced owner must purchase or rent and occupy a decent, safe, and sanitary replacement dwelling within one year after the required date of displacement or within one year after the actual date of displacement, whichever is later.

Claims for replacement housing differential payment and rent supplements must be made in writing on a Department of Transportation form supplied for this purpose and must be filed with the Department of Transportation no later than 18 months after the date of displacement.

Before payments for any replacement dwelling benefits can be made, the replacement dwelling must be checked by Department of Transportation personnel to ascertain that it meets the decent, safe, and sanitary standards established by the Federal Department of Transportation. It is recommended that this determination be made prior to a commitment to rent or buy. The decent, safe, and sanitary inspection of the replacement dwelling by agency personnel is for the sole purpose of determining a relocatee’s eligibility for a relocation payment.
