Your unemployment insurance tax rate is based on the last 12 quarters experience through June 30, 2003. You will receive a Notice of Estimated Tax Rate in November because we will not have the data for the first two quarters of 2003 until we receive your annual report in 2004. Final tax rate notices will be mailed in May 2004 after the year 2003 annual reports are processed.

Withholding tax tables

The withholding tax tables were updated effective March 2003. To request a copy, please call 503-945-8091. The tables are also available on the Internet at: www.dor.state.or.us/withhold/bus.html.

Keep your records

All payroll records must be kept at least five years after filing the required reports.

No payroll or subject hours worked

Even if you have no payroll or subject hours worked, enter -0- on tax line of Form OA for each program you are subject to. See line instructions for details.

Closing your account

All reports and payments are due within 20 days of notifying us that you are closing your business, not January 31. Interest will begin to accrue if payment isn't made by that date.

Filing for bankruptcy

If you file for bankruptcy, you need to notify **separately** each state agency that administers the payroll taxes and/or assessments that you are subject to. Despite combined reporting, each agency manages its own tax program.

Oregon Identification Numbers

Your Oregon Business Identification Number (BIN) is not the same as your registry number issued by the Oregon Secretary of State's Corporation Division. If you do not know your BIN number, contact us at 503-378-4988.

It is important that you include your BIN on all correspondence, returns and payments that you file with the Department of Revenue, the Employment Department and the Department of Consumer and Business Services.

On the left, there are boxes for 'State Unemployment', 'State Withholding', 'Tri-Met District Excise', 'Law Trans. District Excise', and 'Workers' Benefit Fund Assessment'. In the center, there is a section for 'Enter quarterly payroll was paid to employees: (1, 2, 3 or 4) →' and 'TOTAL PAYMENT (add all the boxes above)'. On the right, there are fields for 'Date Recalculated/Received', 'YEA R', and 'BUSINESS ID NO.'. At the bottom right, it says 'Make check payable to: Oregon Department of Revenue, P.O. Electronic funds transfer (EFT)

Payments for combined payroll taxes can be made using the Department of Revenue's electronic funds transfer (EFT) program. This program allows payments to be initiated via a touch-tone telephone, a secure Internet site, or through your financial institution.

An employer is required to have an authorization agreement filed with the Department of Revenue before initiating EFT payments. Information and authorization agreements are available on the Internet at: www.dor.state.or.us/withhold/bus.html, or by calling the EFT help line at 503-947-2017.

Penalties

Unemployment insurance tax

A late filing penalty may be assessed if Form OA and/or the Domestic Employee Detail Report (Form 132) is filed more than 10 calendar days after the due date, and you have received a previous late filing warning. **This is in addition to interest due.** The late filing penalty is \$5 for each employee reported, with \$65 minimum and \$1,300 maximum penalty amounts. Incomplete reports may also be assessed a similar penalty. If no subject wages are reportable but the report is filed late, a \$5 late filing penalty may be assessed.

In addition, if Form 132 is not correctly formatted or is incomplete, it may be returned. If it is not resubmitted before the tenth day following the due date, a penalty may be assessed.

An additional penalty may be charged to employers who have failed as of January 31 to:

- File all unemployment insurance tax reports:
 - Form OA—Oregon Annual Tax Report,
and/or
 - Form 132—Domestic Employee Detail Report,
and/or

- Pay all unemployment insurance taxes due.

The penalty is one percent of the employer's previous year's taxable payroll.

State withholding

- You will be charged a 5 percent late payment penalty on any unpaid tax after the due date of the payment.
- You will be charged an additional 20 percent penalty on any tax due as of the due date and if Form OA is filed more than three months late.
- You will be charged a 100 percent penalty on any tax due if Form OAs are not filed for three years in a row.

Workers' Benefit Fund assessment

You are subject to a late filing penalty if the Form OA is filed or payment is received more than 10 calendar days after the due date. A civil penalty of up to \$2,000 may be assessed for each violation if the payment or Form OA is not filed timely. Penalties will be assessed at 10 percent of the outstanding balance, with a minimum of \$50 for each violation.

Interest

Unemployment insurance tax

Interest is assessed on unpaid or late paid unemployment insurance tax. The rate is 1.5 percent per month or fraction of a month after the payment is due. Interest is assessed if the payment is one day or more late. Use only unpaid tax when calculating interest. Do not calculate interest on previously assessed interest or penalties.

State withholding

You will be charged interest on any remaining tax left unpaid after the due date. Employers should not calculate interest due. You will be billed for interest due on unpaid balances.

Workers' Benefit Fund assessment

Interest is assessed on unpaid or late paid Workers' Benefit Fund assessments. The rate of 9 percent per year may be charged on all overdue balances.

Oregon Annual Tax Report (Form OA)

Line-by-Line Instructions

The “fourth quarter monthly number of covered workers” you report on Form OA should include all full-time and part-time workers who worked or received pay subject to unemployment insurance law during the payroll period which includes the 12th of the month. Some examples include:

- Daily pay period. Enter the number of workers on the daily payroll for the workday nearest the 12th of the month.
- Weekly, bi-weekly, or semi-monthly pay period. Enter the number of workers on the payroll for the period that includes the 12th of the month.
- Monthly pay period. Enter the number of workers on your monthly payroll.
- If there were no covered workers during any pay period, enter zero in the appropriate boxes. Do not leave these boxes blank.

Box 1. Subject wages. This amount must be the same as line 1 (total subject wages) on Form 132. Include wages exceeding the taxable wage base for UI reporting purposes.

Box 2. Excess wages. Enter “*Excess wages.*” Excess wages are wages above the taxable wage base for the year *per person*. The taxable wage base for 2003 is \$26,000 per employee per year.

Box 3. Taxable wages. Enter box 1A minus box 2A.

The minimum penalty is \$65. The maximum penalty is \$1,300. If there were no employees, the penalty is \$5. Late reports are those submitted more than 10 days after the due date.

To calculate interest owed, multiply the unpaid tax owed by .015 for each month or fraction of a month after the date the payment is due. Interest is assessed even if the payment is one day late.

If you have other information showing hours worked (such as a contract), you may use this information to determine hours worked. Include overtime hours. Do not include standby time. (You must document how calculations are made in case of an audit.) If you have no hours or only volunteer workers' hours to report, enter -0-. More detail on determining hours worked is available at www.cbs.state.or.us/external/bad/badrec4.html or by calling 503-378-2372.

Box 10. Assessment rate. The current WBF assessment rate is .036. Employers contribute one-half of the hourly assessment amount and deduct one-half from workers' wages.

If you need to adjust hours worked in a previous year, file an amended Form 132 (see page 5).

Box 6. Page total. Enter the total subject wages for all employees reported in each quarter. Do not include the totals from other pages on this form.

Oregon Unemployment Insurance Tax Information

Subject wages

Generally, wages reportable for Federal Unemployment Tax Act (FUTA) purposes are reportable for Oregon unemployment insurance (UI) tax. All wages, including draws, are reportable when paid to the employee. For example, wages paid April 1, for work performed in March are reportable in the second quarter (April–June).

An employee is any person (including aliens or minors) employed for pay by any employer subject to Employment Department law (ORS 657.015).

“Wages” means all compensation for service, unless specifically excluded by law. Payments other than cash are reportable at their cash value in the quarter in which they are available to the employee.

The following are examples of subject wages:

- Payments for services to individuals in the employ of any type of corporation, except those exempt under the family corporation provision (see excluded wages).
- Payments for agricultural and domestic labor by qualified employers.
- Payments for services to individuals in the employ of nonprofit organizations or political subdivisions.
- Payments for services performed in the employ of a church or other religious organization.
- Special payment for services, such as commissions, fees, bonuses, prizes, separation allowances, guaranteed wage payments, vacation, and holiday pay.
- Employee tips reported by the employer pursuant to Section 3306 of the Internal Revenue Code.
- The actual value of lodging (room, apartment, or house rental) and meals provided to employees as part of their pay. When the actual cash value is not available, the following minimum amounts have been established: room and board—\$150 per month, meals—\$1.50 per meal. **Note:** noncash payments for agricultural and domestic services are not subject.

Excluded wages

Examples of payments that are not subject under unemployment insurance law are:

- Payments to a proprietor or the proprietor’s spouse, parent, or child under 18.
- Payments to a legally responsible and registered general partner or partners of a Limited Liability Partnership (LLP) or to members of a Limited Liability Company (LLC).
- Noncash payments to workers in agricultural or domestic employment.
- Sick pay under workers’ compensation law.
- Closely held family corporations may elect to exclude payments for services to corporate officers who:
 - Are directors,
 - Have a substantial ownership interest in the corporation, **and**
 - Are members of the same family, such as parents, daughters, sons, daughters-in-law, sons-in-law, or grandchildren.

However, those excluded may be subject to higher FUTA tax.

An election to exclude corporate officers must be in writing and will be effective the first day of the calendar quarter in which it is submitted for approval.

Unemployment insurance tax payments

All payments must be sent with a payment coupon (Form OTC). Enter the amount paid in the “State Unemployment Insurance Tax” box. When there is more owed than taxes, payments are applied first to legal fees, penalties, and interest. The remainder is applied to tax owed.

Employer ceases to be subject to UI tax

An employer who ceases to have sufficient employment or payroll subject to ORS Chapter 657 must file an application for such a finding by the director of the Employment Department in accordance with ORS 657.415. Such exemptions shall continue until the employer again qualifies as an employer as defined in ORS 657.

Equal opportunity employer

The Employment Department is an equal opportunity agency and does not discriminate in providing services on the basis of race, color, religion, sex, nation of origin, age, disability, political affiliation or belief, citizenship, or marital status. Auxiliary aids and services are available upon request to disabled individuals. Contact the nearest Employment Department office for assistance.

Oregon Withholding Tax

Who is a household employee?

The information applies to you only if you pay someone for household work and that worker is your employee. Household work is work done in or around your home by babysitters, nannies, health aides, private nurses, maids, caretakers, yard workers, and similar domestic workers.

A household worker is your employee if you can control not only what work is done, but also how it is done.

If only the worker can control how the work is done, the worker is not your employee but is self-employed. A self-employed worker usually provides his or her own tools and offers services

to the general public in an independent business. If an agency provides the worker and controls what work is done and how it is done, the worker is not your employee.

Should Oregon income tax be withheld from a household employee's pay?

Oregon income tax withholding is not required for household employees. However, Oregon income tax can be withheld if the household employee **asks** you to withhold and you **agree**. In order to determine withholding, the employee must complete federal Form W-4, Employee's Withholding Allowance Certificate.

Figuring withholding tax

Use the withholding tables in the Oregon Withholding Tax Tables booklet to find out how much state income tax to withhold from the employee's pay.

If you need a copy of the Oregon Withholding Tax Tables, call 503-945-8091 or 503-378-4988. This information is also available on the Internet at: www.dor.state.or.us/withhold/bus.html.

Transit district tax Information

Domestic service in a private home is exempt from the Tri-County Metropolitan Transportation District (TriMet) and the Lane Transit District (LTD).

Oregon Workers' Benefit Fund Assessment

Workers subject to Workers' Benefit Fund (WBF) assessment

There are few domestic workers that are subject to the Workers' Benefit Fund assessment. Domestic workers subject to the WBF assessment are:

- Those for whom the employer is required by law to provide workers' compensation insurance coverage (e.g. those employed by sororities and fraternities); and
- Those for whom the employer elects to provide workers' compensation insurance coverage even though not required by law to do so.

For each calendar year that you have subject workers or covered nonsubject workers, you must file a Form OA to report hours worked. For each calendar year you have coverage, but no workers or only volunteer workers, you must file a Form OA to report -0- hours worked and -0- assessment due. If you do not file a Form OA during the time you have subject workers or workers' compensation insurance coverage, you may be assessed a penalty.

Before you report and pay the WBF assessment, if you have questions about whether your domestic workers are subject, call 503-947-7815, or write: Compliance Unit, DCBS/WCD, PO Box 14480 Salem, OR 97309-0405.

For all other questions regarding the WBF assessment, call the WBF hotline at 503-378-2372, or check out the Information Sheet at www.cbs.state.or.us/external/bad/badrec4.html.

Hourly assessment

The assessment is based on the total number of hours or parts of hours worked by all subject workers in the same pay period as is used to compute the employee's withholding. The hourly assessment rate is printed on Form OA in box 10, and may change annually.

Note: The WBF assessment is separate from your workers' compensation insurance premium.

How to update or close your Workers' Benefit Fund assessment account

If you change ownership, discontinue business, or cease to employ workers, contact your workers' compensation insurer with the corrected information. When your insurer terminates or files an endorsement to the guaranty contract with the Workers' Compensation Division, your WBF assessment account also will be corrected or closed. You also may use the Change in Status Report to expedite updating or closing your WBF assessment account for reporting purposes, but your insurance coverage and claims liability remain unchanged and in effect until your insurer notifies the Workers' Compensation Division directly.
