

SKIOREGON

2014-2015 Adventure Planner

Central

Central Oregon skiing means big mountains and big fun.

Check out **Mt. Bachelor** near Bend for the largest ski area in the Cascade Mountains at nearly 3,700 acres in the sunny high desert. The wide-open terrain at **Hoodoo** is a favorite

with families. **Willamette Pass**, the closest ski area to the Willamette Valley, has steep mountain terrain with a small, friendly feel. Après-ski, visit and explore Bend, Redmond and Sisters near Mt. Bachelor and Hoodoo, and Eugene and the surrounding Willamette Valley after a day on the slopes of Willamette Pass.

Mt. Hood

Glorious Mt. Hood, rising to a height of 11,240 feet, is home to four fabulous ski areas. Check out **Mt. Hood Skibowl** for the largest night skiing area in America. Ski **Timberline Lodge Ski Area** for great slopes as well as the historic Timberline Lodge. Head to **Mt. Hood Meadows** for more than 2,000 acres of big mountain skiing and to **Cooper Spur** for family-friendly fun. Off the mountain, visit the charming communities of Parkdale and Hood River on the east side of the mountain and Government Camp, Welches and Rhododendron on the west side.

Southern

The skiing and snowboarding options in Southern Oregon run the gamut from epic backcountry to best beginner slopes. **Cat Ski Mt. Bailey** will take you to the steep and deep in 6,000 acres and 20,000 vertical feet near Crater Lake. **Mt. Ashland**, the highest point in the Siskiyou Range, offers plenty of challenge within bounds. At **Warner Canyon** in the high desert country near Lakeview, find dry powder skiing and a family-friendly vibe. Check out the towns of Ashland, Medford, Klamath Falls and Lakeview during your travels.

Eastern

Skiing in Eastern Oregon is about sunshine, rugged mountain ranges and bright blue skies. The deep dry powder lives up to its reputation, and the off-the-beaten track feel is worth the trip alone. Enjoy skiing at **Anthony Lakes Mountain Resort** in the slopes of the Elkhorn Range and **Spout Springs** in the Umatilla National Forest — both fun and family-friendly. Off the hill you'll find Old West charm and hospitality in friendly small towns like La Grande, Baker City, Pendleton, North Powder and Union.

KNOW BEFORE YOU GO

SNO-PARKS (November 1–April 30)

A Sno-Park permit must be displayed on your windshield if you park in a designated winter recreation parking area. Many ski area parking areas require this permit. Parking in an Oregon Sno-Park without a permit may result in a citation from the state. Mt. Bachelor, Hoodoo and Willamette Pass Resort do not require a Sno-Park permit.

TRACTION TIRES

Traction devices may be required to travel into the Oregon mountains during winter. Check the road report before you travel and make sure you have the proper devices for safe travel into the mountains. Oregon state law allows motorists to use studded tires between November 1 and March 31. Because of the damage caused by studded tires to roads, ODOT encourages drivers to consider using chains or non-studded traction tires.

**Details on where to buy Sno-Park passes, Oregon's chain laws and additional information on road conditions are outlined on www.SkiOregon.org.*

JANUARY IS LEARN TO SKI AND SNOWBOARD MONTH

It's New Year's resolution time. What did you pledge to do? Get in shape? Try something new? Spend more time with the family? We've got you covered. In Oregon, January is Learn to Ski and Snowboard Month. For the entire month, Oregon ski areas offer lessons for all ages and ability levels — with affordable prices to boot. Packages include classes for beginning skiers and snowboarders and usually include equipment rental and lift tickets. Check out each Oregon ski area for specific details and make good on your resolution.

The mission of Ski Oregon is to create awareness of and demand for Oregon ski and snowboard industry services and products. Helping to protect and enhance the pristine qualities of the Oregon environment and share the enjoyment of skiing are primary Ski Oregon objectives. The guide is published by MEDIAmerica and printed in Oregon.

DID YOU KNOW?

- At 9,000 feet, **Mt. Bachelor** is the tallest resort peak in the Cascades and Oregon's largest ski area. Ten chairlifts serve 3,700 acres of terrain for all ability levels.
- Kids 12 and under ski FREE all season at **Mt. Bachelor** with the advance purchase of a parent's multi-day lift ticket.
- **Mt. Ashland** is a 501(c)(3) non-profit owned and operated ski area providing the Rogue Valley local mountain fun since 1964.
- **Skibowl** is America's largest night skiing area. Open seven nights a week, it features terrain for all ability levels. It's also home to the world's only Cosmic Tubing™ at the Skibowl Snow Tube & Adventure Park.
- **Hoodoo** offers Central Oregon's only night skiing destination.
- Just five miles from Crater Lake National Park, **Cat Ski Mt. Bailey** is the country's longest running backcountry cat skiing operation.
- In addition to 10 runs of fun for weekend and holiday snow play, skiing, snowboarding and tubing, **Cooper Spur** offers a merry-go-round that pulls tykes on tubes.
- **Willamette Pass** ski area officially opened in 1941 with a handful of rope tows, but now has the only 6-passenger detachable in the state. This means no lines to access more than 2,000 acres of skiing or boarding, with 1,563 feet of vertical and 555 acres of groomers. We have what beginners to experts seek.
- **Anthony Lakes Mountain Resort** offers two yurts for overnight lodging at the resort. The unique "front/back-country" yurts are located within a quarter-mile of the main lodge and each boasts breathtaking views and an unforgettable experience.
- **Mt. Hood Meadows** is Mt. Hood's largest and most popular ski resort, offering 2,150 acres of playful and varied terrain, including six terrain parks and an in-ground Superpipe.
- **Hoodoo** loves beginners! Hoodoo's 1-2-3 and Rent For Free program gives first timers three two-hour lessons, three lift tickets and three rentals. Bonus: Once beginners complete their courses, they receive free rental equipment for the rest of the season!
- Nestled in the Blue Mountains of northeast Oregon, **Spout Springs** serves Pendleton and Walla Walla skiers with 21,000 acres for cross-country touring.
- **Timberline Resort** boasts the Northwest's largest winter vertical terrain with 3,690 vertical feet from the top of Palmer Glacier to the bottom of Still Creek Basin.
- Constructed in 1937, **Timberline Lodge** is a beautiful 55,000-square-foot National Historic Landmark on Mt. Hood that has Oregon's only resort slopeside lodging.
- **Anthony Lakes** offers the unique, "Own the Mountain for a Day" experience! You and 49 friends can enjoy Anthony Lakes' powder all to yourself on any non-operating Monday!
